H. TERMINATION AND/OR WITHDRAWAL OF FUND MEMBERS

This notice shall not relieve the member from its pro-rata responsibility for general expenses through the current budget year. The Fund shall immediately

notify the Department and Department of Community Affairs of all members that have given notice of intention to leave the Fund. (N.J.A.C. 11:15-2.10(b)).

3. A member that has been terminated or does not continue as a member of the Fund shall nevertheless share in any surplus in the appropriate trust accounts for that Fund year and shall remain jointly and severally liable for claims incurred by the Fund and its members during the period of its membership, including, but not limited to being subject to and liable for supplemental assessments. (N.J.A.C. 11:15-2.10(c)).
4. The Fund shall immediately notify the Department and the Department of Community Affairs if the termination or withdrawal of a member causes the Fund to fail to meet any of the requirements of N.J.S.A. 40A:10-36 et seq., or any other law or regulation of the State of New Jersey. Within fifteen (15) days of the notice, the Fund shall advise the Department and the Department of Community Affairs of its plan to bring the Fund into compliance. (N.J.A.C. 11:15-2.10(d)).
5. A Fund member is not relieved of the claims incurred during its period of membership, either collectively through the Fund's retention within a line or lines of coverage by Fund year, or individually associated with an individual member deductible or retention within a line or lines of coverage by Fund year, except through payment by the Fund or member of those claims.

This provision can be waived by two-thirds affirmative vote of the Executive Committee.

Article X

CONTRIBUTION/ASSESSMENT

A. ANNUAL CONTRIBUTION/ASSESSMENT

1. By November 15th of each year, the actuary shall compute and deliver to the Fund the probable net cost for the upcoming Fund year by line of coverage and for each prior Fund year.
2. The annual contribution/assessment of each member municipality shall consist of an amount allocated for the administrative account, payment of interest and repayment of principal on bonds issued for environmental impairment liability funds, when appropriate, plus a specific assessment to establish and/or replenish the claim or loss retention trust fund account for each type of coverage provided by the Fund and in which such member participates. (N.J.A.C. 11:15-2.15(b)).

3. The total amount of each member's annual contribution/assessment shall be certified by majority vote of the Executive Committee to the governing body of each member municipality through the Clerk at least one (1) month prior to the beginning of the next fiscal year. As a condition of continued participation in the Fund, each member shall pay the amount certified at such time and in such manner provided in the Fund's bylaws. (N.J.A.C. 11:15-2.15(c)).
4. The annual contribution/assessment shall be paid to the Fund in a manner to be determined by the Executive Committee and set forth annually in the Risk Management Plan. Any payment plan approved by the Executive Committee shall conform to N.J.A.C. 11:15-2.15 (a).
5. In the event the final budget passed in December necessitates changes after the annual contribution/assessment, the subsequent installments shall be adjusted to reflect this difference. (N.J.A.C. 11:15-2.15(e)).
6. The Treasurer shall deposit each member's contribution/assessment into the appropriate accounts including the administrative account and the claim or loss retention trust Fund account by Fund year for each type of coverage in which the member participates.
7. If a municipality becomes a member of the Fund or elects to participate in a line of coverage after the start of the Fund year, the municipality's contribution/assessment and supplemental contribution/assessments shall be reduced in proportion to that part of the year which has elapsed.
8. Unless otherwise approved by the Commissioner, the annual contribution/assessment of each Fund member providing for the self-insurance of workers' compensation and employers' liability coverages shall be based upon the Experience Rating Plan provided for in the New Jersey Workers' Compensation and Employers' Liability Insurance Manual on file with the Commissioner. The Commissioner may withdraw his or her approval of any contribution/assessment if he or she finds that such contribution/assessment is unreasonable or inadequate for the members of the fund to which it applies. In taking any action under this section, the Commissioner may require that the Fund commissioners, the executive committee, the administrator, any appointed officials, any servicing organization or agent of the Fund provide such information as he or she deems necessary. (N.J.A.C. 11:15-2.15(d)).

