### **CLAIMS REVIEW COMMITTEE MEETING REPORT – July 11, 2023**

Ms. Burger noted the minutes of the July 11, 2023 Claims Review Committee meeting were a handout at today's meeting and are self-explanatory. She then noted the Committee reviewed four (4) PARs including two (2) Workers' Compensation (*1 Police, 0 Fire, and 1 Other*); and zero (0) General Liability, zero (0) Automobile Liability, and two (2) Property claims were reviewed for settlement, continuing defense, or to advise of trial date.

Ms. Burger noted for more detail on any of these topics, please reference the minutes.

Ms. Burger asked if there were any questions. No questions were entertained.

### **EXECUTIVE DIRECTOR'S REPORT**

Mr. Forlenza reviewed the Executive Director's Report found in the agenda packet with the membership. He then highlighted the following items from the <sup>5</sup>report:

Mr. Forlenza referenced a report showing the Certificates of Insurance issued for June, and asked that members please review for accuracy.

Mr. Forlenza noted the allowance reports for the OSB, Wellness, and EPL/Cyber Risk Management Budget balances are included in the agenda. Notices were emailed to all members on February 14, 2023, in one inclusive letter, which noted your balances and how to collect the funds. The SIP Award notification was emailed to all members on April 5, 2023 which also included balances and how to collect your SIP award. He noted that all funds must be claimed or encumbered by November 30, 2023, with encumbered funds needing to be claimed by February 1, 2024.

Mr. Forlenza referenced the Statutory Bond listing in the agenda, stating that some towns may have seen retirements as of June 30<sup>th</sup>. If you wish to secure their replacement's statutory Bond through the MEL Program, please submit the application as soon as possible as there is an Underwriting process that needs to be completed as the Bond is for the individual, not the position. He also noted those towns that are up for renewal effective January 1, 2024, will receive notice from the Fund Underwriter's office that the statutory position that the MEL provides a Bond for will need to be re-underwritten. The MEL started this process a few years ago. The year a town is up for Renewal, the MEL will re-underwrite the Statutory Bonds positions, so please watch for a notice coming directly from the Fund Underwriter regarding this process.

Mr. Forlenza stated on or about May 17, 2023, a memorandum outlining the required steps necessary to remain, or come into compliance with, the MEL's EPL Risk Management Program was emailed to all Municipal Clerk's, Fund Commissioners, and Risk Management Consultants. Information pertaining to the availability of the updated policies and procedures, handbooks, required Police Command Staff and Managers and Supervisor's Training was included in the memorandum. Anyone that has questions pertaining to this Program should contact the Executive Director's Office for assistance. All members are reminded to complete the necessary steps and submit their compliance checklist by November 1, 2023.

Also, as a follow up to the May 17, 2023 MEL EPL Risk Management Program Memorandum email, Mr. Forlenza stated that on July 10, 2023 an announcement on how to access Anti-Harassment Training was emailed to all Municipal Clerks, Fund Commissioners, and Risk Management Consultants. He noted this announcement should be provided to all non-supervisory personnel (including police) and volunteers. Notifying these personnel of the availability of this training is a required element for compliance with the 2024-2025 MEL EPL Risk Management Program. Mr. Forlenza emphasized to all members that as employers they are required to notify all non-supervisory personnel (including police) and volunteers of the availability of this training; however, these personnel are not required to complete this training. All members should document and retain the process by which this notification process occurred. Anyone that has questions pertaining to this Program should contact the Executive Director's Office for assistance.

In regards to the Renewal visits, Mr. Forlenza noted either himself or Ms. Patel have been out presenting a JIF presentation to the Governing Bodies of those towns up for renewal and they have been going very well. To date, Renewal paperwork has been received in his office from Beverly City and Mr. Laurel Township. Mr. Forlenza noted members were asked to place the Renewal Resolution on the agenda of an upcoming governing body meeting and return both the approved Resolution and executed Agreement to our office by Friday, **August 18, 2023**.

