CONDUCT OF MONTHLY MEETING

Motion by Mr. McMahon, seconded by Ms. Jack, to allow that this monthly meeting be conducted by the Fund Commissioners present with all matters to be decided upon by a combined majority vote of all the Fund Commissioners. All in favor. Motion carried.

APPROVAL OF THE OPEN & CLOSED SESSION MINUTES

Chair Keller presented the meeting minutes of the April 18, 2017 meeting of the Fund, as found in the agenda packet, for approval.

Chair Keller asked if there were any questions at this time. No questions were entertained.

Motion by Ms. Jack, seconded by Mr. Cramer, to approve the Open & Closed session meeting minutes of the April 18, 2017 meeting of the Fund as presented. Commissioner Hatcher abstained. Motion carried.

The Closed Session minutes of the April 18, 2017 meeting shall not be released to the public until the reason(s) for their remaining closed is no longer applicable and the Fund Solicitor has had the opportunity to review them.

Closed Session Meeting Minutes from the April 18, 2017 meeting were collected at this time.

EXECUTIVE DIRECTOR'S REPORT

Mr. Forlenza reviewed the Executive Director's Report found in the agenda packet with the membership. He highlighted the following items:

Lost Time Accident Frequency Report– Mr. Forlenza stated that the Lost Time Accident Frequency Summary and Statewide Recap for March, 2017 are included in his report.

Certificates of Insurance - Mr. Forlenza asked that the Certificates of Insurance issued for the month of April, 2017 be included as part of the meeting minutes and are included in the agenda packet.

2016 Safety Incentive Program Awards – Mr. Forlenza asked that all members review available balances for this program. He noted that the deadline to claim or encumber these funds is November 30, 2017. All encumbered funds must be claimed by February 1, 2018.

2017 Optional Safety Budget - Mr. Forlenza asked that all members review available balances for this program. He noted that the deadline to claim or encumber these funds is November 30, 2017. All encumbered funds must be claimed by February 1, 2018.

2017 Wellness Incentive Program Allowance – Mr. Forlenza stated that a report detailing the available balance for each member for the 2016 Wellness Incentive Program was included in the agenda packet. He stated that the deadline for claiming or encumbering the funds was November 30, 2017. All encumbered funds must be claimed by February 1, 2018.

Employment Practices Liability Compliance– Mr. Forlenza asked members to review the attached status report for the member's individual deductibles. He reminded the members that they must update their Plan of Risk Management to be eligible for the lower co-pay and deductible.

EPL/Cyber Risk Management Budget – Mr. Forlenza stated that the JIF has budgeted \$200 for each member to help offset employment practices and cyber security related expenses. This budget can be a valuable resource in addressing these areas of exposures. He noted to contact his office with any questions.

EPL Helpline – Authorized Contact List – Mr. Forlenza asked members to review the attached list for accuracy. He noted the resolution for this is on the JIF website at www.burlcojif.org. Please contact the Executive Director's office with any questions.

Financial Fast Track – Mr. Forlenza noted that the Financial Fast Track Report for March, 2017 is included in his report. The JIF's surplus position as of March 31, 2017 was **\$10,799,732**.

Regulatory Filing Checklists - – Mr. Forlenza noted that there were two regulatory filing checklists in his report and they provide an outline of required reporting to the Departments of Banking and Insurance and Community Affairs on an annual and monthly basis.

Capehart & Scatchard Updates – Mr. Forlenza noted that the Capehart & Scatchard updates are in the agenda packet and provide valuable information regarding WC, ADA and FMLA issues.

Statutory Bond Status – Mr. Forlenza reminded members to review the latest listing of the Statutory Bonds issued by the MEL for JIF members. These are issued to the individual, NOT the position. Members should review this list as some changes might have occurred at municipal reorganization meetings requiring new bonds to be issued.

Skateboard Park Approval Status– Mr. Forlenza stated that a report listing the current status of all approved skateboard parks or those under construction is included in his report. He noted that any member with a park currently under construction or in the review process should review the spreadsheet to be sure that it accurately depicts the status of the town's facility. He also noted that all members considering construction of a skateboard park should contact his office prior to moving forward.

Financial Disclosure Statement – Mr. Forlenza stated that in 2014, the Division of Local Government Services implemented a new “online” process for completion and submission of Financial Disclosure forms. Each Fund Commissioner has a unique PIN# for which to file as their position of Fund Commissioner with the BURLCO JIF. He stated that newly appointed Fund Commissioners that have not received their PIN# yet should contact his office. He reminded the members that all FDS's must be submitted by May 30th.

Member Visitation – Mr. Forlenza stated that a representative from his office would be contacting the twelve (12) members up for renewal this year to schedule an appointment with the Fund Commissioner, Risk Management Consultant and members of the Governing Body. This meeting is a time to discuss the member's participation in the JIF and the many programs available.

Technology Risk Assessment – Mr. Forlenza stated that the Technology Risk Assessments conducted by Pivot Point Security have been completed. As of May 9, 2017, twenty three (23) reports have been sent to the members. Once all the reports have been delivered, a webinar will be scheduled so that common questions can be addressed. In addition, training, policies and procedures to address the greatest areas of need will be developed.

Website (www.burlcojif.org) – Mr. Forlenza noted that the JIF has a website that contains very useful information for the members:

- Directories
 - Fund Commissioners
 - Claims and Safety Contracts
 - Fund Professionals
- Coverage
 - Bulletins
 - Certificates of Insurance/ID Card Requests
 - Sample Indemnification Language
- Safety
 - Bulletins
 - Training Links

New Member Activity – Mr. Forlenza stated that there was no new member activity to report.

Mr. Forlenza asked if there were any questions at this time. There were none.

SOLICITOR'S REPORT

Closed Cases – Mr. DeWeese reported that there were no closed case(s) for the month of May, 2017.

Article: Small Cell Facilities – Mr. DeWeese distributed an article from the New Jersey League of Municipalities magazine regarding small cell facilities. He stated that if a municipality has not been approached yet by an installation company; expect to be very soon. He stated that the two (2) primary recommendations which should be considered are:

- Review your zoning and code ordinances that relate to this type of activity
- Develop a standard license agreement for each of the companies trying to put these facilities in your municipality

He stated that many of these companies are very aggressive as to how they are approaching municipalities and very aggressive in the timetables that they are seeking. The FCC has adopted a “Shot Clock” that deals with the timetables; a location of a new pole requires the towns to make a determination in 150 days; an existing location reduces the requirement to 90 days. If a town does nothing, there are no penalties, but the companies will file suit stating that the town has not complied with the timetables.

SAFETY DIRECTOR'S REPORT

Mr. Saville stated that the Safety Director's Report is self-explanatory. He highlighted the following items:

MEL Video Library – He noted the email address: melvideolibrary@jamontgomery.com and a new phone number: 856-552-4900.

Safety Director's Bulletins – He noted that recently there were two (2) bulletin(s) issued; *Benefits of CCV Lateral Sewer Lines and Playground Safety*.

MSI Training Programs – He noted that the upcoming MSI training programs for May, June and July 2017 were included in the agenda packet. He noted that monthly reminders are being sent out via email. He asked the members to pre-register employees that are attending the training.

MSI Training Administrators – Mr. Saville stated that a list of the MSI Training Administrators was included in his report. He asked the members to review the list and make sure the correct name is listed. Any questions contact his office.

Mr. Saville asked if there were any questions at this time. No questions were entertained.

CLAIMS ADMINISTRATOR'S REPORT

Lessons Learned from Losses – May

Mr. Roselli provided the members with the *Lessons Learned from Losses* which was included in the agenda packet.

Mr. Roselli stated that the Lessons from Losses for this month is on Surveillance. He stated that it is estimated that workers compensation fraud costs top out at \$7.2 million per year nationally. He noted that surveillance can be expensive but it is an invaluable tool. He noted that hours spent waiting for a claimant to be spotted can increase costs but a thorough investigation completed prior to surveillance can help control costs. He noted that if any member becomes suspicious that the cause of a claim or cause of the injuries become questionable, they should contact his office as soon as possible.

Mr. Roselli asked if there were any questions at this time. No questions were entertained.

WELLNESS DIRECTOR'S REPORT

Ms. Schiffer noted that her report is detailed in the agenda packet. She highlighted the following:

- Ms. Schiffer stated that Chesterfield, Bordentown City and Fieldsboro worked together to offer their employees a Joint Municipal Wellness Day on April 26, 2017.
- Ms. Schiffer stated that Medford, Tabernacle, Lumberton, Shamong and Southampton are planning to work together to offer their employees a Joint Municipal Wellness Day on May 23, 2017.
- Westampton, Beverly City and Edgewater Park all have presentations planned.
- Delanco completed their Walking Challenge from March 1 to May 1, 2017. A reward ceremony will be held in May.
- Southampton planning to start a "Maintain Don't Gain" challenge.
- Edgewater Park and Florence have a yearlong "Maintain Don't Gain" Challenge.
- Westampton is planning a Water Challenge in June.
- Lumberton has a yearly incentive for wellness participation involving employees earning tickets for participating in various activities throughout the year and earn a chance to win a prize at the end of the year.
- Firefighters Ad Hoc Committee – Meetings have not been well attended and Ms. Schiffer is considering cancelling the meetings and just working with those towns that are interested.
- **May Wellness Newsletter** - She noted that the March Wellness Newsletter was included in her report.

Ms. Schiffer asked if there were any questions at this time. No questions were entertained.

MANAGED HEALTH CARE REPORT

Ms. Beatty reviewed the Managed Care Report for *April 2017*.

Lost Time v. Medical Only Cases

Ms. Beatty presented the BURLCO JIF *Lost Time v. Medical Only Cases (Intake Report)*:

	<i>April</i>	<i>YTD</i>
<i>Lost Time</i>	2	8
<i>Medical Only</i>	14	35
<i>Report Only</i>	4	19
<i>Total Intakes</i>	20	62
<i>Report Only % of Total</i>	20.0%	30.6%
<i>Medical Only/Lost Time Ratio</i>	88:12	81:19
<i>Average Days to Report</i>	0.4	2.3

Transitional Duty Report

Ms. Beatty presented the Year-to-Date Transitional Duty Report:

<i>Transitional Duty Summary Report</i>	<i>YTD</i>
<i>Transitional Duty Days Available</i>	416
<i>Transitional Duty Days Worked</i>	353
<i>% of Transitional Duty Days Worked</i>	84.9%
<i>Transitional Duty Days Not Accommodated</i>	63
<i>% of Transitional Duty Days Not Accommodated</i>	15.1%

PPO Penetration Report:

Ms. Beatty presented the PPO Penetration Report:

<i>PPO Penetration Rate</i>	<i>April</i>
<i>Bill Count</i>	70
<i>Original Provider Charges</i>	\$103,295
<i>Re-priced Bill Amount</i>	\$39,342
<i>Savings</i>	\$63,953
<i>% of Savings</i>	61.9%
<i>Participating Provider Penetration Rate - Bill Count</i>	100.0%
<i>Participating Provider Penetration Rate – Provider Charges</i>	100.0%
<i>EPO Provider Penetration Rate - Bill Count</i>	98.1%
<i>EPO Provider Penetration Rate – Provider Charges</i>	99.8%

Ms. Beatty asked if there were any questions. No questions were entertained.

TREASURER'S REPORT

Mr. Tontarski presented an overview of the Treasurer's Report for month ending **April 30, 2017**, a copy of which was provided to the membership in the agenda packet.

Investment Interest

Interest received or accrued for the current month totaled \$17,182.37. This generated an average annual yield of 1.13%. After including an unrealized net gain of \$10,538.58 in the asset portfolio, the yield was adjusted to 1.83 % for this period. The total overview of the asset portfolio for the Fund shows an overall unrealized loss of \$124,691.42 as it relates to market value of \$14,847,384.60 vs. the amount invested. The current market value, however, when considering the total accrued income at month end is \$14,923,255.63.

Our asset portfolio with Wilmington Trust consists of eight (8) obligations with maturity greater than one year.

Receipt Activity for the Period

	Monthly	YTD
Subrogation Receipts	\$52,484.98	\$55,040.68
Overpayment Reimbursements	\$100.00	

A.E.L.C.F. Participant Balances at Period End

Delran Township	\$73,625.00
Chesterfield Township	\$1,047.00
Bordentown City	\$22,500.00

Cash Activity for the Period

During the reporting period, the Fund's "Cash Position" changed from an opening balance of \$18,623,288.24 to a closing balance of \$17,734,676.37 showing a decrease in the Fund of \$888,611.87.

Loss Run Payment Register – April, 2017

Mr. Tontarski stated that report included in the agenda packet shows net claim activity during the reporting period for claims paid by the Fund and claims payable by the Fund at period end in the amount of \$121,720.74. The claim detail shows 195 claim payments issued.

Bill List – May, 2017

For the Executive Committee's consideration, Mr. Tontarski presented the **May, 2017 Bill List** in the amount of \$127,237.90.

Chair Keller entertained a motion to approve the *April, 2017 Loss Run Payment Register* and the *May 2017 Bill List* as presented.

Chair Keller asked if there were any questions at this time. No questions were entertained.

Motion by Ms. Jack, seconded by Mr. McMahon, to approve the *April, 2017 Loss Run Payment Register* and the *May 2017 Bill List* as presented.

Motion carried by unanimous vote.

COMMITTEE REPORTS

JOINT PAR/COI SUB-COMMITTEE – April 25, 2017

Mr. Forlenza stated that the Joint PAR/COI Sub-Committee met on April 25, 2017 and the meeting minutes were distributed to the members. He stated that the meeting was lengthy and his office, along with Qual Lynx will be working on updates to the Certificate of Insurance and PAR guidelines. Once the updates are completed, the Committee will meet again to review them and a report will be given at the Executive Committee meeting.

MEL/RCF/E-JIF REPORT

2017 MEL Risk Management Consultant Accreditation Program

Ms. Jack stated that any RMC interested in the Risk Management Consultant Accreditation Program should contact the MEL.

Resolution 2017-23: Extend the Flood Insurance Program

Chair Keller entertained a motion to adopt the resolution to extend the flood insurance program.

Motion by Ms. Jack, seconded by Mr. McMahon, to adopt Resolution 2017-23, Urging the Representatives from the State of New Jersey to support the Legislative Action to Re-Authorize and Extend the National Flood Insurance Program (NFIP). All in favor. Motion carried.

RCF Committee Meeting – March 1, 2017

Mr. Matchett stated that the 2017 MEL & MR HIF Educational Seminar was held on April 21, 2017 and it was well attended. The seminar qualified for an extensive list of continuing education credits. He also noted that early result of the Residual Claims Fund Audit are very good.

MISCELLANEOUS BUSINESS

Next Meeting

Chair Keller noted that the next meeting of the BURLCO JIF will take place on **Tuesday, June 20, 2017 at 4:00 PM** at the **Hainesport Municipal Building, Hainesport, NJ**.

PUBLIC COMMENT

Motion by Ms. Jack, seconded by Mr. McMahon, to open the meeting to the public. All in favor. Motion carried.

Chair Keller opened the meeting to the public for comment.

Hearing no comments, Chair Keller entertained a motion to close the public portion of the meeting.

Motion by Mr. McMahon, seconded by Ms. Jack, to close the meeting to the public. All in favor. Motion carried.

EXECUTIVE SESSION MEETING – Resolution #2017-24

Chair Keller entertained a motion to go into a closed session to discuss matters affecting the protection and safety of the public and to discuss pending or anticipated litigation and/or contract negotiations.

Motion by Mr. McMahon, seconded by Ms. Jack, to Adopt **Resolution #2017-24**. All in favor. Motion carried.

A Closed Session of the BURLCO JIF was held and the meeting was then reopened to the public.

REOPEN PUBLIC PORTION OF THE MEETING

Chair Keller entertained a motion to reopen the public portion of the meeting.

Motion by Ms. Jack, seconded by Mr. McMahon, to reopen the public portion of the meeting. All in favor. Motion carried.

APPROVAL OF CLAIMS PAYMENTS

Chair Keller asked for a motion for *Approval of Claims Payment* on the following claims as presented in Closed Session.