B. SUPPLEMENTAL CONTRIBUTIONS/ASSESSMENTS

1. The Executive Committee shall by majority vote levy upon the member municipalities additional assessments wherever needed or whenever so ordered by the Commissioner to supplement the Fund's claim, loss retention or administrative accounts to assure the payment of the Fund's obligations, including payment of benefits under the workers' compensation law. (N.J.A.C. 11:15-2.16(a)).
 - a. All supplemental contributions/assessments shall be charged to the member municipalities by applicable Fund year, and shall be made in proportion to the municipality's assessment for that line of coverage

- b. All municipalities shall be given thirty (30) days advance written notice of the Fund's intention to charge an additional assessment, and the Fund shall conduct a hearing before adopting the supplemental assessment.
 - c. Municipalities shall have thirty (30) days to pay the Fund from the date any supplemental assessment is adopted.
 - d. The members shall provide such additional assessments in accordance with the provisions of Local Budget Law (N.J.S.A. 40A:4-1 et seq.), or Local Authority Fiscal Control Law (N.J.S.A. 40A:5A-1 et seq.), as applicable. (N.J.A.C. 11:15-2.16(c)).
2. The Fund shall submit to the Commissioner and the Commissioner of the Department of Community Affairs a report of the causes of the Fund's insufficiency, the assessments necessary to replenish it and the steps taken to prevent a reoccurrence of the circumstances. (N.J.A.C. 11:15-2.16(b)).

C. FAILURE OR REFUSAL TO PROVIDE REQUIRED CONTRIBUTIONS/ASSESSMENTS

Should any member fail or refuse to pay its contributions/assessments or supplemental contributions/assessments, or should the Fund fail to assess funds required to meet its obligations, the Chairperson or in the event of his or her failure to do so, the custodian of the Fund's assets, shall notify in writing the Commissioner and the Commissioner of the Department of Community Affairs. Past due assessments shall bear interest at the rate of interest to be established annually by the Executive Committee. (N.J.A.C. 11:15-2.17).

D. INSOLVENCY AND/OR BANKRUPTCY OF FUND MEMBERS

The insolvency or bankruptcy of a member does not relieve the Fund, or any other member, of joint and several liability for the payment of any claim incurred by the member during the period of its membership, including, but not limited to, being subject to and liable for supplemental contributions/assessments. (N.J.A.C. 11:15-2.11).

Article XI
REFUNDS

- A. Any monies for a Fund year in excess of the amount necessary to fund all obligations for that fiscal year as certified by an actuary may be declared to be refundable by the Fund not less than twenty four (24) months after the end of the fiscal year. (N.J.A.C. 11:15-2.21(a)).
- B. The Fund may seek approval from the Commissioner to make initial and subsequent refund payments from a claims or loss retention Fund account remaining from any year which has been completed at least 24 months by submitting a written notification to the Department and Department of Community Affairs with accompanying documentation as set forth in this subsection, at least 30 days prior to the proposed refund. If the Commissioner does not disapprove, in writing, the request to make the refund within the 30 day period, the request shall be deemed approved. The Commissioner may also affirmatively approve the request prior to the expiration of the 30 day period. The written notification shall be accompanied by appropriate documentation including, but not limited to, contribution/assessment, claims

and expense detail; actuarial certification that the loss and loss expense reserves are adequate for the Fund to have an overall surplus for that fiscal year; and such other information that the Commissioner may require. The initial and any subsequent refund for any year from a claim or loss retention trust account may be in any amount subject to the limitation that after the refund, the remaining net current surplus in the account from which the refund is made must equal or exceed the surplus retention requirement to be calculated as follows (N.J.A.C. 11:15-2.21(b)):