In regards to the 2024 Exposure Renewal Process, Mr. Forlenza noted on or about July 20, 2023, all members and their risk managers will receive a notification that the 2024 Exposure Renewal Process will begin on or about July 25, 2023. As occurred last year, members will receive an email from Origami containing a link to the Origami renewal site. Included in the correspondence is important information pertaining to your property and equipment schedules, employee payroll information/counts, and other exposure data. In addition, the correspondence includes important information regarding coverage exclusions and limits. All members and risk managers are urged to carefully review this information prior to starting the renewal process. Anyone with questions regarding the exposure renewal process should

contact Jodi Palmeri or Tracy Forlenza. Members are asked to complete the 2024 exposure renewal process no later than Thursday, August 31, 2023.

In regards to the 2023 Property Appraisals, Mr. Forlenza stated that earlier today, members that received a physical appraisal this year were emailed a copy of their appraisal report. The reports were emailed to the Municipal Clerk and copied to their RMC and Fund Commissioner. Members are encouraged to review the report and notify the Property Appraisal if any properties were missed during the appraisal process. Any questions regarding the report can be addressed to Mel Ngayan at AssetWORKS.

Mr. Forlenza noted on or about July 11, 2023, an email was sent to all members notifying them of the availability of the 2023 Coverage Documents in Origami. The email also included instructions on how to access the Coverage Documents in Origami. It is strongly recommended that the Coverage Documents be downloaded and/or printed and kept as a long-term record by each member municipality. If you have any questions, please contact Kamini Patel or Tracy Forlenza.

Lastly, Mr. Forlenza noted that included in the agenda was a report detailing attendance records through the second quarter of the 2023 Fund Year. The attendance is taken directly from the minutes, so if you have any questions, please contact Kris Kristie.

Mr. Forlenza asked if there were any questions. No questions were entertained.

### ***SOLICITOR'S REPORT***

***MEL EPL Helpline & Authorized Contact List*** – Mr. DeWeese reminded the members to please review the attached list of authorized contacts for the *MEL Employment Practices Helpline* and be sure that who you want to have access to the Helpline are listed on this report, as calls can only be fielded from those on the list. He reminded the members that they could appoint up to **two (2)** municipal representatives who will be permitted to contact the *Helpline* attorneys with their inquiries. The appointment of the municipal representatives must be made by Resolution of the Governing Body. These authorized contacts are the only individuals permitted to access this service, so please review the list and be sure whom you would like appointed as the contacts are actually appointed. Please remember appointments can only be made via Resolution to the Executive Directors office. He noted that he is one of the attorneys on the panel so please reach out to him with any Employment Practices questions or issues.

Lastly, Mr. DeWeese reported that on June 30, 2023 Michelle DeWeese retired from her position as 1<sup>st</sup> Assistant Prosecutor at the Cape May County Prosecutor's office and has joined The DeWeese Law Firm as of July 01, 2023. He noted that Mrs. DeWeese is well versed in OPRA and subrogation matters and she will be handling these matters and other projects on behalf of the Fund.

Mr. DeWeese asked if there were any questions. No questions were entertained.

### ***SAFETY DIRECTOR'S REPORT***

Mr. Saville stated that the Safety Director's Report is included in the agenda and is self-explanatory. He then highlighted the following:

Mr. Saville noted his report included a list of the Safety Director Bulletins and Safety Announcements, including Law Enforcement messages issued during the month via the NJ MEL App and Loss Control Services, as well as the MSI Now, MSI Live, and DVD Services. As MSI Training continues to be presented through Zoom a limited number of in-person trainings is offered as part of the training expos being conducted this year. In addition to the MSI Expos, the ELDT Train the Trainer program has been offered in various locations throughout the state. These trainings are in response to the federal mandate

that requires anyone seeking a new CDL, upgrading their existing CDL, or adding endorsements must attend basic orientation before testing at the motor vehicle station. Invitations have already been sent out, so if you have employees that need a CDL, please take advantage of this program as it can save you thousands of dollars per employee.

Mr. Saville noted as always, it is recommended you review the hierarchy reports for your town in the learning management system to be sure your training is up to date.

Mr. Saville noted that group registrations are available for those with limited internet capabilities, and PEOSH considers any training more than three years old outdated.

Lastly, Mr. Saville noted the new learning management system is up and running, so if you need any assistance, please contact his office.