<i>Workers' Compensation</i>	<i>General Liability</i>	<i>Property</i>
2017099773	1214987	2017098364

A summary of the Certificates of Insurance issued during May 2017 are attached for your review.

C. 2016 Safety Incentive Program Awards (pg. 18)

A letter from our office describing how to collect your 2016 Safety Incentive Awards money was emailed out on or about March 10. A report detailing the available balances for each member is attached for your review. **Please note that the deadline to claim or encumber these funds is November 30, 2017. All encumbered funds have to be claimed by February 1, 2018.**

D. 2017 Optional Safety Budget (pg. 19)

A letter from our office describing how to collect your 2017 Optional Safety Budget allowance was e-mailed on or about January 24, 2017. A report detailing the available balances for each member is attached for your review. If you have any questions on how to collect your 2017 Optional Safety Budget allowance, please contact our office. **Please note that the deadline to claim or encumber these funds is November 30, 2017. All encumbered funds have to be claimed by February 1, 2018.**

E. 2017 Wellness Incentive Program Allowance (pg. 20)

A report detailing the available balance for each member for the 2017 Wellness Incentive Program is attached for your review. Instructions on claiming these funds were e-mailed to all members on or about January 27, 2017. If you have any questions on how to utilize your 2017 Wellness Incentive Program funding, please contact Debby Schiffer, Wellness Director, or our office. **Please note that the deadline for claiming or encumbering these funds is November 30, 2017. All encumbered funds must be claimed by February 1, 2018.**

F. Employment Practices Liability Coverage – (pg. 21)

A compliance status report regarding the Employment Practices Liability Coverage is included for your review. Each member should review this report carefully to insure its accuracy. If you believe the report to be inaccurate regarding your town, please contact PERMA directly.

G. EPL/Cyber Risk Management Budget (pg. 22)

The JIF has budgeted \$200 for each member to help offset employment practice and cyber security related expenses. This budget can be a valuable resource to members in addressing these areas of exposure. If you need additional information regarding this program, please contact our office.

H. EPL Helpline – Authorized Contact List (pg. 23)

With the placement of the member's EPL/POL coverage in the commercial insurance market, the insurance company QBE has implemented an EPL Helpline for the member's use. There is no restriction on the number of calls or amount of time that members can contact this service. Members can appoint two representatives to use this service. Appointments must be made by Resolution of the Governing Body. Please note that Municipal Solicitors can not be appointed as Helpline Contacts. Enclosed, please find the most recent list of authorized contacts for the EPL Helpline. These are the only representatives authorized to access this service. Please contact the Executive Director's Office with any questions.

I. Financial Fast Track Report (pg. 24)

The Financial Fast Track Report as of April 30, 2017 is attached for your review. The report is generated by PERMA and provides a "snapshot" of the JIF's financial status. The JIF's surplus position as of April 30, 2017 was **\$10,887,721.**

J. Regulatory Filing Checklists (pgs. 25-26)

Enclosed please find two regulatory filing checklists that we provide each month as part of our due diligence reporting on behalf of the JIF. These checklists provide an outline of required reporting to the Departments of Banking and Insurance and Community Affairs on an annual and a monthly basis, and the status of the items outlined.

K. Capehart & Scatchard Updates (pgs. 27-32)

John Geaney, Esq. of the law firm of Capehart & Scatchard periodically provides updates on court cases dealing with workers' compensation, ADA and FMLA issues. Copies of his latest updates are included for your information.

L. Statutory Bond Status (pg. 33)

Attached for your review is the latest listing of Statutory Bonds issued by the MEL for JIF members. This list should be reviewed for accuracy. Any questions on the status of an application or a listed bond should be directed to Cate Kiernan at PERMA. Cate can be reached at 201-518-7031.

M. Skateboard Park Approval Status (pg. 34)

Enclosed, please find a spreadsheet depicting the current status of all approved skateboard parks or those currently under construction by a member municipality. The MEL has established a process, outlined in MEL Coverage Bulletin **2017-09**, which must be followed by all members who wish to construct a skateboard park and have the BURLCO JIF and MEL provide said facility with coverage. Any member with a park currently under construction or in the review process should review the enclosed spreadsheet to be sure that it accurately depicts the status of your facility. All members considering construction of a skateboard park should contact the Executive Director's office prior to moving forward.

N. Renewing Members

Renewal letters were emailed to the twelve (12) members whose membership in the JIF is up for renewal on January 1, 2018. These members are: Bass River Township, Beverly City, Bordentown Township, Delran Township, Hainesport Township, Mount Laurel Township, North Hanover Township, Palmyra Borough, Riverside Township, Shamong Township, Springfield Township, and Woodland Township. Included in the mailing was a Resolution for Renewal of Membership in the Burlington County Municipal JIF, a Certification required under the Local Public Contracts Law, and an Agreement to Renew Membership in the Burlington County Municipal JIF. Please have the Resolution placed on your governing body's agenda and return both the Resolution and the Agreement to our office by August 18, 2017.

O. Member Visitation

Beginning this month, a Representative from our office, contacted those members up for renewal this year to schedule an appointment with the Fund Commissioner, Risk Management Consultant, and Representatives of the Governing Body. These appointments are an opportunity to discuss the member's participation in the JIF and the many programs available to them. The Executive Director's office believes it is very important for the decision makers in each member municipality to understand the value of JIF membership.

P. Fireworks – MEL Bulletin 2017-8 (pgs. 35- 41)

The July 4th holiday is quickly approaching. As a reminder, if your municipality is planning a Fireworks display, **coverage for this event is not automatic**. To secure coverage you must comply with the terms and conditions outlined in **MEL Coverage Bulletin 2017-08**. In addition, please do not wait until the last minute before seeking coverage for this event, as the Fund Underwriter needs time to review all documentation submitted to determine compliance with **MEL Coverage Bulletin 2017-08**. Please do not hesitate to contact the Executive Director's office or Fund Underwriter's office if you have any questions.

Q. Technology Risk Assessment

The Technology Risk Assessments undertaken by Pivot Point Security are nearing completion. As of May 9, 2017, 23 of the 27 member reports have been sent (hard copy & email) to the members. Once all reports have been delivered, a webinar will be scheduled so that common member questions can be addressed. In addition, it is anticipated that training and policies and procedures to address the greatest areas of need will be developed. In the meantime, please do not hesitate to contact the Executive Director's office if you have any questions.

R. WEBSITE (WWW.BURLCOJIF.ORG)

The JIF has a website that contains useful information for our members:

- Directories
 - Fund Commissioners
 - Claims and Safety Contacts
 - Fund Professionals
- Coverage
 - Bulletins
 - Certificates of Insurance/ID Card Requests
 - Sample Indemnification Language
- Safety
 - Bulletins
 - Training Links

And much, much more. Why not take a moment and explore our website!

R. New Member Activity

Nothing to Report.

Employer Is Required To Inquire Of Employee Requesting Leave To Care For Grandfather Whether Grandfather Raised The Employee

John H. Geaney May 18, 2017 FMLA 0 Comments

While the ADA does not require an employer to inquire whether an employee needs reasonable accommodation, the FMLA does require an employer to reasonably determine whether the FMLA may apply to a leave request which does not even mention the FMLA. This burden can be very onerous on an employer as one can see in a recent New York case, Coutard v. Mun. Credit Union, 2017 U.S. LEXIS 2322 (2nd Cir. February 9, 2017).

The facts were very simple. The plaintiff worked for MCU, a financial institution, and on January 22, 2013, plaintiff took leave from MCU to care for his 82-year-old grandfather, who had been taken to a hospital on January 22, 2013. Mr. Coutard's grandfather was discharged from the hospital on January 23, 2013 with bronchitis, but Coutard believed his grandfather, Mr. Dumond, was seriously ill and should not be left unattended. He sought leave until he could obtain the assistance of a home health aide.

When Mr. Coutard requested leave, he did not mention that he had been raised by Dumond beginning at age four when Coutard's father died, until age 14. MCU advised Coutard that the FMLA did not apply to grandparents and declined the request for leave. It is undisputed that the term "parent" includes not only a biological parent but also "an individual who stood in loco parentis to an employee when the employee was a son or daughter." 29 U.S.C. 2613.

MCU also suggested that Coutard apply for a short-term leave of absence under a separate MCU personnel policy. Coutard did not make any such application and was terminated on February 4, 2013. Coutard later sued for interference with his FMLA rights.

The federal district court ruled in favor of MCU but the Second Circuit Court of Appeals reversed based on the following language:

[W]e conclude that the obligation of an employee to give notice of his need for FMLA leave is not the obligation, imposed by the district court on Coutard, to provide the employer with all of the necessary details to permit a definitive determination of the FMLA's applicability at or before the time of the request. Rather, in the absence of a request for additional information, an employee has provided sufficient notice to his employer if that notice indicates reasonably that the FMLA may apply.

Translation: the employer had to ask Coutard whether his grandfather raised him. In making this ruling the Court of Appeals distinguished an identical case which

went the other way in favor of the employer, *Sherrod v. Philadelphia Gas Works*, 57 F. App'x 68 (3d. Circuit 2003). The Court distinguished the *Sherrod* case, which also involved leave to care for a grandparent, by saying that the Department of Labor changed regulatory language in 2009. The regulation used to say that an employee had to "explain the reasons for the needed leave so as to allow the employer to determine that the leave qualifies under the Act." In 2009 the regulation at issue was changed to state that an employee need only provide sufficient information to indicate that the FMLA may apply. 29 C.F.R. 825.303.

While the new language seems very similar to the old language, the Second Circuit Court of Appeals felt that the change was significant. The Court concluded that this ever-so-subtle change in language shifted the obligation to the employer to ask further into the relationship between the employee and the grandfather. For these reasons, the Second Circuit Court of Appeals reversed judgment for MCU and remanded the case for trial.

The decision will come as a surprise to many employers. When an employee asks for leave to care for a grandparent and never mentions that the grandparent raised the employee, an employer will have no way to know any of this history. Only the employee knows this information. According to the Second Circuit Court of Appeals, the employer now can be held liable for violating the FMLA, as in this case, if the employer does not know the law well enough to ask further about the past relationship between the employee and his or her grandparent. The case imposes no burden on the employee to volunteer this information initially.

The reality is that this was a situation where neither party really did anything wrong. No violation should have been found. It would be unreasonable to expect the plaintiff in this case to know the in loco parentis definition of a parent under the FMLA, but the plaintiff did certainly know that his grandfather raised him for 10 years and never mentioned this. In response to the leave request, MCU offered plaintiff a leave of absence under another policy but the plaintiff never pursued that option. Yet MCU was held potentially liable for an FMLA violation for not asking detailed historical questions about the employee's relationship with his grandparent.

When Is A Commute To A Job Site Covered For Workers' Comp Purposes?

John H. Geaney May 25, 2017 Policy 0 Comments

Don Drysdale, a skilled carpenter, works for Craftsmen Trades and seldom goes to the company office in Mt. Laurel, N.J. He generally spends weeks or even months working at major job sites. On May 1, 2017 he drives his personal vehicle from his home in Cherry Hill, N.J. to a job site in Woodbridge, N.J. where a large commercial building is being constructed. He has been working at that site for a month. As he is driving up the Turnpike, a truck veers into his lane and strikes his vehicle, causing Mr. Drysdale serious injuries. Is he covered for workers' compensation purposes?

The starting point is to study the language of N.J.S.A. 34:15-36, which states that "employment shall be deemed to commence when an employee arrives at the employer's place of employment to report for work . . . provided, however, when the employee is required by the employer to be away from the employer's place of employment, the employee shall be deemed to be in the course of employment when the employee is engaged in the direct performance of duties assigned or directed by the employer; *but the employment of employee paid travel time by an employer for time spent traveling to and from a job site or of any employee who utilizes an employer authorized vehicle shall commence and terminate with the time spent traveling to and from the job site.*"

This first question to ask is whether this commercial site is the "employer's place of employment?" The answer to that question is probably no since Craftsmen Trades has an office in Mt. Laurel, N.J. That is the employer's place of employment. The second question is whether this commute falls under the special mission exception cited above for those trips that are "away from the employer's place of employment?" The answer to this question is also likely no because this location in Woodbridge would qualify as a **job site** since Drysdale works there for weeks or months at a time. So we have to consider what the test is for driving to and from a job site.

Based on the statutory language above, Don Drysdale's drive is only covered if he is using an employer authorized vehicle or if he is paid travel time for the commuting segment of his day. In this case, he is driving his personal vehicle, so he does not meet the "authorized vehicle" exception. But we do not yet know whether he is paid travel time. If not, the commute is not compensable.

One case which is helpful on this issue is **Mahon v. Reilly's Radio Cabs, Inc.**, 212 N.J. Super. 28 (App. Div. 1986). In that case the injured worker, a New Jersey Transit employee, was traveling on a New Jersey Transit Bus, driven by defendant Cruz, from Hoboken to his place of employment. He paid no fare as he was provided free transportation on all NJ Transit buses as part of his Collective Bargaining Agreement. The bus stopped at a dangerous angle in the street, and when Mahon exited the bus

and walked into the street, a cab driven by Cruz struck him causing serious injuries. Mahon sued the cab driver and NJ Transit. NJ Transit argued that petitioner was in the scope of his employment and therefore could not sue his own employer. NJ Transit further contended that Mahon was provided free transportation in an employer authorized vehicle. Both the trial court and the appellate court disagreed with these arguments.

First, the Appellate Division distinguished the "place of employment" from "job site" in the above statute. *"In this case before us, the plaintiff's accident did not occur while he was traveling to a job site away from the employer's place of employment. Rather, he was injured while on the way to the place of employment."* What this meant is that the language about authorized vehicle and travel time did not apply. Secondly, the Court said that when someone is driving to his or her place of employment, it does not matter if the transportation is cost free to the employee. *"That he was provided free transportation on NJT buses as a benefit of his employment, which he could utilize in commuting to work, does not operate to bring this travel within the scope of his employment."* The Court cited to Nebesne v. Crocetti, 194 N.J. Super. 278 (App. Div. 1984) for the proposition that an employer does not render a commute to work compensable just because the employer reimburses all travel expenses.

The analysis workers' compensation practitioners should make when dealing with commuting issues is this:

1. *Was the employee commuting to the employer's place of employment?* If that is the case, the travel is not compensable, including alternate places of employment. So if an employer has an office in Trenton, an office in Parsippany and an office in Harrisburg, PA., and throughout the year the employee has to drive to all three offices, the commute to any of these offices is not compensable because all three locations would qualify as an employer's place of employment.
2. *Was the employee commuting to a job site?* If so, this commute is only compensable if the employee was using an authorized company vehicle or paid travel time.
3. *Was the employee reporting to a location that is not the employer's place of employment and not a job site?* If so, this commute will likely qualify as a special mission and the commute will be covered because it will be "away" from the employer's place of employment.

Court of Appeals Holds Request for One-Year Leave of Absence is Unreasonable

John H. Geaney June 1, 2017 ADA 0 Comments

A leave of absence can qualify as a reasonable accommodation under the ADA, but how long should employers consider granting such leaves? In [Echevarria v. Astrazeneca Pharmaceutical, LP](#), 33 A.D. Cases 673 (1st Cir. 2017), some practical guidance emerges on this issue. The case involved a Pharmaceutical Sales Specialist named Taymari Delgado Echevarria (hereinafter Delgado) who developed a small brain tumor in November 2010, followed by recurrent depression and anxiety.

On December 12, 2011, Delgado's physician, Dr. Sanchez, recommended that Delgado take time off work for reasons of severe depression and anxiety. She eventually received short term disability benefits retroactive to December 12, 2011. Those benefits continued until March 11, 2012, but were terminated because Delgado failed to submit adequate documentation of her disability. Human Resources then wrote to Delgado and advised her that she must return to work by March 22, 2012. The letter made clear that if she failed to return to work, Delgado would be considered to have abandoned her employment.