1. Fund year paid losses shall be multiplied by the appropriate paid loss factor for the line of coverage and duration of maturity set forth in the current exhibit for the purpose in N.J.A.C. 11:15-2.21(b)1.
 2. Fund year unpaid claim reserves, excluding reserves for incurred but not reported claims, shall be multiplied by the appropriate unpaid claim factor for the line of coverage and duration of maturity set forth in the current exhibit for the purpose in N.J.A.C. 11:15-2.21(b)2. Unpaid claim reserves, excluding reserves for incurred but not reported claims, shall be established at full value and not discounted. (N.J.A.C. 11:15-2.21(b)2).
 3. The greater of the results from the calculation set forth in B.1. and 2. above shall then be reduced by the amount of outstanding losses reported, including incurred but not reported claims, as certified by an actuary. The result of this calculation, but not less than zero, shall be the surplus retention requirement for that Fund year. (N.J.A.C. 11:15-2.21(b)3).
- C. A full and final refund of net current surplus will not be allowed until all case reserves and all unpaid claim reserves are closed. (N.J.A.C. 11:15-2.21(d)).
- D. A refund for any fiscal year shall be paid directly to the member only in proportion to the members participation in the Fund for the year. Payment of a refund on a previous year is not contingent on the member's continued membership in the Fund after that year. (N.J.A.C. 11:15-2.21(e)).
- E. At the option of the member the refund may be retained by the Fund and applied towards the member's next annual contribution/assessment. (N.J.A.C. 11:15-2.21(f)).

ARTICLE XII

EXCESS INSURANCE and/or REINSURANCE and AGGREGATE EXCESS INSURANCE

A. General

1. In order to minimize the financial risk which catastrophic claims present to the members, the FUND seeks to secure protection against claims that cost more than the members are able or willing to bear. This is done through the analysis of loss patterns by an actuary to determine how much money would be needed to safely finance various self-insured retentions. Once completed, the FUND then seeks to cede the financial risk of loss above its retention/s to an insurer through the purchase of specific or single occurrence/ accident excess or reinsurance policies. Secondly, because the members also bear the risk of accumulated losses adding up to more than

they had set aside in loss funds within their retention/s, the FUND also seeks to cede this risk to an insurer or reinsurer, or joint insurance fund through the purchase of aggregate excess or stop loss insurance.

2. The policies of excess insurance and/or reinsurance issued to the Fund shall provide single accident (single occurrence) excess insurance and/or reinsurance, and aggregate excess insurance and/or reinsurance, in accordance with this Article XII and N.J.A.C. 11:15-2.23(b). All such insurances purchased by the Fund shall be recorded on certificates of excess insurance and/or reinsurance which will show policy limits, specific and aggregate retentions, and other information, and shall be made available to the members and filed with the Commissioner. (N.J.A.C. 11:15-2.23(c)). Losses in excess of the established self-insurance retention/s, on either specific excess or aggregate excess insurance policies, shall be borne by the excess carrier/s according to the terms and conditions of the excess contract/s. (N.J.A.C. 11:15-2.23(d)). Any proposed change in the terms or limits of excess insurance and/or reinsurance shall be submitted to the Department and the Department of Community Affairs for approval at least 30 days prior to the effective date of the proposed change. (N.J.A.C. 11:15-2.23(e)).

B. Specific Excess

1. Consistent with N.J.A.C. 11:15-2.6(a)6, the Fund shall secure specific excess insurance or reinsurance in a form, in an amount and by an insurer, or other entity authorized to provide such coverage in the State pursuant to law, acceptable to the Commissioner, if commercially available and not unreasonably priced, as determined by the Fund's Executive Committee for each Fund year, and as approved by the Department and the Department of Community Affairs, for each line of coverage in which the Fund provides primary or underlying coverage on a self-insured or commercially insured basis. (N.J.A.C. 11:15-2.23(a)).
2. Any approval by the Department pursuant to (A) above not to purchase excess insurance or reinsurance, shall be for a period not to exceed either the longer of 12 months from the date of approval or the end of the current fund year. If the Fund seeks to extend the period of the approval, it shall notify the Department not later than 45 days prior to the expiration of the approval. The notification shall specify the basis upon which the Trustees determined that excess insurance or reinsurance required pursuant to (A) above is not commercially available or is not reasonably priced, and shall include all actions taken by the Fund to obtain required excess insurance or reinsurance. (N.J.A.C. 11:15-2.23(a)1).
3. If the Fund's limit of liability as set forth in its approved plan of risk management is equal to or less than its single accident (single occurrence) self-insured retention as approved by the Department, then it may not purchase specific excess insurance. (N.J.A.C. 11:15-2.23(f)1).