Mr. Saville asked if there were any questions at this time. No questions were entertained.

### ***CLAIMS ADMINISTRATOR'S REPORT***

#### ***Lessons Learned from Losses***

Mr. Roselli reviewed the Lessons Learned from Losses that focused on the importance of reporting General Liability and Automobile claims to Qual-Lynx as soon as possible. He reminded the Committee that if a Member voluntarily makes payment to a claimant, they do so at their own expense. Mr. Roselli explained that under Title 59, the Municipality is responsible to reimburse the claimant for their deductible only and that the claimant must submit a claim to their personal insurance carrier for all damages.

Mr. Roselli asked if there were any questions at this time. No questions were entertained

### ***LAW ENFORCEMENT LIABILITY CONSULTANT REPORT***

Mr. Winter reviewed his report for June that was included in the agenda noting it is mostly self-explanatory, and highlighted the following.

Mr. Winter noted that Policy and Procedure requests have been received and will be forwarded to requesting agencies that will contain current L/E best practices, NJ AG Guidelines and L/E Accreditation requirements.

Mr. Winter noted he had recent agency visits with Bordentown City PD and Palmyra PD. These visits were provided to discuss agency concerns, trends and requests. L/E RM services were outlined and provided to Chiefs and Command members present. Police agency's with Command changes will be a priority and visited as well. Mr. Winter noted in regards to the BURLCOJIF Law Enforcement Committee, a L/E Committee is being formulated with three (3) Police Chiefs to represent (JIF) police agencies in Burlington County. He will

meet with them on a quarterly basis virtually to discuss loss trends, concerns, training, policy and procedure assistance, L/E Accreditation guidance etc. This is being developed to maintain an ongoing forum throughout the year as an extension of the County Chiefs Association, to identify areas as previously mentioned and to reduce potential risks. The concept has been well received when discussed with Chiefs. Chiefs from Bordentown City and Chesterfield PD have agreed to be a representative to date. A third will be selected based on future agency visits.

Mr. Winter asked if there were any questions. No questions were entertained.

She currently has four (4) visits set up for July. Ms. Schiffer referenced a Visits Report she provides to the Executive Directors office each month. She noted her objective is to work with each town in 2023 and to lay out a plan for utilizing wellness funds to support initiatives and activities that will span throughout the entire year in order to avoid the end-of-year, one-item purchases. She continues to share ideas with all of her Wellness Coordinators on what different towns are doing in hopes it will help generate their own ideas. To date, there are only two (2) towns she has been unable to meet with: Bass River and Bordentown City.

Ms. Schiffer noted that some of the towns have formed a Wellness Committee and she has found that those towns find it opens up for more wellness ideas and wellness sharing. If your town may be interested and would like assistance in organizing a Wellness Committee, please reach out to Ms. Schiffer and she will be happy to assist.

Ms. Schiffer reviewed some wellness ideas and initiatives in hopes that towns will consider some of these ideas to utilize their funds.

Ms. Schiffer noted the next Wellness Advisory Committee is on September 19, 2023 and she will be sharing survey responses from that meeting at a future Executive Committee meeting.

Lastly, Ms. Schiffer noted this quarter's Newsletter theme focuses on Exercise and Physical activity, so please print out and distribute her newsletter to all employees. Ms. Beatty asked if there were any questions. No questions were entertained.

### ***TECHNOLOGY RISK SERVICES REPORT***

Mr. Caruso referenced his reports included in the agenda, including the WIZER testing and phishing. He noted there were 4,671 phishing emails sent with 1,053 opened and 94 clicked, for a 2.01% click rate that is good.

In regards to the vulnerability and penetration testing, the BURLCO JIF is at 100%. He also noted there is a MEL Cyber JIF Framework status report, which depicts the minimum and advanced security levels that the BURLCO JIF members will need to meet in 2024 for our Cyber Liability Insurance. He noted if you do not meet even the minimal standards, you would have a very high deductible and co-insurance. He noted there has also been posted a FAQ page, which handles the questions most received to date, and the answers to most of these questions come directly from the Fund Underwriter. A link has been set up on the [www.burlcojif.com](http://www.burlcojif.com) website for our reference.