Delgado did not return to work on March 22, 2012, so the HR rep offered her a severance package if she were to resign. That conversation set Delgado back and caused her condition to relapse, according to Dr. Sanchez. Astrazeneca then extended Delgado's leave until April 29, 2012. Another letter was sent to Delgado advising that she must return to work by May 17, 2012 or be considered to have resigned.

Delgado did not return to work on May 17, 2012. Dr. Sanchez wrote to the company HR rep stating that Delgado would need another 12 months of leave before she could return to work. Eventually Delgado was terminated in mid-July 2012. Delgado refused to accept a severance package and sued for discrimination under the ADA. She argued that her request for leave constituted a reasonable accommodation under the ADA. The Court said:

The combined effect of two aspects of this case convince us that Delgado has failed to show that her request for twelve more months of leave was a reasonable accommodation. First, it seems doubtful that Delgado shouldered her burden of showing that the requested accommodation would have enabled her to perform the essential functions of her position. Second, Delgado has not shown that additional leave for this duration is a facially reasonable accommodation. . .

In an interesting opinion, the Court considered the effect of such a request on the operations of an employer. "Compliance with a request for a lengthy period of leave

imposes obvious burdens on an employer, not the least of which entails somehow covering the absent employee's job responsibilities during the employee's extended leave."

This case makes sense. While it does not answer what the outcome would have been had a shorter period of time been requested, it does provide useful guidance for employers in requiring the employee to show that the requested accommodation would allow the employee to perform the job and is a reasonable request. Certainly a request for three months of leave would be considered by most courts to be reasonable, just as a request for one year would be considered unreasonable. The gray area is in between the three month period and one year, and the specific facts will always be critical in determining the outcome.

Parsippany, NJ 07054
Telephone (201) 881-7632

BULLETIN MEL 17-08

Date: January 1, 2017

To: Fund Commissioners of Member Joint Insurance Funds

From: Underwriting Manager
Conner Strong & Buckelew

Re: Fireworks Displays and Amusement Ride Requirements

The bulletin does not apply to the members of the NJUA JIF, members of NJPHA JIF and “workers compensation only” members of the First Responders Insurance Fund.

This will serve as an annual reminder for members of the Fund that there are fireworks displays and amusement ride requirements dealing with insurance to be provided by the fireworks and amusement ride contractors. An outline of these requirements is enclosed along with the Hold Harmless Agreement wording to be provided by the fireworks contractor and amusement ride contractor in favor of the member entity.

“Bouncy houses” and the like are also considered amusement rides and are formally known as “Type 4 Air Supported Structures”. The ownership, operation and maintenance of Type 4 Air Supported Structures is excluded from coverage. If you own such a structure, please consult with your risk management consultant to secure the appropriate liability coverage in the commercial market.

You should consider the following two nuances when contracting with vendors providing these devices: 1) The vendor may try to just drop-off the device for you to setup; 2) The vendor may not include personnel to oversee the devices. Both of these nuances would fall within the exclusion and not be covered by the Fund. Please note, oversight of the structures are considered “operation”.

Water Tag and Laser Tag as activities do not fall within the above category of amusement rides; however, there is the potential for the tag courses to be considered a Type 4 Air Supported Structure. Most courses are designed with numerous inflated shapes, which the participants do not go on, in or under. Please review with counsel and the amusement vendor for clarification on the type of inflatable.

The liability of member entities associated with fireworks displays and amusement rides are a major concern to the Fund. It is imperative you adhere to the enclosed requirements. In order to ensure compliance with the Fund's insurance requirements, if necessary, please have your contractor or contractor's insurance company call the MEL Underwriting Manager, so we can discuss these requirements with them in more detail.

As respects to the Hold Harmless Agreement wording, all blank spaces should be completed. Please note, paragraph three should be completed, dated and signed by an authorized representative of the contractor and witnessed to authenticate the signature of the authorized contractor representative. Any additional Hold Harmless/Indemnification wording included in the contract shall not contradict/negate the Hold Harmless Agreement noted above.

Page Two
BULLETIN MEL 17-08

Any certificate of insurance requests from member entities, such as use of a private parking lot for spectator parking, will not be processed until the member entity meets the MEL fireworks display and amusement ride insurance requirements.

Please note that there is no longer a requirement for a Surety Bond from the fireworks contractor.

If you have any questions on this bulletin, please contact your Risk Management Consultant, JIF Executive Director or the Underwriting Manager.

This bulletin is for information purposes only. It is not intended to be all-inclusive but merely an overview. It does not alter, amend or change your coverage. Please refer to specific policies for limits, terms, conditions and exclusions.

**2017 FIREWORKS DISPLAY/AMUSEMENT RIDE REQUIREMENTS
MUNICIPAL EXCESS LIABILITY JOINT INSURANCE FUND**

The following information must be filed with and approved by the MEL Underwriting Manager prior to the event:

- 1) Copy of contract between the fireworks/amusement ride contractor and the member entity. As respects to fireworks displays, some of the contracts we see with the various contractors are silent or ambiguous as to who is responsible for policing the fireworks display and searching for and disposing of unfired fireworks. When submitting your fireworks paperwork to us for approval we will be looking closely at each contract for this. If the contract is silent or ambiguous as to who is responsible for policing the fireworks display and searching for and disposing of unfired fireworks, we will be requesting that you obtain an addendum to the contract or a letter from the contractor on their letterhead stating that they will be responsible for policing the fireworks display and searching for and disposing of unfired fireworks.
- 2) Certificate of insurance from contractor to include the following information:
 - General liability limits of \$1,000,000 per occurrence combined single limit for bodily injury and property damage with at least \$2,000,000 general aggregate. Contractual liability must be included.
 - Automobile liability limits of \$1,000,000 per occurrence combined single limit for bodily injury and property damage with no aggregate.
 - Workers Compensation at Statutory limits
 - Employers Liability at minimum limits of \$500,000.
 - Umbrella liability limits of \$4,000,000 are strongly recommended, sitting excess of the General Liability, Automobile Liability and Employers Liability coverages.
 - The member entity and any associations, recreations or committees formed by the member entity to organize the "event" must be named as additional insureds on the General Liability, Automobile Liability and Umbrella Liability coverages.
 - Rain date, if applicable, should also be shown on the description section of the certificate of insurance.
- 3) An executed hold harmless agreement in favor of the member entity must be signed by the fireworks/amusement ride contractor. Enclosed is suggested hold harmless agreement wording to be used by the fireworks display contractor and amusement ride contractor. The Fund will not accept a "Null and Void" clause in favor of the contractor as part of the hold harmless agreement. Any additional hold harmless/indemnification language in any agreement contradictory to the wording enclosed shall be removed.
- 4) As respects to mechanical amusement rides/devices, the contractor will need to provide proof of registration of its amusement ride equipment, as well as a copy of the contractor's permit application for the rides being utilized for the member sponsored event. Once the equipment is delivered to the event site, the member should confirm that the actual permit is affixed to the equipment. To confirm that the amusement vendor is registered, as required by the State, the member can visit the NJDCA website at http://www.state.nj.us/dca/divisions/codes/publications/pdf_rides/permitted_rides.pdf.

- 5) As stated above, mechanical amusement rides/devices are required to be licensed by the State of New Jersey. Mechanical amusement rides/devices are defined as any amusement ride required to be licensed by the State of New Jersey which includes any mechanical device or devices, including but not limited to water slides exceeding 15 feet in height, which carry or convey passengers along, around, or over a fixed or restricted route or course for the purpose of giving its passengers amusement, pleasure, thrills or excitement; and any passenger or gravity propelled ride when located in an amusement area or park in which there are other amusement rides. Mechanical amusement rides/devices are also defined to include the following pursuant to the New Jersey Department on Community Affairs, concerning Carnival and Amusement Ride Safety Act P. L. 1975 C105 as amended on July 20, 2001, and New Jersey Administrative Code, Title 5. Community Affairs, Chapter 14A. Carnival-Amusement Rides, N.J.A.5:14 A (2014), N.J.A.C. §5.14A-1.1:

- Small truck kiddie rides as defined under N.J.A.C. §5:14A-1.2, and inflatable bounce houses, moonwalks, inflatable slides, and other inflatable attractions, which allow riders to bounce, slide, and/or to be supported by them, as defined under N.J.A.C. §5:14A-1.2, and §5:14A-13.1, “Inflatable Rides” subchapter.
- The rental or lease of Inflatables – Inflatables are considered an amusement ride. DCA’s web site lists rental firms and those inflatables that already have a DCA permit. Be sure the inflatable you want to rent is on the list.

http://www.state.nj.us/dca/divisions/codes/publications/pdf_rides/permitted_rides.pdf

A ride inspection must take place prior to using the inflatable.

NOTES: The attached checklist can be used as a guide in making sure that a complete submission is being made by the member to the MEL Underwriting Manager.

The fireworks display/amusement ride submissions should be e-mailed to MELUnderwritingSvcCntr@connerstrong.com or faxed to (732) 736-5274 for review and approval no later than three weeks prior to the event. If you have any questions please contact the MEL Underwriting Manager team.

Training Summer / Seasonal Employees

Public entities rely on seasonal employees to perform many tasks during the summer months. Tasks include mowing grass, painting, collecting trash, guarding beaches and more. Often seasonal employees work alongside full-time employees. This most likely means they face the same hazards as the full-time employee. Therefore, employers must provide the same level of protection to seasonal employees as full-time employees.

One level of protection that must be offered to all employees, seasonal and full-time, is personal protective equipment (PPE). Employers must evaluate the hazards faced by workers and identify the PPE needed for tasks they perform. If the evaluation found a hazard to the workers' feet which requires full-time workers to wear protective-toed work boots, then seasonal employees doing the same job must also wear protective-toed boots.

Training is a critical safety measure that must be provided to seasonal employees. It is easy to overlook formal training for employees who will be performing routine tasks. Everyone knows how to push a mower and use a paint brush. Or do they? How do you know that the seasonal worker is aware of the hazards of your machines, your supplies, and your facilities? Training and evaluation is the only way supervisors can know that seasonal employees have the necessary knowledge and skills to do the job safely and efficiently. The MEL has provided a number of resources to assist our members train summer seasonal employees.

- The MSI offers two on-line courses titled *New Employee Safety Orientation* and *New Employee Safety Orientation – Part 2*. Each course takes about 15 minutes to complete and includes a short test to document training. These orientation classes offer a good basis for your job specific training. To access these courses, click here to go to the MEL website: <http://njmel.org/>

Click on the MSI logo at the top of the page

1. Select and click on the MSI Login box
2. First-time users will select the *I Am A New User* box. Follow the directions to create a User ID and password.
3. Once in MEL Safety Institute Online University homepage, select the last box, MSI Online Training Courses. The two courses are on the left, in the blue box. Select the desired classes from the list of online courses in the blue box on the left of your screen.
4. Remind the students to provide their Course Completion Certificates in accordance with your policy.

You may also wish to add other relevant online classes such as *Bloodborne Pathogens*, *Hazard Communication*, *Survival Driving*, *Crush Zone*, or *Avoid Back Pain*.

- The MEL created a 15 min. safety video, *101 Days of Summer* that can be streamed from the MEL website, www.njmel.org. It can be found by selecting the blue VIDEO icon at the top of the page. The video is under the **Public Access Videos**.

The MEL also provides a lending library of over 600 titles in DVD and VHS. These can be requested through the **Members Only Videos**. Contact the MSI Help Desk at 866-661-5120 for assistance with any of these resources.

This bulletin is intended for general information purposes only. It should not be construed as legal advice or legal opinion regarding any specific or factual situation. Always follow your organization's policies and procedures as presented by your manager or supervisor. For further information regarding this bulletin, contact your Safety Director at 877.398.3046.

- If an Instructor-led class is desired, the MSI offers a 4-hour course, *Summer Seasonal Employee Orientation*, which covers most safety regulations and considerations of common summer staff duties. The course content includes PPE, chemical safety, bloodborne pathogens and many tools. You can find a scheduled class in your area by calling the MSI Help Desk at 866-661-5120.
- The MEL website (www.njmel.org) now contains a series of 5-minute Toolbox Talk specifically for summer seasonal employees. They can found under the SAFETY tab. Select TOOLBOX TALKS from the drop down box. Scroll down the list and you find the following lesson plans.
 - [Heat Related Illnesses: Risks Rise with Temperature for Outdoor workers](#)
 - [Blades of Glory: Mower Safety](#)
 - [Poison Ivy](#)
 - [Tips on Dealing with Chiggers](#)
 - [Safety Cans for Fuel Transport & Storage](#)
 - [What Outdoor Workers Need to Know about Sunglasses](#)
 - [Sunburn Hazards](#)
 - [Use of Low-speed Utility Vehicles \(Golf Carts\)](#)
 - [What you need to know about lightning](#)
 - [Lawn Care Equipment](#)
 - [The Importance of Good Hydration](#)
 - [Using the UV Index](#)
 - [Mower Blades](#)
 - [Mower Safety](#)

Additional lesson plans are also available that may be relevant for your operations.

OSHA (www.osha.gov) has several resources on safety for temporary and youth workers. There are sections which provide information directed at employers, young workers, and the workers' parents.

The New Jersey Department of Labor provides rules and excellent guidance for young workers at http://lwd.dol.state.nj.us/labor/wagehour/content/child_labor.html. Be sure department supervisors, full-time staff, and the young worker are educated on the rules.

Research shows that an employee's first year is the most dangerous in terms of having an injury. For many JIF members, every year brings a new group of first-year employees. Supervisors of these workers must be acutely aware of this and take steps to protect them. Three effective steps are:

- Provide training and verify learning
- Conduct frequent Job Site Observations
- Assign a strong supervisor / mentor to work with seasonal employees

The Safety Director's Office wishes everyone a safe and enjoyable summer.

Make the following courses part of your new hire employee training:

New Employee Safety Orientation 1

This program discusses our commitment to the health and safety of all employees and the public served by local government. The presentation details the core values of trust, care, knowledge and communication as well as our no tolerance policy towards harassment and discrimination. There are ten questions based on this material at the end of the program.

New Employee Safety Orientation 2

This program continues our discussion about the health and safety of public employees. In this presentation, employees are introduced to safety guidelines for working around chemicals, machinery and potential sources of bloodborne pathogens. The course also includes safety lessons on two of the most common injuries to municipal employees, strains to the back and slip-trip incidents. There are ten questions at the end of the program based on the material presented in the program.

Visit The MEL Safety Institute.

Questions? Contact the MSI Help Line (866) 661-5120.

The MEL Safety Institute can be accessed by going to www.njmml.org. Click on our logo.

How to Access Training Courses:

1. Go to NJMEL.org & click on the MSI logo at the top of the page.
2. Click on our logo.
3. If you have taken MSI classes in the past, enter your username and password. If you do not know your username/password, check with your Training Administrator or call the MSI Helpline listed below. If you are new, click "I am a new user." Complete the fields and you'll receive a confirmation email with your username and password.
4. Once logged in, click on "MSI On-Line Training Courses."
5. Choose the "New Hire Safety Orientation Part 1 & 2" courses.
6. Click enroll.
7. Choose "Click Here" to go to your authorized course list.
8. Click the program name to launch the course.
9. Click Start to begin.
10. Upon completion of the course and questions you will navigate to the "Student Center" tab to print your Certificate of Completion. Learning Transcripts are automatically updated in the MSI Learning Management System.

Going and Coming Rule

Perhaps the single largest source of litigation under the NJ Workers' Compensation Act stems from the "going and coming rule". This rule indicates that routine travel to and from work is not compensable.

Also called the Premises Rule, it states; *Employment shall be deemed to commence when an employee arrives at the employer's place of employment to report for work and shall terminate when the employee leaves the employer's place of employment, excluding areas not under the control of the employer; provided, however, when the employee is required by the employer to be **away** from the employer's place of employment, the employee shall be deemed to be in the course of employment when the employee is engaged in the direct performance of duties assigned or directed by the employer.*

- The key word in the statute when it comes to a "special mission" is, **away** from the employer's place of employment. A simple way to think of a limitation on the special mission exception is that one is covered under Workers' Compensation while doing authorized business.
- Is the employee traveling to or from an area where he or she is to perform their "prescribed job duties"?
- Some deviations are acceptable, such as stopping to eat, smoke or attend to some human need.
- The NJ Supreme Court has ruled that the legal analysis to be applied to an accident to an on-premises employee is the same as that for an off-premises employee.