C. Aggregate Excess

1. **Aggregate Excess** - The Fund shall maintain a minimum cap for aggregate excess insurance in the appropriate amount depending upon the specific per occurrence/per accident retention and the size of the Fund's cumulated budgeted losses as determined in accordance with the current N.J.A.C. 11:15-2.23

Aggregate Excess Criteria Schedule - Maximum Attachment Point. To the extent that the Fund has different specific per occurrence/accident retentions for different lines, the Fund shall use the highest specific occurrence/accident retention it has in determining the aggregate excess funding needed. Additionally, if the Fund's highest specific occurrence/accident retention is not shown on the current N.J.A.C. 11:15-2.23 Aggregate Excess Criteria Schedule - Maximum Attachment Point, then the FUND shall use the next highest applicable specific per occurrence retention set forth in the N.J.A.C. 11:15-2.23 Aggregate Excess Criteria Schedule - Maximum Attachment Point. (N.J.A.C. 11:15-2.23(b)1).

The Fund's aggregate self-insured retention for any individual Fund year shall be no greater than 125 percent of its budgeted losses. (N.J.A.C. 11:15-2.23(b)2).

2. **Aggregate Excess Loss Contingency Fund** - In lieu of maintaining aggregate excess insurance as provided above, the Fund may establish and provide for the funding of an aggregate excess loss contingency fund. The Fund shall make annual contributions to the loss contingency fund, the amount of which shall be based on the Fund's cumulated budgeted losses and specific per occurrence/accident retention, and determined in accordance with the current N.J.A.C. 11:15-2.23 Aggregate Excess Criteria Schedule - Aggregate Excess Loss Contingency Fund As A Percentage Of Budgeted Losses. The required contribution for a Fund year shall be the current year's budgeted losses, multiplied by the appropriate factor in the current N.J.A.C. 11:15-2.23 Aggregate Excess Criteria Schedule - Aggregate Excess Loss Contingency Fund As A Percentage Of Budgeted Losses. To the extent the Fund has different specific per occurrence/accident retentions for different lines, the Fund shall utilize the highest specific occurrence/accident retention. To the extent the specific occurrence/accident retention is not specified in the current N.J.A.C. 11:15-2.23 Aggregate Excess Criteria Schedule - Aggregate Excess Loss Contingency Fund As A Percentage Of Budgeted Losses, the Fund shall interpolate the appropriate percentage from the percentages indicated. For any Fund year, the loss contingency fund shall include the required annual contribution for the current Fund year and for the Fund year immediately preceding. Such contingency fund may be utilized solely for the replenishment of a claim or loss retention Fund account in excess of losses for a Fund year. The Fund shall notify the Department within 30 days of the transfer of monies from the aggregate excess loss contingency fund to a claim or loss retention account. Annual contributions for the second preceding Fund year, and Fund years prior to the second preceding Fund year, which have not been utilized to replenish a claim or loss retention Fund account, may be released without restriction. The Fund, however, shall notify the Department in writing within 30 days of any release of prior contributions. (N.J.A.C. 11:15-2.23(f)2).

3. **Combined Aggregate Excess**

- a. **Full Commercial Coverage and Funded Aggregate** - The Fund may obtain aggregate excess insurance from an excess carrier or reinsurer in accordance with item 1. above for some lines of coverage for a particular Fund year. For lines of coverage not covered by excess insurance or reinsurance, the Fund shall provide a loss contingency fund pursuant to

item 2. above. For purposes of determining the annual contribution, the Fund shall utilize its cumulated budgeted losses for all lines to determine the appropriate factor in the current N.J.A.C. 11:15-2.23 Aggregate Excess Criteria Schedule - Aggregate Excess Loss Contingency Fund As A Percentage Of Budgeted Losses, and multiply that factor by the budgeted losses only for those lines of coverage for which the loss contingency fund is established. (N.J.A.C. 11:15-2.23(f)3).