-Example; an employee is a pump station operator and his job duties take him to various sites around the municipality. On the date of injury, the employee stopped along his route to get his personal mail from the post office. As the claimant was returning to his municipal vehicle, he slipped and fell and was seriously injured, requiring multiple surgeries. The claim was denied as not compensable, which was upheld by the trial judge, the Appellate Division and the Supreme Court.

BURLINGTON COUNTY MUNICIPAL JOINT INSURANCE FUND WELLNESS DIRECTOR'S REPORT

TO: Municipal Fund Commissioners, Safety Coordinators, and Risk Managers
FROM: Debby Schiffer, JIF Wellness Director
DATE: June 20, 2017 at Hainesport Municipal Building
Contact Information: debby_schiffer@targetingwellness.com 856-322-1220

JUNE ACTIVITY & PLANNED EVENTS

May Wellness Day Recap:

Successfully carried out our second multi-Municipal Employee Health Fair May 23rd: Medford, Tabernacle, Lumberton, Shamong and Southampton – Overall it was an excellent event. Good variety of vendors participated. Mammo Van was utilized. Attendance not as high as we had hoped given the multiple municipalities. But those who participated were active and positive in responses. Consensus is that we would like to do this again next year with some new ideas.

Scheduled Presentations:

Bordentown City – Chair Yoga demonstration June
Delran Twp – “Movement vs. Exercise: Combating the Sitting Disease” June
Edgewater Park- “Movement vs. Exercise: Combating the Sitting Disease” June
Palmyra Fire Dept - “Movement vs. Exercise: Combating the Sitting Disease” June

Challenges:

Pemberton Township – Two separate groups participating in a 12-week Wellness Challenge: Police and Administrative Staff. Employees earn points for doing different categories of exercise weekly (i.e. cardio, core or resistance training, stretching, etc). Earn 50 points = win a prize. Earn 100 points = win a prize.

Westampton – Water Challenge

Yearly Incentive for Wellness Participation:

Lumberton - Earn tickets for participating in various activities (including JIF safety training) throughout the year and earn for a chance to win prize at end of year. This month's “In the Spotlight”.

Other ideas:

- **Delanco Police Department** – interested in having Dr. Sigafos in to offer several presentations on Stress management for the Police officers.
- **North Hanover Fire Department** – Interested in starting a fitness program. Working together on the details. Scheduled to meet with Personal Trainer from local fitness center to determine a possible “game plan”.
- **Mansfield Fire Department** – Possibly interested in offering a smoking cessation class. I have reached out to the American Lung Association.

June Wellness Connection Newsletter This month is Men's Health Month. Contents of this newsletter pertains to topics directed to men. **Exercise of the Month** is a 20-minute “summer preparedness” workout you can do at home. It's straight forward but if you have any questions on form or how to modify a move, please reach out to me.

Fire Fighters Ad Hoc Committee – Meeting minutes from May 16th will be included in your agenda package. The next meeting is scheduled for September 19th at the Emergency Service Training Center in Westampton at 7pm.

Wellness Corner Connection

Debby Schiffer, Wellness Director for BURLCO & TRICO

Owner's Manual for Men

Calling All Men!!

Do any of these excuses sound familiar as to why you put off doctor visits?

"I don't have a doctor."

Step one towards staying healthy is finding a doctor you trust before you need one! Check with your insurance or ask someone who they use.

"There's probably nothing wrong."

You may be right but you're not a doctor. Some serious diseases don't have symptoms. It's better safe than sorry. **"I don't have time."**

There are 8,760 hours in a year. Can you afford 2 hours that could save your life? You loved ones are counting on you to invest the time.

"I don't want to spend the money."

It makes more sense to spend a little and save a lot then save a little and spend a lot.

"Doctors don't do anything."

They can bring you knowledge (or reassurance) that can lead to better health, if you act on it.

"I don't want to hear what I might be told."

So maybe you smoke, drink too much or have put on weight. Denial is easier but not smarter. Be open to change, even small ones.

"I've got probe-phobia."

Prostate cancer testing isn't needed until you're 50. Early detection saves lives. This is just one part of a wellness exam.

Source: AHA
www.heart.org

What do you do when you're the engine warning light flashes on your car dash? Cover it with duck tape and forget about it? I think not! Like most men, that car is either looked at by you if you're mechanically inclined, or it's at the shop the next available date for maintenance. Now, what about your "engine light"? Are you as aware of your own well-being as you are about the drive-ability of your vehicle?

As noted by Men's Health Network, more than half of premature deaths among men are preventable but you cannot prevent a problem if you aren't aware of it. This month is Men's Health Month so I thought I'd devote this newsletter to highlighting a few of the main health issues that men face. And ladies, this is important for you too since you may be the one that will need to encourage the men in your life to seek medical assistance.

Let's first identify the problem: In 1920 women out-lived men by an average of one year. Today that has increased to more than five years. Why? Because men:

- Die younger, and in greater numbers, of heart disease, stroke, cancer, diabetes, and many other diseases.
- Don't care for themselves as well as women do.
- May be more likely to engage in unhealthy behavior.
- Don't seek medical attention when they need it.
- Are less likely to adopt preventative health measures compared to women.
- Are less likely to have health insurance.
- Are more likely to work in dangerous occupations.

A few flashing lights you should look for:

Changes in bowel or bladder habits. Blood in urine is a common indicator of kidney problems.

Persistent backaches, changes in the color of urine or stool, obvious changes in warts or moles, unusual lumps (yes men even in your breasts!), recurrent chest pains or headaches, bleeding that won't stop, nagging cough, unexplained weight loss, and extreme fatigue can all be symptoms of other serious health problems.

Depression. Although women may be more likely to attempt suicide, men are four times more likely to succeed. Because men are reluctant to ask for help and may try to hide their depression, spouses may recognize the symptoms sooner than he does. These may include acting overly anxious, having trouble sleeping, complaining of feeling sad or "empty" or helpless, engaging in unusually risky or reckless behavior, or losing interest in hobbies or other pleasurable activities.

"The role of women in keeping the men in their life healthy is invaluable. While it may pain you to nag your husband about one more thing, do it anyway. If you recognize any unusual symptoms in your loved one do whatever it takes to get him the help he needs, it may save his life."

Theresa Morrow, Women Against Prostate Cancer

Men are half as likely to visit a doctor for a check-up as women.

There are over 7 million American men who haven't seen a doctor in over 10 years.

They often don't feel comfortable talking about their health when they actually do go.

Premature Death in Men—Prevention is Key

Men die younger than women from the top causes of death such as heart attacks, stroke and diabetes. When it comes to nutrition and exercise, most men (or any of us for that matter) know what we *should* do to live a healthier lifestyle. But let's face it, many of us don't, and sometimes it's no fault of your own. *We don't have time. We look for convenience. And sometimes the information we get is just down right confusing.* Men, there are a few easy steps you can take that will help to improve the quality and length of your life:

- Eat a varied diet, rich in fruits, vegetables, whole grains, and low-fat foods.
- Be especially careful to limit cholesterol intake and avoid saturated fats.
- Minimum of 30 minutes moderate exercise five times a week, or vigorous exercise for 20 minutes three times a week.
- Protect yourself from the sun.
- Maintain a healthy weight.
- Drink at least eight 8-ounce glasses of water per day.
- Limit alcohol to two drinks per day.
- Don't smoke, and minimize your exposure to second-hand smoke.
- See your doctor regularly.
- Know your family history and discuss it with your doctor.
- If you are over 40, get a baseline PSA (prostate specific antigen) test and monitor this periodically with your doctor.
- Wear a seatbelt whenever you're in the car, and a helmet when on a motorcycle or bicycle.
- Manage your stress and get help if you need it.

Beyond Meat

Men are typically meat-eaters because of the perception that more protein equals more muscle mass. That is not the case unless exercise is involved. Men tend to view red meat as more masculine than other proteins; often this leads them to "order the steak." It's not the steak that's unhealthy, it's skipping the whole grains and vegetables. In addition, excessive meat eating is linked to heart disease and colorectal cancer in men.

Eat red meat less frequently, and, instead, focus on more fruits, vegetables and low-fat dairy products. This will not only help you keep weight off, but it can help keep blood pressure down. Cut down on saturated fat from meat, cheese and fried foods. Instead, opt for foods with unsaturated, heart-healthy fats such as olive oil, canola oil, nuts, seeds and avocados.

Fiber helps keep bowel functions normal and is good for your heart. If you need to lose weight, fiber keeps you full longer so you do not feel hungry as often. Men older than 50 need 30 grams of fiber a day; good sources are whole grains, fruits and vegetables. For products with a label, choose those with at least 3 grams of dietary fiber per serving.

Increasing **potassium** intake along with decreasing sodium (salt) may lower your risk of high blood pressure. Good sources of potassium include fruits, vegetables and low-fat or fat-free milk and yogurt. Choose low-sodium foods and replace salt with other herbs and spices to reduce your sodium intake.

www.menshealthnetwork.org; www.eatright.org

Prostate Health

If you don't know what your prostate is or what it does, you're certainly not alone. Most men don't. But you really should.

Over 30 million men suffer from prostate conditions that negatively affect their quality of life. And every year over 230,000 men will be diagnosed with prostate cancer and about 30,000 will die of it.

Make Calories Count

Older men cannot eat the way you did in your 20s and keep weight off. As men age, you are typically less active and lose muscle and gain fat; these things combined cause metabolism to slow down. More work is needed to keep metabolism up. How many calories you need each day depends on age, gender and activity level. For men over the age of 50, your daily calorie needs are:

- Not active: 2,000
- Moderately active: 2,200 to 2,400
- Active: 2,400 to 2,800.

Balance your calorie intake by getting at least 30 minutes of physical activity most days of the week. Exercise helps older men rev up metabolism, build and strengthen muscles and increase energy levels. Exercise also helps to lift your spirits. Visit a registered dietitian or ChooseMyPlate.gov to develop an eating plan that is right for you.

MEN:

GET IT CHECKED.

Checkup and Screening Guidelines for Men

Checkups and Screenings	When?	Ages		
		20-39	40-49	50+
Physical Exam Review overall health status, perform a thorough physical exam, and discuss health related topics.	Every 3 years Every 2 years Every year	✓	✓	✓
Blood Pressure High blood pressure (hypertension) has no symptoms, but can cause permanent damage to body organs.	Every year	✓	✓	✓
TB Skin Test Should be done on occasion of exposure or suggestive symptoms at direction of physician. Some occupations may require more frequent testing for public health indications.	Every 5 years	✓	✓	✓
Blood Tests & Urinalysis Screens for various illnesses and diseases (such as cholesterol, diabetes, kidney or thyroid dysfunction) before symptoms occur.	Every 3 years Every 2 years Every year	✓	✓	✓
EKG Electrocardiogram screens for heart abnormalities.	Baseline Every 2 years Every year	Age 30	✓	✓
Tetanus Booster Prevents lockjaw.	Every 10 years	✓	✓	✓
Rectal Exam Screens for hemorrhoids, lower rectal problems, colon and prostate cancer (see PSA Blood Test, below).	Every Year	✓	✓	✓
PSA Blood Test Prostate Specific Antigen (PSA) is produced by the prostate. Levels rise when there is an abnormality such as an infection, enlargement or cancer. Testing should be done in collaboration with your physician. <small>*Some medical associations recommend that men speak to their health care providers about a baseline PSA blood test at age 40. Men at high risk, including African Americans, should consider an annual prostate exam beginning at age 40.</small>	Every Year		*	✓
Hemoccult Screens the stool for microscopic amounts of blood that can be the first indication of polyps or colon cancer.	Every Year		✓	✓
Colorectal Health A flexible scope examines the rectum, sigmoid and descending colon for cancer at its earliest and treatable stages. It also detects polyps, which are benign growths that can progress to cancer if not found early.	Every 3-4 Years			✓
Chest X-Ray Should be considered in smokers over the age of 45. The usefulness of this test on a yearly basis is debatable due to poor cure rates of lung cancer.	Discuss with a physician		✓	✓
Bone Health Bone mineral density test. Testing is best done under the supervision of your physician.	Discuss with a physician		Age 60	
Self Exams Testicle: To find lumps in their earliest stages. Skin: To look for signs of changing moles, freckles, or early skin cancer. Oral: To look for signs of cancerous lesions in the mouth. Breast: To find abnormal lumps in their earliest stages.	Monthly by self	✓	✓	✓
Testosterone Screening Low testosterone symptoms include low sex drive, erectile dysfunction, fatigue and depression. Initial screening for symptoms with a questionnaire followed by a simple blood test.	Discuss with a physician		✓	✓
Sexually Transmitted Diseases (STDs) Sexually active adults who consider themselves at risk for STDs should be screened for syphilis, chlamydia, HIV, and other STDs.	Under physician supervision	✓	✓	✓

Tips for Healthy Summer Grilling (Taken from WebMD)

You might be worried about grilling because you've heard that eating charred meat could increase the risk of getting certain cancers. When meat, poultry, pork, or fish is cooked over flames or very high temperatures, muscle proteins react with the heat to form compounds called heterocyclic amines (HCAs). HCAs have been shown to cause DNA changes in cells that can lead to certain cancers.

As fat from the meat drips down onto the coals of the grill, it ignites and produces smoke, which also contains cancer-causing chemicals called polycyclic aromatic hydrocarbons (PAHs). When the smoke rises, it can deposit these chemicals on the meat. Exposure to this

Studies have linked the consumption of grilled meat to an increased risk for colon, prostate, pancreatic, stomach, and breast cancers, especially if the meat is cooked to well done. One study found that eating charred meat on a regular basis increases the risk for pancreatic cancer by up to 60%.

Hot dogs and sausages pose their own cancer concern, in the form of chemical preservatives called nitrates and nitrites. These processed meats have been associated with a higher risk for prostate, pancreatic, and other cancers.

Experts say you don't need to shut down the grill permanently. Grilling is still a safe way to cook, provided that you do it in moderation and follow a few grill safety tips:

- Keep it lean. Start with lean meat and cut off all the skin and visible fat before you grill. Not only will this make the meat healthier, but it also will limit flare-ups that can char the meat.
- Microwave first. Putting meat in the microwave for 2 minutes before grilling could reduce HCAs by 90%. Pat the meat dry after microwaving so there's less juice to drip into the grill.
- Cook the meat for longer at a lower temperature (under 325 degrees) by turning the gas down or letting the charcoal burn down to the embers.
- To lower the amount of heat and char on the meat, raise the grilling surface and move the charcoal briquettes to the sides of the grill.
- Flip the meat about once every minute. Rapid turning will help prevent HCAs from forming.
- Before you eat grilled meat, cut off any charred parts.
- Add some veggies to the grill. Vegetables don't form HCAs, plus they're lower in fat and calories, so use more of them and less meat.
- Clean your grill thoroughly after each use to get rid of any charred food that is stuck to the surface.

Grilling with Aluminum Foil

According to the Journal of Medical Case Reports, "aluminum has been long known to be neurotoxic, with mounting evidence that chronic exposure is a factor in many neurological diseases including dementia, autism, and Parkinson's" (Mercola, 2014). New studies out of Keele University in the UK showed high levels of aluminum in the brain of an individual exposed to aluminum at work, who later developed Alzheimer's disease.

But is grilling with foil dangerous?

According to The Green Examining Room, the answer is a slight yes. Cooking with aluminum foil has been shown to create numerous tiny cracks and flakes in the surface of the aluminum foil as demonstrated with electron microscopy. Chemical leaching of aluminum foil occurs with greater ease when food contains acidic properties such as lemon juice or spices. So to play it safe, eliminate the foil and get a stainless steel griddle to put directly on the grill. It might take away some of the joy of grilling by minimizing the sizzle as you flip that burger and get a wafting puff of smoke in your face. But I have no doubt it will taste just as good! (also add spices and sauces afterwards to avoid flame flare ups). Enjoy your summer!

Recipe Corner

Grilled Stone Fruit Antipasto Plate

Dressing:

- 1 tablespoon brown sugar
- 3 tablespoons white balsamic vinegar
- 2 tablespoons extravirgin olive oil
- 2 tablespoons fresh lime juice
- 2 teaspoons vanilla extract
- 1/4 teaspoon freshly ground black pepper
- 1/8 teaspoon salt
- 1/8 teaspoon hot sauce

Fruit:

- 1 pound firm black plums, halved and pitted
- 1 pound firm peaches, halved and pitted
- 1/2 pound firm nectarines, halved and pitted
- Cooking spray

Prepare grill.

To prepare dressing, combine first 8 ingredients in a small bowl, stirring well with a whisk.

To prepare fruit, place fruit on grill rack coated with cooking spray; grill 3 minutes on each side. Remove from grill. Drizzle fruit with dressing. Garnish with mint sprigs, if desired.

20 Minute “Summer Ready” Workout

15 Squat jumps
5 Push ups
25 High Kness
7 Burpees
10 Lunges
7 Squats
5 Push ups
10 Lunges
5 Push ups
7 Squats
15 Squats jumps
1 minute wall sit
5 Push ups
25 High kness

Repeat 3 times

This is a simple yet effective way to get a lot done in a short amount of time. It is always recommended that you consult with your doctor before starting any type of exercise program, especially if you are new to exercising, have any medical conditions or recently recovered from an injury. Just starting out? Perhaps try doing one round and build up to the three. Even a little is a great start!

In the Spotlight

Lumberton Township

In order for wellness initiatives to have a positive influence on the work culture, they have to be consistent. **Lumberton Township** is in the spotlight this month because of their efforts in promoting wellness throughout the year! There is no denying, many of us need an incentive to motivate our participation. For every wellness activity an employee partakes in, tickets will be earned, increases the chances for winning a grand prize at the end of the year. Since safety and wellness go hand-in-hand, even completing Safety training counts!

Here is a list of the initiatives Lumberton Township has offered their employees:

- Scheduled Lunch & Learns providing education on various topics of interest (i.e. Healthy Gut, Combating a Sedentary Lifestyle, and Stress Management).
- Participating in a new indoor cycling class offered by a local fitness center.
- Proof of belonging to any gym
- Taking a JIF training class (online or in-person)
- Attending the Employee Health Fair in May
- Participating in a planned fall Walking Challenge Contest

Do you have a story you'd like me to share? Please email me at debby_schiffer@targetingwellness.com.

FIREFIGHTERS AD HOC COMMITTEE MEETING MINUTES

**May 16, 2017 at 7:00pm
Emergency Service Training Center
Westampton, New Jersey**

A Firefighters Ad Hoc Committee meeting of the Burlington County Municipal Joint Insurance Fund ('BURLCO') was held at the Emergency Service Training Center, Westampton, NJ on Tuesday, May 16, 2016.

Those in attendance were:

Jim Ingling, Fire Chief Borough of Wrightstown
Rob Dovi, Lieutenant Medford Fire Department
George Meredith, Fire Captain Burlington County and Beverly City
Keith Harrison, Jr., Deputy Fire Chief Vincentown
Jim Heffernow, Vincentown Fire Department
Chuck Otting, Deputy Fire Chief Borough of Wrightstown
Debby Schiffer, JIF Wellness Director and Facilitator

Absent: Tracy Kilmer, Safety Coordinator Palmyra Borough

These minutes do not necessarily represent the order in which items were discussed nor will it indicate exactly who delivered the information. It will be a summary of items addressed and any action plans for our future meetings.

Mission of Committee:

To gather input from the Fire Departments of Burlington County on specific issues and concerns they face as it pertains to the health and well-being of their firefighters. Goal is to bring resources and support on dealing with these issues realizing that changes need implementation slowly and in a non-invasive manner. Areas needing the Committees attention include but are not limited to: mental impact this line of work has on the well-being of our firefighters, challenges being faced pertaining to nutrition and physical activity, lack of annual physical exam enforcement.

Main Topics Discussed

North Hanover and Medford – Looking to start a fitness program for their firefighters onsite. Similar to the H.E.R.O.'s Program that we ran at the end of last year with Virtua HealthFitness Center in Moorestown. Two outside facilities that may provide this bootcamp like workout include Lights Out Academy (NH) and BreakThru (Medford). Details and any updates will be provided at the next meeting.

Councilor Challenge as part of the Junior Challenge – Firefighter's challenge obstacle course. Finding out even those who are in shape are having difficulty.

Annual physicals remain a vital concern for the entire Firefighter Association. Request is to have a representative who may be able to convince the powers that be at each

municipality, to enforce that each member of the fire department (career and volunteer) pass a physical examination to participate in active duty.

Some issues to consider:

- The JIF needs to put pressure on the municipalities
- Will there be push back from the municipalities because requiring physicals every year may reduce the “bodies” available to serve?
- Volunteers have to have a physical before they start. Why not keep it going after that? (Virtua @ work)
- Annual mobile unit for fit test
- Buying power if JIF approaches these organizations requesting a group discount on annual physicals due to the large number of “patients” we would be able to send to them yearly.
- Need to finalize on a physical form. Best basic form is the State Relief Association Form (tan paper).
- Every firefighter should have a base EKG regardless of age
- Evesham does physical every year (Virtua @ Work)
- Captain Buscio program always available but not always convenient. Plus time consuming.
- Could JIF include this as part of incentive through Safety Incentive Program
- Issue with denial
- What is the firefighters priority?

Where do we go from here?

Move forward with introducing change.

Start to offer these fitness programs and perhaps weight loss challenges offering support through nutrition and stress management.

Through participation, through awareness and education, changes to lifestyle habits may start. As firefighters begin to see improvements and actually start to feel better, motivation to make their own health a priority will result.

Start to spread the word through the training classes. – 16 Life Initiatives

Removal of Possible Carcinogens from Firefighters “Bunker Gear”

No longer is it considered a “badge of honor” to linger in a soot, grit and grime covered turnout gear due to the harmful affects not only on the firefighter but anyone coming in contact with them.

It is vital that procedures be put in place to assure properly cleaning of this gear is done and also enforcing that each firefighter clean off areas especially around the neck.

North Hanover showed a PowerPoint of firefighter particle infiltration procedure.

“Safety Kit” and Procedures to follow to remove from gear and body.

- Multiple hoods need to be available
- Neck, face and hands scrubbed down
- Hose gear down at the scene
- Baby wipes may be part of this fix to wipe around neck and face
- <http://www.firewipes.com/particle-infiltration-study.html>
- **JIF can promote as a recommended requirement. Perhaps provide a “Safety Kit Bucket” with JIF logo to all who participate in the Ad Hoc committee.**
- **Inexpensive prevention!**
- Few are currently doing this.
- Would like to get Risk Management and J.A. Montgomery involved

- Document that it's being done and sign off after each fire
- Part of the Safety Inspection Program
- Clean the gear after every call. Only takes 24 hours to dry.
- Might be a way for us to approach wellness through a safety issue.
- Could actually track to show stats on decreasing of cancer claims
- BJ coupon for wipes – they will double the coupon so very cost effective
- Components needed in this kit will be shared once North Hanover assembles and cost (SOP Standard Operating Procedure)
 - Wipes
 - Bag for waste
 - 5 gallon bucket with a lid
 - Scrub brush
 - Bottle of soap
 - Garden hose with connection to the truck (optional)

This is important for everyone who comes in contact with the firefighters.

“25 to Survive”

Possible sponsor a new class through the JIF. Both Lt Dovi of Medford and Chief Ingling of Wrightstown recently took this through the State. Here is a summary of what it entails:

On average 70-80% of our line of duty deaths and the greatest numbers of civilian casualties occur within residential buildings. These stats re-enforce the need for all firefighters, from the probationary firefighter to the Chief officer, to have a thorough knowledge of fires in residential buildings and develop sound strategies and tactics to fight them successfully.

The presentation is based around the soon to be released Fire Engineering Pen-well Publishing tactical handbook entitled “25 to Survive: The Residential Building Fire.” Capt. Shaw and Lt. Mitchell have taken the tips and techniques refined from personal experiences and in their teaching with Traditions to the next step with effect to the residential building fire. This lecture program is a dynamic assessment of modern fire behavior in today’s residential buildings and our best practices for operational success.

I have put in a request to Traditions Training where Capt. Daniel Shaw is affiliated. Maybe other agencies will help sponsor this, which can be held at the Emergency Training Center in Westampton.

8-hour class (breaks and lunch)

Very dynamic and informed speakers

Can be for all level firefighters. Can get CEU's and possibly EMS CEU's

May be part of the Fire Chiefs Association Conference in November

Action:

Invite someone from Qual-Lynxs to our next meeting who can explain the Workers Comp end: types of injuries and hear the concerns of the committee. Perhaps Qual-Lynxs could have more of an impact on communicating the WCC cost and injuries as they relate to Firefighters and the potential money saved with the implementation of some mandatory procedures.

Other comments:

This needs to be a Cultural change.

What incentive could we offer towns for attending?

Next Meeting: September 19th at 7pm Emergency Training Center Westampton, NJ. We hope you will show your support of protecting the health and well-being of your fire department by sending someone from your fire department to participate in this Committee meeting. Your Team, their loved ones and the Community will thank you for it.

Training Outline – 25 to Survive: Reducing Residential Injury and LODD

Summary: More firefighters are seriously injured and killed while operating at residential building fires than any other building type. This dynamic and interactive program will address 25 critical firefighting issues common to the residential building fire. The program will discuss areas of firefighters preparation, response and operations, all of which are vital to successfully mitigating these deadly fires. Students will learn "street-smart" tips, tactics and practical company drills to remedy the commonly encountered errors and allow the students to garner company level drills, to bring back more than just what they heard.

Abstract

Our national statistics show that on average 70-80% of our line of duty deaths and the greatest numbers of civilian casualties occur within residential buildings. This grim statistic re-enforces the need for all firefighters, from the probationary firefighter to the Chief officer, to have a thorough knowledge of fires in residential buildings. Additionally, all personnel need to know sound strategies and tactics and how to employ them to fight these fires successfully.

The presentation is broken into 4 main parts:

Part 1 is initiating and maintaining a sense of combat readiness: This "Combat Ready" firefighting portion directly focuses the responsibility for every firefighter on the fireground: to be prepared, be ready to go to work...physically and mentally! We will carry the concept of "Combat Ready" into apparatus selection, functional apparatus riding assignments, variable staffing, building construction components, and pre-planning in the residential setting.

Part 2 surrounds itself with "mastering the environment." The building construction portion is tasked with educating firefighters on the mainstay of essential building construction concepts. The key to our building construction program will be educating personnel on the effect that building construction has on fire service operations and not the simple reiteration of notable terms. Discussion will center on fire's detrimental effect as related to a particular construction styles, the expected path of fire dependant upon the age and style of the home, and tactical decisions to battle these fires. Since this is the "office" we work in, it is absolutely imperative that every firefighter understands the basic tenets of building construction.

Continued with discuss the critical importance of on-scene reports and taking a 360-degree lap and a review of modern fire behavior, we will review the deployment of

TRADITIONS TRAINING, L.L.C.

"Experience-Based Fire Department Training"

resources to fight fires in 4 areas specific to the residential buildings – Basements, 1st Floor/Kitchen fires, fires on Upper Floors & Attics, and fires in the Attached Garage. The building is our enemy; we must recognize and have a full understanding of fire movement in today's homes.

Part 3 and Part 4 delve into the operations and tactical deployment of the Engine and Ladder Company at the residential building fire. Tips and techniques for streamlined operations, focused company operations leading to increased efficiency and effectiveness will be offered.

Each section has several take home personal and company level drills that allow the student to take back more than just what they 'heard.'

This program relies heavily on the usage of fireground audio and video that enhance the learning experience of the students and opens the program class participation and interaction. Discussion, and student participation is encouraged during every portion to ensure that students grasp the concepts and are afforded the opportunity to truly understand the tactics taught.

Our instructors, from some of the biggest and busiest Departments in the Country, will teach students this valuable information relating their real world experiences on the job. These experienced lecturers, coupled with the interactive format, rich in multimedia and student participation, will allow all students to add new and build upon their tactical knowledge base. The instructors will share their years of combined experience in fighting fires in these structures. The diverse backgrounds of the instructors provides them with the opportunity to discuss fires occurring in early twentieth century homes to the lightweight wood construction McMansion.

Target Audience:

The target audience for this presentation will be any firefighter or fire officer that has the possibility of responding to, and operating at, a fire in a residential dwelling. Regardless of staffing levels or paid or volunteer status. The topics covered will span from knowledge needed for the probationary firefighter to tactics Chief officers can employ to successfully fight fires in these structures.

Learning Objectives:

- Learn what the term "residential buildings" entails, in today's fire service.
- Examine and review statistical data from fires in these structures and their effects on the fire service.
- Show students the need for and show the benefits of adapting a "combat ready" mentality both personally and in their company roles, as it relates to fighting fires.

TRADITIONS TRAINING, L.L.C.

"Experience-Based Fire Department Training"

www.TraditionsTraining.com

(888)727.3331 ■ INFO@TRADITIONSTRAINING.COM

- Learn functional staffing procedures and safe staffing to successfully fight fires in residential buildings.
- Learn proven and sound accountability measures.
- Learn how these buildings are constructed and what the expected impact fire will have on them.
- Discuss situational awareness and personal preparedness for the residential fire.
- Learn strategies and tactics for Engine company operations at fires in residential structures
- Learn strategies and tactics for Truck / Rescue company operations at fires in residential structures.
- Learn proper strategies and tactics for fighting fires (resource and crew deployment) occurring in the following locations within residential structures:
 - Basement fires
 - First floor / kitchen fires
 - Upper floor / Attic fires
 - Attached garage fire
- Learn techniques to develop and deliver incident critiques.

AV Support material:

LCD Projector

Premium audio speakers for audio files used within the presentation

Wireless microphones for each presenter (room size dependent)

Whiteboard with dry erase markers for presentation demonstration

June 8, 2017

To the Members of the
Executive Board of the
Burlington County Municipal
Joint Insurance Fund

I have enclosed for your review and, in some cases consideration, documents of presentation relating to claims, transfers, and the financial condition of the Fund.

The statements included in this report are prepared on a “modified cash basis” and relate to financial activity through the one month period ending May 31, 2017 for Closed Fund Years 1991 to 2012, and Fund Years 2013, 2014, 2015, 2016 and 2017. The reports, where required, are presented in a manner prescribed or permitted by the Department of Insurance and the Division of Local Government Services of the Department of Community Affairs.

All statements contained in this report are subject to adjustment by annual audit.

A summary of the contents of these statements is presented below.

INVESTMENT INTEREST & INVESTMENTS:

Interest received or accrued for the reporting period totaled \$ 17,461.27. This generated an average annual yield of 1.19%. However, after including an unrealized net gain of \$14,776.58 in the asset portfolio, the yield is adjusted to 2.20% for this period. The total overview of the asset portfolio for the fund shows an overall unrealized loss of \$109,914.84 as it relates to current market value of \$ 14,862,161.18 vs. the amount we have invested. This current market value, however, when considering the total accrued income at month end is \$14,914,544.85.

Our asset portfolio with Wilmington/Trust consists of 8 obligations with maturity greater than one year.

RECEIPT ACTIVITY FOR THE PERIOD

Subrogation Receipts \$ 8,687.55 w/YTD Total \$ 63,728.03 (detailed in my report)
Overpayment Reimbursements \$ 92.50

LOSS RUN PAYMENT REGISTER ACTIVITY FOR THE PERIOD:

The enclosed report shows net claim activity during the reporting period for claims paid by the fund and claims payable by the Fund at period end in the amount of \$ 175,874.49. The claims detail shows 198 claim payments issued.