b. **Partial Commercial Coverage and Funded Aggregate** - If the Fund seeks to purchase aggregate excess insurance and/or reinsurance, but such coverage is only available at a retention greater than 125 percent, the Fund shall establish a modified loss contingency fund at an amount determined as follows (N.J.A.C. 11:15-2.23(f)4):

- 1). 125 percent shall be subtracted from the attachment point of the aggregate excess insurance and/or reinsurance purchased (N.J.A.C. 11:15-2.23(f)4.i);
- 2). 125 percent shall be subtracted from the minimum reinsurance cap required for the Fund determined by the current N.J.A.C. 11:15-2.23 Aggregate Excess Criteria Schedule - Aggregate Excess Loss Contingency Fund (N.J.A.C. 11:15-2.23(f)4.ii);
- 3). The dollar amount of a loss contingency fund, as if established pursuant to Article XII, B.2. above, shall be multiplied by 125 percent; and (N.J.A.C. 11:15-2.23(f)4.iii);
- 4). The amount of the loss contingency fund required shall be equal to the amount obtained by multiplying the result in b.3. above, by the result in b.1. above, and dividing that result by the result in b.2. above. In no event shall the modified loss contingency fund required by this section Article XII, B.3.b., above, be required to be greater than that required to be established pursuant to Article XII, B.1. and Article XII, B.2., above. (N.J.A.C. 11:15-2.23(f)4.iv).

D. Section Definitions And Conditions

1. **“Budgeted losses”** - means the amount established in the Fund’s budget for losses anticipated for a particular Fund year, as annually certified by an actuary. (N.J.A.C. 11:15-2.23(g)1).
2. **“Cumulated budgeted losses”** - means the FUND’s budgeted losses for the current Fund year plus the four Fund years immediately preceding. (N.J.A.C. 11:15-2.23(g)2).
3. The Fund shall meet the obligations of this Article XII by January 1, 1998. (N.J.A.C. 11:15-2.23(h)).
4. Nothing shall prohibit the Fund from establishing an aggregate excess insurance cap or a loss contingency fund, as applicable, in amounts greater than that required in Section 11:15-2.23 of the New Jersey Administrative Code. (N.J.A.C. 11:15-2.23(i)).

Article XIII

TRUST FUND ACCOUNTS, INVESTMENTS AND DISBURSEMENTS

A. ESTABLISHMENT OF TRUST FUND ACCOUNTS

1. By resolution, the Fund shall designate a public depository or depositories for its monies pursuant to N.J.S.A. 40A:5-14. Such resolution shall also designate a person to be custodian of funds for the Fund, who shall be the treasurer of the Fund, and shall authorize the custodian to invest the temporarily free balances of any claim/trust or administrative accounts periodically as authorized by law. The custodian shall report to the Executive Committee at least quarterly on investment and interest income. (N.J.A.C. 11:15-2.4(e).
2. The Fund shall establish a separate Trust Fund Account from which monies shall be disbursed solely for the payment of claims, allocated claim expenses and excess insurance or reinsurance premiums (if any) for each line of coverage by Fund year. The accounts shall be designated as claims or Loss Retention Fund Accounts.
3. Other than for claims, allocated claims, allocated claims expenses, or excess insurance premiums, no transfers or withdrawals may be made from a claim or loss retention account without the prior written approval of the Commissioner, except for intertrust fund transfers. Intertrust fund transfers, within an individual fund fiscal year, may be conducted by the Fund at any time, by providing 30 days prior written notification to the Commissioner and the Commissioner of the Department of Community Affairs. If the Commissioner does not disapprove of the transfer, in writing, within 30 days after receiving such written notification, the request for intertrust fund transfer(s) shall be deemed approved. Any intertrust fund transfer request must be supported by appropriate assessment and claim and expense documentation, and be accompanied by a certification signed by an actuary that the amount remaining in the trust fund account after the intertrust fund transfer will be at a level which is reasonable in relation to that account's unpaid losses, along with all documentation in support of such certification. Intertrust fund transfers may be conducted only where each member participates in each and every claim or loss retention fund account during that fund year. (N.J.A.C. 11:15-2.13(a)1).
4. The Fund may seek approval from the Commissioner to make interyear fund transfers at any time from a claims or loss retention trust account from any year not sooner than 12 months after the end of that year by submitting a written notification to the Department and Department of Community Affairs with appropriate documentation as set forth in N.J.A.C. 11:15-2.21(b) at least 30 days prior to the proposed transfer. If the Commissioner does not disapprove, in writing, the request within the 30 day period, the request shall be deemed approved. The Commissioner may also affirmatively approve the request prior to the expiration of the 30 day period. The interyear fund transfer may be in any amount subject to the limitation that after the transfer, the remaining net current surplus in the account from which the transfer is made must equal or exceed the surplus retention requirement determined pursuant to N.J.A.C. 11:15-2.21(b), for that account for the fiscal year.