A.E.L.C.F. PARTICIPANT BALANCES AT PERIOD END:

Delran Township	\$73,625.00
Chesterfield Township	\$ 1,047.00
Bordentown City	\$22,500.00

CASH ACTIVITY FOR THE PERIOD:

The enclosed reconciliation report details that during the reporting period the Fund's "Cash Position" changed from an opening balance of \$ 17,734,676.37 to a closing balance of \$ 17,496,322.27 showing a decrease in the fund of \$ 238,354.10. A detailed reconciliation of this change, including its affect on our banking instruments, is included in my report.

BILL LIST FOR THE PERIOD:

Vouchers to be submitted for your consideration at the scheduled meeting show on the accompanying bill list at the end of my report.

The information contained in this cover report is a summary of key elements related to activity during the reporting period. Other detailed information is contained in the attached documents and, if desired, a more specific explanation on any question can be obtained by contacting me at 609-744-3597.

Respectfully Submitted,

Thomas J. Tontarski
Treasurer

To the extent Wilmington Trust has custody of assets but no investment authority over your account, you have the right at any time to receive, at no additional cost to you, written confirmations of securities transactions that occur in your account. These confirmations will be mailed to you in the timeframe required by applicable regulations. Even if you previously waived your right to receive these confirmations, you may at anytime ask to receive such confirmations going forward.

Please contact your relationship manager if you wish to have written trade confirmations mailed to you.

*Finance Committee Meeting
Thursday, May 18, 2017
Delran Township Municipal Building*

A meeting of the Burlington County Municipal Joint Insurance Fund Finance Committee was held on Thursday, May 18, 2017 at 2:00 pm at Delran Township Municipal Building, Delran, NJ.

Jeff Hatcher, *Committee Chair*, **Delran Township**
Mike Mansdoerfer, **Lumberton Township**
Kathy Burger, **Medford Township**
Meredith Tomczyk, **Mt. Laurel Township**
Dave Matchett, **Shamong Township**
Paul A. Forlenza, Deputy Executive Director, *AJGRMS*
Jodi Palmeri, Sr. Financial Analyst, *AJGRMS*
Tracy Forlenza, Financial Analyst, *AJGRMS*
Jim Miles, CPA, Bowman & Company LLP, *Fund Auditor*
Dennis Skalkowski, CPA, Bowman & Company LLP, *Fund Auditor*

Those unable to attend were:

Richard Brook, **Florence Township**
John Gural, **Palmyra Borough**
Dennis Gonzalez, **Pemberton Township**
Paul Keller, *Fund Chair*, **Springfield Township**
Linda Dougherty, **Edgewater Township**

These minutes do not necessarily reflect the order in which these matters were discussed.

Report on Audit of Financial Statements – 12/31/16

Mr. Skalkowski distributed drafts of the Audit of Financial Statements for the Fund Year ended 12/31/16.

Mr. Skalkowski reviewed the draft audit with the members. He noted that pages 5-6, *Internal Control*, are a review of the internal processes. He noted no concerns. He stated that pages 7-10 is the *Management's Discussion and Analysis* report and will be completed by Arthur J. Gallagher, but all other required reports are complete.

Mr. Skalkowski then reviewed page 11, *Statement of Net Position (Exhibit A-1)*. He noted that this is a balance sheet of assets and liabilities noting that *Total Assets* increased by \$1,161,799. He explained that under *Assets, Investment in Joint Ventures* is the BURLCO JIF's net worth in the MEL and RCF, accounts for a large portion of the change. He stated that these values are broken out on page 25. He further explained that *Note 6, Equity Interest*, matches the total of investment in joint ventures on page 11. Mr. Skalkowski then discussed how the *Change in Joint Ventures*, Under *Non-Operating Revenue*, page 12, shows the change in the BURLCO JIF's share from 2015 to 2016.

Mr. Forlenza noted that the wording *Due to MEL* under *Liabilities* is the 2016 MEL Retrospective program. He reminded the members that this is treated as a liability since it is a potential liability and cannot be released to surplus for 10 years.

Mr. Skalkowski then reviewed page 12, *Statement of Revenue (Exhibit A-2)* with the members. He noted that this is full detail of the expenses for the 2016 Fund Year.

Mr. Skalkowski stated that page 13, *Statement of Cash Flows (Exhibit A-3)*, is a basic statement showing the movement of money in and out of the Fund and includes comparative statements for 2015 to 2016.

Mr. Skalkowski reviewed page 22, *Note 4, Investments*, which is a highlight of all investments.

Mr. Skalkowski then reviewed, *Note 5, Changes in Unpaid Claims Liabilities* on page 23. He stated that at the end of each year the Actuary establishes reserves on known claims and IBNR factors on unknown claims. He further explained that these values fluctuate year to year. The *Total unpaid claim and claim adjustment for all Fund years ending 12/31/2016* is \$5,254,477 versus \$6,065,295 at 12/31/2015. Mr. Skalkowski reported that *Schedule 1*, page 29 details this by Line of Coverage.

Mr. Skalkowski then explained how the *Historical Balance Sheet*, page 32, conforms to Statutory Basis accounting. As a result, it does not include *Investments in Joint Ventures*. He added that GAAP accounting standards includes these investments. He stated that the Net Statutory Surplus at 12/31/2016 is \$10,571,000.

Mr. Skalkowski then reviewed *Schedules A-G* with the Committee explaining how they interconnect. He also noted that there were no findings or recommendations included in the audit.

Mr. Forlenza suggested that a MEL Retrospective schedule be added to the audit as well since it is a liability and will need to be accounted for on a year by year basis. Mr. Skalkowski will add this schedule as directed.

Mr. Skalkowski commented that the audit process was very smooth and without issue.

Mr. Forlenza asked if there were any additional questions for the Fund Auditor, being none, Mr. Miles and Mr. Skalkowski thanked the Committee and left the meeting at this time.

Resolution to Accept 2016 Audit – June Executive Committee Meeting

Mr. Forlenza directed the Committee to a draft Resolution *Accepting the 12/31/16 Fund Audit* included in the agenda packet and asked the Committee if they would like to move to accept the Audit by resolution at the June Executive Committee Meeting. The Committee agreed. Mr. Forlenza stated that the resolution will be attached to the minutes of today's meeting for consideration at Executive Committee meeting in June.

Report to be filed with DOBI, DCA, & State Comptroller's Office

Mr. Forlenza indicated that once accepted by the Fund, the Audit will be filed with DOBI, DCA and the State Comptroller's Office. Mr. Forlenza asked if there were any questions, their being none, he continued.

Escheat Process/Unclaimed Property Report 6/30 filing due 10/31

Mr. Forlenza reported that last year the State Auditors informed his office that the Fund Treasurer needed to file the unclaimed property schedule on an annual basis even when there is nothing to escheat. The Fund Treasurer began this process with the June 30, 2015 valuation and has filed accordingly for the June 30, 2016 report. Mr. Forlenza noted that filing the unclaimed property report using the June 30th valuation date will be added to the Scope of Services section of the Fund Treasurer's contract.

Finance Committee Charter – Emailed on 05/02/17

Mr. Forlenza reminded the Committee that the Finance Committee Charter was emailed with the meeting notice on May 2, 2017. Mr. Forlenza asked the members of the Committee if they had any suggested changes at this time noting that any suggestions can be sent to the Finance Chair, Mr. Hatcher following today's meeting. The Committee agreed there were no suggested changes to the current Charter.

RCF JIF

Mr. Forlenza reviewed with the Committee the performance of BURLCO JIF claims, valued as of 12/31/16, that have been transferred to the RCF, which includes Fund Years 1993 through 2012. He noted that each Fund Year is broken out by line of coverage; however, property is not included because it is not transferred to the RCF. He explained that the Fund does not transfer the property exposures to the RCF since property claims are normally paid out quickly and there is always a chance of a subrogation recovery which the JIF would receive rather than the RCF.

Mr. Forlenza added that the net incurred provides a depiction of what the true valuation is as of 12/31/16. He then reviewed the spreadsheets with the members noting the overall difference between the total net incurred at the time of transfer vs. the net incurred at 12/31/2016 which is approximately 4.2%. He reported that the average across all three funds with which he works is approximately 5.0%, so this figure is good. Mr. Forlenza noted that if the Fund went to the commercial market to transfer the liability, the premium would be in excess of 30% based on estimates from brokers.

Mr. Forlenza then reviewed the report highlighting claims paid and reserves changes over the prior year broken out by Fund Year and line of coverage. Mr. Forlenza asked if the Committee would like to see just the summary by line of coverage instead of an entire sheet inclusive of each individual Fund Year. The Committee agreed to review this information in the future by LOC with a summary total.

Interim Financial Summary December 31, 2016

Mr. Forlenza referenced the Interim Financial Summary as of December 31, 2016 included in the agenda packet and asked the Committee if they would like him to review them, as they are identical to the figures just reviewed by the Fund Auditor, or simply review the Interim Financial Summary as of March 31, 2017, which is also included in the agenda packet. The Committee agreed to move to the March 31, 2017 report.

Interim Financial Summary March 31, 2017

Mr. Forlenza reviewed the Historical Operating Results Summary valued as of March 31, 2017. He reviewed each line of coverage for Fund Years 2013 through 2017 and made the following observations:

All Fund Years – Mr. Forlenza noted that as of 03/31/17 there was a total of \$99,956,305 in contributions. The Fund has paid \$79,998,118 in Claims and Payments, including excess insurance. Investment income totals \$3,633,608 with a return surplus of \$7,197,369, leaving the JIF with a Cash Position of \$16,394,425. The Fund currently maintains \$3,650,635 in Case Reserves in the open years with \$2,018,083 in IBNR for a Net Current Surplus of \$10,725,707 which is a slight increase of \$154,707 since 12/31/16.

Fund Year 2017 – Mr. Forlenza noted there was \$1,958,801 in total contributions which represents 25% of the total anticipated contributions for the year and \$1,152,600 in Claims and Payments, including excess insurance. There is investment income of \$1,734. This leaves the Fund Year with a Cash Position of \$805,935. There are Case Reserves of \$197,013 and \$584,495 in IBNR, resulting in surplus of \$24,427. Mr. Forlenza reminded the Committee that the deficit in the EPL/POL is due to only recognizing 25% of contributions, but paying 50% of the EPL premium. There are 61 claims for the period.

Fund Year 2016 – Mr. Forlenza noted there was a total of \$7,887,845 in contributions to date. The Fund has paid out \$4,756,842 in Claims and Payments, including excess insurance. Investment income totals -\$8,469, resulting in a Cash Position of \$3,122,534. The Fund currently maintains \$1,084,189 in Case Reserves and \$995,861 in IBNR for a Net Current Surplus position of \$1,042,484, which is an increase of \$270,757 since 12/31/16. There were 20 new claims reported in the period. He commented that since there is a deficit in the Property line cash position, he is recommending an interfund transfer of \$120,000 from Deductible line to the Property line. He noted that if the Committee agrees, they will present the transfer resolution at the June Executive Committee meeting. The Committee agreed.

Mr. Hatcher inquired if there was an upward trend in Property losses based upon the negative cash position of this line of coverage. Mr. Forlenza explained that 2016 is still developing; however, he is concerned that the Actuary is not showing a positive cash flow from subrogation recoveries so this line is likely to deteriorate further as these claims settle out. He further noted that the Bordentown City DPW fire that occurred at the end of 2016 is also impacting these figures as this loss penetrated the Fund's \$100,000 property SIR. Finally, Mr. Forlenza noted that many JIFs around the State are seeing increases in property claims.

Fund Year 2015 – Mr. Forlenza noted there is a total of \$7,895,259 in contributions to date. The Fund has paid out \$5,479,686 in Claims and Payments, including excess insurance. Investment income totals \$8,600, resulting in a Cash Position of \$2,424,173. The Fund currently maintains \$1,165,865 in Case Reserves and \$243,840 in IBNR for a Net Current Surplus position of \$1,014,468, which is an increase of \$86,420 since 12/31/16. There was one (1) new GL claim reported in the period. Ms. Forlenza has contacted Qual-Lynx to determine why this changed and is awaiting a response. Once she receives an update, the Committee will be notified.

Fund Year 2014 – Mr. Forlenza noted there is a total of \$7,872,148 in contributions to date. The Fund has paid out \$5,078,680 in Claims and Payments, including excess insurance. Investment income totals \$21,015, resulting in a Cash Position of \$2,814,483. The Fund currently maintains \$796,407 in Case Reserves and \$145,948 in IBNR for a Net Current Surplus of \$1,872,128, which has deteriorated by \$226,884 since 12/31/16. There were no new claims reported in the period.

Fund Year 2013 – Mr. Forlenza stated there is a total of \$7,801,699 in contributions to date. For this year, the Fund has paid out \$5,515,104 in Claims and Payments, including excess insurance. Investment income totals \$26,809 resulting in a Cash Position of \$2,313,404. The Fund currently maintains \$407,161 in Case Reserves and \$47,939 in IBNR for a Net Current

surplus position of \$1,858,304, which has deteriorated by \$17,581 since 12/31/16. There were no new claims reported in the period. He noted that this Fund Year will be transferred to the RCF valued as of the June 30, 2017; therefore, his office will be contacting Qual-Lynx to make certain that all reserves on open claims are properly set.

Closed Years Contingency Fund – Mr. Forlenza noted that for the Closed Years Fund (1991-2012) there were \$66,542,553 in Total Contributions, \$58,015,206 in Total Payments, and \$3,583,865 in Investment Income. He stated that \$7,197,369 has been returned in surplus. The total surplus of \$4,913,843 in the Closed Years Fund is an increase of \$17,514 since 12/31/16, which is a result of investment income.

MEL JIF Retrospective Contingency Fund– Mr. Forlenza stated that attached is the new MEL JIF Retrospective summary. He noted that the money collected for potential MEL liability for Fund Year 2016 is \$90,709, and is shown as an expense liability as to not overstate the Fund's surplus position. The interest of \$54, however, will be allocated to the surplus line as it is true income.

A copy of the 03/31/17 Historical Operating Results are attached and incorporated herein.

Interfund Transfers

Mr. Forlenza stated that as noted above, an interfund transfer of \$120,000 from the 2016 Deductible line to the 2016 Property line is recommended. A resolution authorizing the transfers will be presented at the June Executive Committee meeting.

Transfer to the RCF

Mr. Forlenza stated that a copy of a Resolution to transfer the 2013 Fund Year to the RCF is contained in the agenda packet and will be attached to the minutes of today's meeting for consideration by the Executive Committee at June's Executive Committee meeting. The Committee agreed.

Preliminary Return of Surplus

BURLCO Dividend Release - Policy

Mr. Forlenza referred the Committee to a copy of the *Surplus Distribution Policy* included in the agenda. The policy serves as a guideline to the Fund in determining the amount of surplus to be released and various factors to be considered when contemplating releasing surplus from the Closed Years' Fund.

BURLCO Dividend Release Scenarios

Mr. Forlenza then directed the Committee to surplus release scenarios of \$600,000, \$700,000 or \$800,000 noting that last year the Fund released \$600,000. He highlighted that each scenario has an accompanying per Member allocation for the Committee to see the overall impact of each scenario on each Member.

Mr. Forlenza noted that the Actuary stated that ideally the surplus should be a 2:1 ratio of the current budget to unencumbered surplus. He asked the Committee to review the scenarios as they will be discussed at their next Committee meeting at which time the financial position of the individual Fund Years will be valued as of June 30, 2017.

A brief discussion ensued regarding the amount to release. The Committee asked Mr. Forlenza to present updated surplus release scenarios for \$700,000 keeping the percentage of unencumbered JIF surplus around 10% and valued as of June 30, 2017 for the next meeting.

Mr. Forlenza commented that some member governing bodies have remarked about the amount of surplus the JIF currently holds. He further explained that he has been considering a process where the Fund would allocate a portion of the surplus as a revenue in the loss funding budget so the members would “borrow their own money to offset their loss funding assessment”, essentially anticipating surplus as revenue. He noted that this helps the current members who are good performers as it will reduce the overall Loss Funding needed to be allocated in the upcoming Budget.

Mr. Forlenza noted that releasing increasing amounts of surplus will not be sustainable into the future, so he began investigating other ways to utilize the surplus to the benefit of the members. He noted he needs to check the regulations to ensure that the JIF can anticipate surplus like a municipality.

Mr. Forlenza reminded the Committee while thinking about the amount of surplus to release, to be cognizant of the reductions in the loss funding in recent years which in turn reduces the surplus growth.

Mr. Mansdoerfer stated that if the Fund has some bad years and cannot release as much surplus as in prior years, the Fund will inform the members as to why this is occurring and that they will need to perform better to receive additional surplus in the future. He further stated that he feels it is better to distribute the surplus directly back to the members and allow them to manage these funds as they see fit. Several Committee members agreed.

EJIF Dividend

Mr. Forlenza reported that the 2016 EJIF dividend distribution chart is on page 33 of the agenda packet. He noted that late last year, the EJIF is released surplus from the 2005 Fund Year. The BURLCO JIF did not receive any of this surplus as they were not a member of the EJIF in 2005 Fund Year. Mr. Forlenza stated that BURLCO JIF joined the EJIF effective January 1, 2006.

2017 Retrospective Member Analysis – 03/31/17

Mr. Forlenza provided the Committee with an update as to the performance of the candidates, both those enrolled in the program and those not, in the Retrospective Program valued as of 12/31/16 and 03/31/17. He noted that the members participating in the program are sent quarterly updates to inform them of any potential additional assessments. The Committee agreed to only review the 03/31/17 valuations. Mr. Forlenza noted that 2014 is omitted from the report as no members qualified for the Retrospective Program for the 2014 Fund Year.

Bordentown City

Mr. Forlenza reviewed Bordentown City noting their participation in the Program in 2013, 2015 and 2016. He explained that their total paid claims exceeded their minimum loss funding in Fund Year 2013 and the City has been invoiced the full amount of \$29,395 with all payments received. He stated that the amount in excess of the maximum loss funds will be absorbed by the JIF. He noted their loss ratio is 199.9% for Fund Year 2013. He noted that although their 2016 loss ratio is 222.4%, their total paid claims have not exceeded their minimum loss funding in this Fund Year, so they have not yet been invoiced.

Bordentown Township

Mr. Forlenza reviewed Bordentown Township noting their participation in the Program in 2013, 2016, and 2017. He explained that their total paid claims exceeded their minimum loss funding in the 2013 Fund Year and they have been invoiced \$32,507 with all payments received. He stated that the amount in excess of the maximum loss funds will be absorbed by the JIF. He noted their 2013 loss ratio was 392.9% and was below 100% for both 2016 and 2017.

Chesterfield Township

Mr. Forlenza reviewed Chesterfield Township noting their participation in the Program in 2013. He noted that although they participated in 2013, their loss ratio for that year is 0%.

North Hanover Township

Mr. Forlenza reviewed North Hanover Township noting their participation in the Program in 2013. He explained that he has no concern with the performance of this Fund Year at this time since their loss ratio is 33.4%.

Mr. Mansdoerfer inquired if the amount in excess of the max funding affects the surplus for that year. Mr. Forlenza stated that the surplus is directly affected. He further noted that since the 2013 Fund Year is being transferred to the RCF, the amount exceeding the max loss funding will be included in the transferred amount.

Mr. Forlenza noted that on page 36 is the current payment log, noting the amount invoiced, if payment has been received, and the date received. All are paid to date.

Vendor Fee Request Letters

Mr. Forlenza presented the draft vendor fee request letter for the Committee's review. He first inquired if the Committee wished to continue following the "Non-fair and Open Process", which was the decision of the Committee and Fund when the "Pay to Play" guidelines went into effect. The Committee agreed to continue utilizing the "Non-fair and Open Process" in the appointment of Fund Professionals.

Mr. Forlenza then asked if the Committee had any suggested language changes to the vendor fee request letter prior to it being released. The Committee approved the letter with no recommended revisions. Mr. Forlenza stated that the letters would go out shortly.

Fund Year 2018 Budget Process***Six Year Loss Ratio Summary as of March 31, 2017***

Mr. Forlenza directed the Committee to the Loss Ratio Summary spreadsheets contained in the agenda. He indicated that these reports are for Fund Years 2011-2016 valued as of 03/31/2017. He noted that the Six Year Average Loss Ratio for the Fund is 66.2%. He then reviewed the individual years, by line of coverage with the Committee.

Mr. Forlenza then presented the MEL Loss Ratio Reports valued as of 03/31/2017 for Fund Years 2011- 2016. He noted that the Five Year Average Loss Ratio for the MEL is at 6.2% and Six Year Average Loss Ratio for the MEL is at 10.3%. He reminded the Committee that the MEL utilizes the ten year loss ratio when determining the Fund's participation in the MEL

Retrospective Program. He also reminded the Committee that Auto Liability claims are incorporated into the General Liability line at the MEL level.

Next, Mr. Forlenza reviewed the EPL/POL Six Year Average Loss Ratio report valued as of 03/31/2017 for Fund Years 2011-2016. He stated that prior to 2011, the MEL insured these claims. For Fund Years 2011-2014 these claims were insured with the carrier XL. For Fund Years 2015-current, these claims are insured with the carrier QBE. He noted that the Six Year Average Loss Ratio for EPL/POL is at 33.4% and the Five Year is 34.5%. Mr. Forlenza noted that the carrier considers a 55% loss ratio a breakeven point due to the fact that the premium is inclusive of operating expenses, surcharges, taxes, profits, etc.

Renewing Members for 2018

Mr. Forlenza informed the Committee that thirteen (13) members are up for renewal effective January 1, 2018 including: Bass River, Beverly, Bordentown Twp., Delran, Florence, Hainesport, Mt. Laurel Township, North Hanover, Palmyra, Riverside, Shamong, Springfield and Woodland. Mr. Forlenza stated that to better balance the amount of loss funding renewing each year, they have asked Florence Township to renew one year early effective January 1, 2018 and Medford to also renew one year early, effective January 1, 2019.

Draft Preliminary Loss Funding Allocation

Mr. Forlenza reminded the members that last month they authorized him to release a preliminary 2018 loss funding figure to Mt. Laurel per their request. He stated that since it is Mt. Laurel's renewal year, he had the Actuary price them using the March 31, 2017 figures instead of June 30, 2017. The Actuary's preliminary loss funding figure for 2018 represents a reduction of 4.8% for 2018. He then directed the Committee to a Draft Assessment Allocation Strategy included in the agenda packet. He explained that several Committee members voiced their concern that any significant reduction due to Mt. Laurel should not negatively impact the renewing and non-renewing members of the Fund. Mr. Forlenza then reviewed the draft Assessment Allocation Strategy on page 64. He noted that the proposed reductions are similar to those that were provided renewing member last year. In addition, as the Fund placed the proposed 2017 loss funding reduction for Mt. Laurel in the 2017 Loss Fund Contingency, it allows the Fund to provide Mt. Laurel with the reduction in 2018 they deserve while protecting the remaining members of the Fund.

Mr. Matchett commented that the anomaly losses were not included in this spreadsheet. Ms. Forlenza stated they will be included at the next meeting.

Performance over 100%

Mr. Forlenza then directed the Committee to a spreadsheet in the agenda packet containing the six year average loss ratios for the renewing members. Mr. Forlenza noted that four renewing members: Bordentown Twp, North Hanover Twp, Shamong and Springfield, have a six year average loss ratio over 100%. He noted that he is unsure if any of these members' loss ratios are being driven by anomaly losses. In addition, if these numbers hold as of June 30, 2017, then a majority of the members will qualify for the *Reward/Revaluation Program*.

Operating Expense Allocation

Mr. Forlenza reminded the Committee that last year his office brought to the Committee's attention concerns regarding how operating expenses were allocated across the membership and the impact of the reward/revaluation program had on the allocation. He noted that this came to light last year when reviewing Mt. Laurel's proposed reduction in loss funding. He noted that in 2003 when Model OE was created, operating expenses were allocated by line item by member. He commented that certain expenses are per member fees, some are a

proportionate share of an applicable exposure, while others that are driven by proportionate share of loss funding. The concern is that a good performing and/or smaller member aren't necessarily paying their fair share of these operating expenses. He explained that by using a combination of loss funding and a fairly constant factor, such as payroll, the operating expenses can be allocated more equitably. He then directed members to page 68 where the Actuary, Administration, Attorney, Claims Administration, Contingency and Miscellaneous expenses are broken out by member. He presented several options for consideration: option 1 using 75% of loss funding to 25% payroll; option 2 using 50% of loss funding to 50% payroll; and option 3 using 25% of loss funding to 75% payroll to calculate these expenses (less Contingency and Miscellaneous).

Mr. Forlenza reviewed the options per member with the Committee. He explained that any of these options can be phased in over time. Mr. Matchett asked the Committee to consider using population instead. Mr. Forlenza was not certain the impact population would have on the allocations. Mr. Mansdoerfer commented that he didn't feel population would work, but suggested using a percentage of the JIF assessment. He explained that the first step would be to divide the fixed operating costs by number of members. Next he suggested taking the previous year's total JIF assessment and determine its percentage to the total variable costs in the budget and multiple that by the variable costs. Then add the figures together to obtain total operating expenses for the member. Mr. Hatcher commented that it would fluctuate on years when members have bad years. Mr. Hatcher inquired if the members with higher loss ratios utilize the Executive Director's office more frequently. Mr. Forlenza stated no, it depends on the member and how much the Risk Manager is involved. Mr. Forlenza will look at other factors that could be used to fairly allocate the operating expenses and present it at the next meeting.

Miscellaneous

Budget Amendment

Mr. Forlenza stated that a budget amendment will be presented at the July Executive Committee meeting to include the removal of the Mt Laurel PAWS exposure, EPL/POL deductible / co-insurance adjustments, Cyber limit increase, and RMC fee adjustments.

MEL and RCF Financial Fast Track – December 31, 2016

Mr. Forlenza directed the Committee to the MEL and RCF Financial Fast Track valued as of 12/31/2016 included in the agenda. He noted that the MEL's surplus position as of December 31, 2016 is \$21,091,737. He also reported that the RCF's surplus position as of December 31, 2016 is \$6,844,898. He commented that both Funds are healthy.

2017 RFPs

MEL RMIS/RMOS RFQ

Mr. Forlenza updated the Committee on the status of the MEL RFP for RMIS/RMOS noting that the RMOS (Risk Management Operating System) is similar to the Exigis system; whereas RMIS is a Risk Management Information System. He stated that based upon the results shown on page 75 in the agenda, Origami was awarded the contract. He explained that the Origami system will provide a system that handles exposure and claims data. He stated that the MEL just signed the contract with Origami. He noted that within the next few years, the JIF will move to Origami as well. Mr. Forlenza commented that loss data will be loaded into this new system which will be helpful in analyzing claims trends. He also noted that his office is involved in the system development process and is watching and waiting to see how the process evolves. Being that the Fund has a direct contract with Exigis; the BURLCO JIF will

not be pressured to move prematurely. Exigis will be utilized for the Exposure Review Process occurring in 2017 and will be re-evaluated prior to the process occurring in 2018.

Transition to iVOS

Ventnor/Carneys Point Claim

Mr. Forlenza stated that the first release of data from the new iVOS system was produced in March 2017 for 12/31/16. He noted that a few issues were discovered while reviewing the data, such as incorrect mapping for a Carney's Point claim. He explained that the mapping was done utilizing the tax id numbers for an exact match; however, it was discovered that a particular claim was entered into the system originally with the incorrect tax id number mapping it to Ventnor instead of Carney's Point. Qual-Lynx was alerted and corrected the claim as well as verifying that all other mapping was correct.

Mr. Forlenza also stated that there was a claim count variation between the reports generated from iVOS and the old AS400. He explained that after discussion with Qual-Lynx, it was determined that the report generated from the AS400 system recorded claims based upon the lines of coverage that were impacted. In other words, one incident that impacted two lines of coverage was recorded as two claims. The new report being generated from iVOS reflects one claim no matter the number of lines of coverage impacted and links them within the system under the same claim number. .

Mr. Forlenza noted that he spoke with the Actuary and Mr. Bause is now comfortable with the claim information released from the new iVOS system as he was able to tie the March claims expenses to the December claims expenses.

Next Meeting Date

Mr. Forlenza noted the next meeting will consist of discussions on Loss Funding Recommendations for 2018, as well as Assessment Allocations Strategies, including Reward and Re-evaluations candidates and Retro Assessment Program Candidates, if any. He also stated that the Committee would review updated Surplus Distribution options, the Preliminary Budget, and Vendor Review. The next meeting will be Thursday, August 17, 2017 at 1pm.

Seeing no other business, the meeting was adjourned at 3:50pm.

Resolution No. 2017 -

**Resolution of Certification
Annual Audit Report for Period Ending December 31, 2016**

WHEREAS, N.J.S.A. 40A:5-4 requires the governing body of every local unit to have made an annual audit of its books, accounts and financial transactions, and

WHEREAS, the Annual Report of Audit for the year 2016 has been filed by the appointed Fund Auditor with the Secretary of the Fund as per the requirements of N.J.S.A. 40A:5-6 and N.J.S.A. 40A:10-36, and a copy has been received by each member of the Executive Committee, and

WHEREAS, the Local Finance Board of the State of New Jersey is authorized to prescribe reports pertaining to the local fiscal affairs, as per R.S. 52:27BB34, and

WHEREAS, the Local Finance Board has promulgated a regulation requiring that the Executive Committee of the Fund shall by resolution certify to the Local Finance Board of the State of New Jersey that all members of the Executive Committee have reviewed, as a minimum, the sections of the annual audit entitled:

General Comments
and
Recommendations

and

WHEREAS, the members of the Executive Committee have personally reviewed, as a minimum, the Annual Report of Audit, and specifically the sections of the Annual Audit entitled:

General Comments
and
Recommendations

as evidenced by the group affidavit form of the Executive Committee.

WHEREAS, such resolution of certification shall be adopted by the Executive Committee no later than forty-five days after the receipt of the annual audit, as per the regulations of the Local Finance Board, and

WHEREAS, all members of the Executive Committee have received and have familiarized themselves with, at least, the minimum requirements of the Local Finance Board of the State of New Jersey, as stated aforesaid and have subscribed to the affidavit, as provided by the Local Finance Board, and

WHEREAS, failure to comply with the promulgations of the Local Finance Board of the State of New Jersey may subject the members of the Executive Committee to the penalty provisions of R.S. 52:27BB-52- to wit:

R.S. 52:27BB-52 – “A local officer or member of a local governing body who, after a date fixed for compliance, fails or refuses to obey an order of the director (Director of Local Government Services), under the provisions of this Article, shall be guilty of a misdemeanor and, upon conviction, may be fined not more than one thousand dollars (\$1,000.00) or imprisoned for not more than one year, or both, in addition shall forfeit his office.”

NOW, THEREFORE, BE IT RESOLVED, that the Executive Committee of the Burlington County Municipal Joint Insurance Fund, hereby states that it has complied with the promulgation of the Local Finance Board of the State of New Jersey, dated July 30, 1968, and does hereby submit a certified copy of this resolution and the required affidavit to said Board to show evidence of said compliance.

I HEREBY CERTIFY THAT THIS IS A TRUE COPY OF A
RESOLUTION ADOPTED AT THE MEETING HELD ON JUNE 20, 2017 AT THE
HAINESPORT TOWNSHIP MUNICIPAL BUILDING, 1 HAINESPORT CENTRE,
RTE 537, HAINESPORT, NJ.

RESOLUTION 2017-

**BURLINGTON COUNTY MUNICIPAL JOINT INSURANCE FUND
TO TRANSFER TO
MUNICIPAL EXCESS LIABILITY RESIDUAL CLAIMS FUND**

WHEREAS, the Municipal Excess Liability Residual Claims Fund was organized pursuant to N.J.S.A. 40A:10-36, et seq., to provide residual risk coverage to its member joint insurance funds; and,

WHEREAS, the Executive Committee of the **Burlington County Municipal Joint Insurance Fund** determined that membership in the Residual Claims Fund is in the best interests of the member local units and joined the Residual Claims Fund in 1995.