The membership for each fiscal year involving interyear fund transfers must be identical between fiscal years. The Commissioner may waive the identical membership requirement provided the fund demonstrates to the Department that it maintains records of each member's pro rata share of each claim or loss retention fund account, and that the transfer shall be made so that any potential dividend shall not be reduced for a member that did not participate in the year receiving the transfer. (N.J.A.C. 11:15-2.21(h)).

5. The Fund shall also establish an administrative account which shall be utilized for payment of the Fund's general operating expenses, loss prevention activities, data processing services, and general legal expenses. (N.J.A.C. 11:15-2.13(a)1).
6. The Fund shall maintain a general ledger and accounting system which allows all expenses incurred and paid, and investment earnings accrued and received, to be allocated by line of coverage and Fund year. The system will also allow for the appropriate allocation of surplus or deficit share by member and Fund year. (N.J.A.C. 11:15-2.13(a)1 and 2.14).

B. INVESTMENTS

1. The free balance of any account maintained by the Fund, whether for claim or loss retention, administrative, or contingency, shall be invested to obtain the maximum interest return practicable. All investments shall be in accordance with the Fund's cash management plan and consistent with the statutes and rules governing the investment of public funds by local governments and pursuant to N.J.S.A. 40A:10-10b. In addition, the Executive Committee may transfer monies held to the Director of the Division of Investment in the Department of the Treasury for investment on behalf of the Fund in accordance with standards governing the investment of other funds which are managed under the rules and regulations of the State Investment Council. Any monies transferred to the Director for investment may not thereafter be withdrawn except under the conditions set forth in N.J.S.A. 40A:10-38b. (N.J.A.C. 11:15-2.20(a)).
2. The investment and interest income earned by the investment of the assets of each claim or loss retention account shall be allocated to each such account by Fund year. (N.J.A.C. 11:2.20(b)).
3. The investment and interest income earned by investment of the assets of the administrative account shall be credited to that account. (N.J.A.C. 11:2.20(c)).

C. DISBURSEMENTS

1. Prior to any commitment or agreement requiring the expenditure of funds, the Fund's Treasurer shall certify as to the availability of sufficient unencumbered funds to fully pay all charges or commitments to be accepted. (N.J.A.C. 11:15-2.19).
2. All disbursements, payments of claims settlements, or other expenditure of funds of the Fund whether for administrative expenses or for claims purposes must be approved by a majority vote of the Fund's Executive Committee. (N.J.A.C. 11:15-2.22(a)).

3. To allow the expeditious resolution of certain claims, the Executive Committee may designate the Fund's Administrator or Claims Administrator as a "certifying and approving officer" pursuant to N.J.S.A. 40A:5-17. The Fund may authorize the "certifying and approving officer" to approve for payment of any or specified claims in an amount not to exceed \$5,000.00 per claim or payment. The authority of the certifying and approving officer may be conditioned or restricted by the Executive Committee to require prior consultation, limitation as to the types or total amount of claims or payments which may be approved, or such other procedures or restrictions as the Executive Committee may deem appropriate.