NOW, THEREFORE, BE IT RESOLVED that the Executive Committee of the **Burlington County Municipal Joint Insurance Fund** does hereby resolve and agree to transfer the following residual risks:

<u>Fund Year</u>	<u>Lines of Coverage</u>	<u>JIF Member Fund S.I.R.</u>
2013	WC/GL/AL	\$300,000

BE IT FURTHER RESOLVED that the actual transfer of liabilities and premium to the Municipal Excess Liability Residual Claims Fund shall be based upon the following formula:

Case Reserves and IBNR as of 6/30/17
Less Net Claim Payments from 7/01/17 to the date of closure

Net claim Payments are defined as claim payments, less voids, refunds and recoveries. All voids, refunds, and recoveries received after the date of closure for the closed fund years shall be paid to the Municipal Excess Liability Residual Claims Fund as well.

This resolution was duly adopted by the Burlington County Municipal Joint Insurance Fund at a public meeting held on June 20, 2017.

BY: _____	ATTEST: _____
CHAIRPERSON	SECRETARY

BURLINGTON COUNTY MUNICIPAL JOINT INSURANCE FUND
TRANSFER OF FUNDS
RESOLUTION NO. 2017-

WHEREAS, the Burlington County Municipal Joint Insurance Fund is duly constituted as a Municipal Joint Insurance Fund pursuant to N.J.S.A. 40A:10 et seq; and

WHEREAS, the Fund's cash analysis as of March 31, 2017 indicates the need for interfund transfers as follows:

Amount	From	To
\$120,000	2016 Deductible	2016 Property

WHEREAS, there are sufficient funds in the above accounts to effect said transfers;

NOW, THEREFORE BE IT RESOLVED, that the Executive Committee of the Burlington County Municipal Joint Insurance Fund does hereby transfer the sums set forth above.

Pursuant to N.J.A.C. 11:5-2.13, a copy of this Resolution shall be forthwith sent to the Departments of Banking and Insurance and Community Affairs affording them thirty (30) days in which to object to the aforementioned transfer. If no objection is received in writing within said thirty (30) day period, the Administrator and Treasurer shall affect said transfer. The Executive Committee shall, prior to making a said transfer, complete the certification below.

Municipal Excess Liability Joint Insurance Fund

9 Campus Drive – Suite 216
Parsippany, NJ 07054
Tel (201) 881-7632
Fax (201) 881-7633

Date: June 1, 2017
To: Burlington County Municipal Joint Insurance Fund
From: Commissioner Jack
Subject: June MEL Report

Carol Byrne: Fund Chairman and Executive Director presented Carol Byrne with flowers and an engraved silver plate in appreciation of her services to the JIFs and the MEL. Executive Director said Carol has been one of the longest serving Fund Commissioners and has served as the Bergen JIF Safety Committee Chair since 1990 and the MEL's Safety & Education Committee Chair since 2009.

Year-end Financial Reports: Fund Auditor submitted and reviewed the Audit Report as of December 31, 2016 noting the Fund's statutory surplus stands at \$27,248,970. Auditor said there was one finding: one TPA did not have a Service Organization Control (SOC) Report; and a recommendation that the TPA resolve disparity between the summary and detail report. Auditor said the Fund is in excellent financial condition. Fund Auditor may make an adjustment to increase the Fund's share of the Residual Claim Fund surplus based on efforts to confirm excess workers' compensation receivable amounts.

Actuary submitted and reviewed the Valuation Report as of December 31, 2016 and said reserves decreased compared to this time last year resulting from continued improvements in workers' compensation claims experience.

Audit Committee: Committee met on March 23rd to review the Internal Audits on Claims, Reinsurance, Underwriting, Treasury & Accounting, Contracts and EDP. A summary of the Internal Audits is attached for information.

Management Committee: Committee met on April 26th. Board of Fund Commissioners accepted the Audit Committee's recommendation to include a Servicing Organization Controls (SOC II), or equivalent, in the Fund's Request for Qualifications form for Third Party Administrators.

The Fund Attorney has drafted a Liability Alert concerning outdated Municipal Sign Ordinances. Board accepted recommendation for the MEL retain special counsel to draft an updated model ordinance.

Fund Attorney said he has completed a draft of the Zoning and Planning Board training program and will be reviewing it with the Executive Director before finalizing.

Executive Director reported that the Underwriting Manager is working with QBE Specialty Insurance (carrier for POLEPL) to get a program to offer optional excess land use coverage as respects to the POL/EPL policy. Once QBE Specialty completes, a bulletin will be distributed to members.

Public Officials/Employment Practices Liability Run-off: Board of Commissioners adopted a Resolution to add claims administrator to the Fund's contract with Fund Attorney to assume the claims handling of the Public Officials/Employment Practices run-out of approximately ten open claims for a fee of \$15,000 for the period of June 1 through December 31, 2017.

Coverage Committee: Committee met on May 1st and submitted minutes of the meeting. Committee Chairman said the Committee is discussing Quasi-Municipal Entities, Shared Services Professional Liability, Certificates of Insurance wording; Valuations for Fire Department Vehicles, First Party coverage for Underground Piping; Crime Coverage for Non-Employees; Statutory Bond Underwriting Guidelines. Coverage Committee did not make any recommendations at this time.

Legislative Committee: Committee met on May 2nd and distributed minutes of that meeting. Committee Chairman said the bill the MEL supports on expanding investments opportunities has yet to be posted for a vote in the assembly.

The National Flood Insurance Program (NFIP) must be reauthorized by September. Fund Attorney has drafted the attached resolution that we have distributed to local JIFs and their members asking them to support efforts to reauthorize – which is not expected to be passed easily. AGRIP has also agreed to issue an alert to its member pools. The Board adopted a resolution to support legislative action.

Marketing Committee: Committee met on March 24th and April 28th; enclosed are the minutes of those meetings along with the Action Plan. Committee will meet again on June 8th.

Safety & Education Committee: Committee met on April 7th; enclosed are the minutes of that meeting. Chairman Landolfi appointed Commissioner Bernard Rutkowski, NJUA JIF, to succeed Carol Byrne as Safety & Education Committee Chair, who retired as of June 1st.

Board accepted the Committee's recommendation and approved of expenditure not to exceed \$8,000 to upgrade the MEL Media Library to include training in DVD formats.

Risk Management Information/Operating System: At the April 26th Management Committee meeting, the Fund Chairman was authorized to sign the Fund's contract with

Origami. Both the Statement of Work and contract negotiations have been completed and the contract has been executed. The project is now underway.

RCF Report: The RCF met just prior to the MEL meeting and adopted a resolution accepting local member transfers of Fund year 2013 liabilities. The MEL Board adopted a Resolution to transfer Fund year 2013 open liabilities to the RCF.

MEL/MRHIF Educational Seminar: 150 people attended the MEL/MRHIF Educational Seminar on April 21st. We expect to reserve the same venue for next year.

MEL Risk Management Consultant Accreditation Program: The MEL instituted a program to recognize the MEL's numerous experienced RMCs and train new staff. Forty-seven producers attended the first northern location class held on May 19th. We have 33 registered for the first southern class scheduled for June 2nd.

Request for Qualification (RFQs): Executive Director is in the process of preparing for the issuance of RFQs for professionals for the 2018-2020 contract term and will work with Fund Attorney where applicable.

2017 Financial Disclosures: Commissioners are required to complete the online filing of Financial Disclosure forms as a MEL JIF Commissioner, as well as, any municipal related positions that require filing. While the LFB has no statutory authority to extend the filing deadline, due to the delay in opening the 2017 FDS system for filers, the LFB is expected to delay enforcement of the statutory deadline until May 30, 2017. As of 5/25/17 all but two MEL Board of Fund Commissioners have completed the filing.

Claims Committee: The Claims Review Committee met in March and May and is scheduled to meet immediately following the Board meeting. Minutes of the March and May meetings are enclosed under separate cover.

Auditor	Year of Audit	Report	Observations	Risk	Detail	Management Response
Baker Tilly	2015	Reinsurance	2	Both low	<p>1. Vanguard should obtain an SOC report</p> <p>2. Management should document in detail their review of the SOC report</p>	<p>1. Management requested that Vanguard obtain an SOC report in 2016 (Subsequent to issuance of this report it was brought to Management attention that it is very cost prohibitive for Vanguard to obtain an SOC report)</p> <p>Management will document review of the report's "Opinion" and "Account Control Considerations at the User Organization" (Subsequent to issuance of this report a checklist has been prepared)</p>
Baker Tilly	2015	Underwriting	2	One Moderate One Low	<p>1. Management should separate access between staff that enters and staff that approves changes in Exigis</p> <p>2. Management should implement a formal policy/procedure regarding how to handle changes.</p>	<p>New procedure implemented 2/1/2017</p> <p>New procedure implemented 10/1/2016</p>
Baker Tilly	2016	RCF Loss review	4	Two high Two moderate	<p>1. QualCare's AS400 cannot provide data analytics to the MEL</p> <p>2. Documentation for reserve changes is not consistent from file to file.</p> <p>3. Certain High priority and high exposures claims have not been reported in an expedient manner</p> <p>4. Cases involving back fusions are prone to future reopens</p>	<p>Recommendation</p> <p>The MELJIF should consider investing in a data analytics application</p> <p>A standard listing of requirements for reserve changes should be implemented and circulated to all adjusters</p> <p>All claims with potential high exposure should be reported to the MEL as soon as reported to the TPA</p> <p>The MEL has instituted reporting priority for these claims. Also, Qual-Lynx has improved the handling of these types of claims</p>
Carr, Riggs, & Ingram	2015-2016	Informational Technology	No findings that rise to the level of significant deficiency		Subsequent to the issuance of this report, Conner Strong & Buckelew completed the testing of the contingency plan, fully documented the network and is planning a penetration test for 2017

Memo to: Burlington County Municipal Joint Insurance Fund

From: Commissioner Matchett

Re: Topics Discussed at the RCF June Meeting

Auditor and Actuary Year-End Reports: The draft Audit Report as of December 31, 2016 and Actuarial Analysis and Loss Adjustment Reserves report were presented for review.

Fund Auditor reported he is working on outstanding issue with the MEL's reinsurer Genesis that would materially improve the net position of the fund; once confirmation is received the audit will be finalized.

Mr. Grubb said excess workers' compensation payments for claims transferred to the RCF are made consistently, but can span decades until the retention limit is met and the corresponding reimbursements are issued. Mr. Grubb publicly acknowledged efforts by Cate Kiernan, Deputy Executive Director, and reported the receivables for 59 claims to be approximately \$6.9 million. Mr. Grubb said remediation is already in place since the MEL has contracted with Origami to develop a risk management/claims information system for 2018, which would have flagged this issue. In addition, Qual-Lynx's transfer to IVOS now provides reports to track these payments.

Fund Auditor referred to the Comparative Statement of Revenues, Expenses and Changes in Net Position (Exhibit B) of the audit and noted that the fund's net position improved by \$3.9 million.

Fund Auditor said is the audit noted the standard annual recommendation:

- 1) The Residual Legacy Account (Fund Years 1995-2004) and specific fund years for workers' compensation, liability, property, and faithful performance bond experienced a deficit caused by paid claims and loss reserves in excess of the projected amounts used to establish the budget.

Fund Auditor said this is an annual finding since the lines of coverage that experience deficits vary as reserves are liquidated. Fund Auditor noted that the RCF has not assessed members for these deficits and the corrective action from management is to instead monitor fund position and reserve changes quarterly.

Following the report the Board approved the draft year-end financials as presented subject to confirmation of the outstanding receivable issue, adopted resolution 9-17 and executed the group affidavit indicating that members of the Executive Committee have read the general comments section of the audit report.

Fund Actuary reviewed the Actuarial Analysis and Loss Adjustment Reserves as of December 31, 2016 and reported the total reserves stand at \$82 million with \$13 million in Incurred But Not Reserved (IBNR). No action was necessary as this report was provided for information.

Claim Transfers: Executive Director reported that all members of the RCF Fund will be asked to adopt resolutions at their June/July meetings to transfer their 2013 claim liabilities to the RCF. Assessments to local JIFs will be determined by the valuation as of June 30, 2017. The Board voted to accept local JIF transfers of fund year 2013 outstanding claim liabilities. Enclosed as part of this report is the claims transfer resolution for local funds to adopt.

2017 Fiscal Management Plan - Amendment: Executive Director reported the Fund Attorney expects to hire Kathie Tyler-Schohl to manage the remaining open POL/EPL claims as she has vast experience and knowledge of those claims prior to retiring from Qual-Lynx. Executive Director said it would be appropriate to amend Section II of 2017 Fiscal Management Plan, which noted the Claims Account signatories, to include both the Fund Attorney and Kathie Tyler-Schohl. The Board adopted resolution 10-17 amending the 2017 Fiscal Management Plan.

2017 Financial Disclosures: Executive Director reported all Commissioners & Fund Professionals completed their filings by the May 30th deadline.

Claims Committee: The Claims Review Committee met in March, May and the morning of the Commissioner's meeting. The next Claims Review Committee meeting is tentatively scheduled for July 5, 2017 at 9:00AM in Marlton and video-conference and will be confirmed. The Claims Review Committee is also scheduled to meet September 7, 2016 at 9:00AM at the Forsgate Country Club.

Next Meeting: The next meeting of the RCF will be Wednesday September 6, 2017 at 10:30 AM at the Forsgate Country Club in Jamesburg, NJ.

RESOLUTION NO. _____
OF THE
_____ JOINT INSURANCE FUND
TO TRANSFER TO
MUNICIPAL EXCESS LIABILITY RESIDUAL CLAIMS FUND

WHEREAS, the Municipal Excess Liability Residual Claims Fund was organized pursuant to N.J.S.A. 40A:10-36, et seq., to provide residual risk coverage to its member joint insurance funds; and,

WHEREAS, the Board of Fund Commissioners of the _____ **Joint Insurance Fund** determined that membership in the Residual Claims Fund is in the best interest of the member local units and joined the Residual Claims Fund.

NOW, THEREFORE, BE IT RESOLVED that the Board of Fund Commissioners of the _____ **Joint Insurance Fund** does hereby resolve and agree to transfer the following residual risks.

<u>Fund Year</u>	<u>Lines of Coverage</u>	<u>Member Fund S.I.R.</u>
2013	WC/GL/AL & PROPERTY	Varies

BE IT FURTHER RESOLVED that the actual transfer of claim liabilities to the Municipal Excess Liability Residual Claims Fund shall be based upon the following formula:

Case Reserves and IBNR as of 6/30/17

JOINT INSURANCE FUND

SUBJECT: Summary of Topics Discussed at E-JIF Meeting

AUDITOR YEAR-END REPORTS – Mr. Jones of Nisivoccia & Company reviewed the audit report as of December 31, 2016. The Auditor said the Fund is in excellent financial condition. The report contained no recommendations. Following his review of the audit, the Executive Board adopted Resolution #18-17 approving the Year-End Financials and executed the Group Affidavit.

ACTUARIAL IBNR ESTIMATES – The EJIF Actuary gave a verbal report on the actuarial IBNR estimates for the E-JIF valued as of March 31, 2017.

RFQ PROCESS- A motion was passed authorizing the Executive Director to release Requests for Qualifications for Fund Professionals for the period of January 1, 2018 through December 31, 2020.

REVISED BUDGET- The revised 2017 budget was included in the agenda. The revisions reflect members that are no longer with the local JIFs and new members added to the local JIFs for 2017. A motion was passed approving the revisions to the 2017 budget.

LEGISLATIVE AGENT RFQ - The Executive Director issued an RFQ for the position of legislative agent with a return date of March 29, 2017. There was one response received. The responding firm was Princeton Public Affairs Group. A motion was passed awarding a 1 year contract to Princeton Public Affairs Group for the position of Fund Legislative Agent.

2017 BILLINGS- The first assessment installment was sent to our member JIFs in January. The second installment billings will be distributed next month.

NEXT MEETING- The next meeting of the EJIF is scheduled for September 6, 2017 at the Forsgate CC, Jamesburg.