Mr. Caruso reported the Wizer Training for the first half of 2023 is completed and the new training began earlier this month. This training must be completed 2x per year to meet the MEL Cyber guidelines requirements. The first half of the training cannot be made up. All users received a new invite, so please encourage your users to complete the training as soon as they receive the invite. He noted that now would also be a good time to review your rosters and if you have less than five (5) changes you can just send them to him via email, but if you have over five (5) he would prefer a spreadsheet that he can use to do mass imports.

Mr. Caruso stated that now that he has all of the confirmations of receipt of the Tier documentation, he would turn his attention on proper completion of these forms so that each of you will have a realistic understanding of your deductible in the unfortunate case that you have a cyber-loss. Remember, this is VERY IMPORTANT, there can be no “NO” answers on these questionnaires. They are all REQUIREMENTS for your deductible reduction. If you have any questions about a particular requirement, you can refer them to him. He also noted that your eligibility for reduced deductibles would be determined at the time of a loss, not when you turn in your form.

Finally, this month’s bulletin reviews and discusses Artificial Intelligence for Local Government including how it relates to Cyber Attacks and Data Breaches; Bias and Discrimination; Skills and Talent Gap; Lack of Standards; and Implementing AI Effectively.

Mr. Caruso asked if there were any questions. No questions were entertained.

## Should Employers Pay for Both Lawyers in the Workers' Compensation Case?

John H. Geaney July 20, 2023

When a workers' compensation case settles in the New Jersey Division of Workers' Compensation for a percentage of disability, the employer pays for its own lawyer and most of the fee of the injured worker's lawyer. New Jersey may be the only state that has this practice. Judges generally assess 60% of the legal fee of the claimant against respondent and 40% against the lawyer with the bizarre result that injured workers pay a paltry 8% of the total award for their own lawyer. Practitioners are often astonished to learn that there is no legal basis for an employer to pay for the attorney for the claimant. No statute requires this outcome and no regulation requires this.

Given that there is no legal requirement for this practice, when did this peculiar financial burden on employers begin? Attorney Richard Rubenstein of Livingston, NJ has done a great deal of research into the history of the New Jersey Workers' Compensation Act and was kind enough to share some of his research on this issue. He found cases in the 1920s in which the entire counsel fee for the petitioner was paid by the employer, provided that the case was accepted at the outset by the employer. Employers used to have a way of avoiding counsel fees, however. For many years after the New Jersey Act was passed, employers could make a settlement offer immediately prior to a hearing to defeat the entire counsel fee. That practice was successfully challenged in a 1950 decision based on due process arguments. Attorney Rubenstein first found a reference to a 60/40 split around the year 1950.

Based on Attorney Rubenstein's research, we know that judges began using discretion to assess 60% percent of the employee's counsel fee against employers as far back as 1950. The next question is why did this happen in the first place? My own guess is that this practice reflected the reality that workers' compensation rates prior to 1979 were abjectly low. Even in 1979, an award of 50% permanent partial disability amounted to only \$11,000! The major change in rates began with the 1979 Amendments. In 1980 an award of 50% permanent partial disability trebled to \$36,900. In 2023 an award of 50% permanent partial disability, by contrast, amounts to \$220,000. That is 20 times more than in 1979. Needless to say, inflation has not risen 2,000 percent in the past 43 years.

The 60/40 split is an anachronism and makes no sense today with workers' compensation rates having risen so much over the past 40 years. In 2022 alone, workers' compensation rates rose 10% in just one year! An award of 50% was \$193,800 in 2021 but one year later the same award was valued at \$213,000. One can see from the sharp rise in workers' compensation rates that the 60/40 split is no longer warranted. Furthermore, it costs employers millions of dollars every year. Injured workers can afford to pay their own counsel fees on orders approving settlement with a percentage of disability just as they already do on Section 20 settlements. There remains no legal basis for the employer to pay any portion of the petitioner's counsel fee.

This topic is highly relevant today because there is currently a bill that would raise counsel fees for workers' attorneys to 25% from 20%. If the 60/40 split remains unaddressed in New Jersey, then employers will be paying 25% more in counsel fees for the injured workers' attorney. For example, an award on a percentage basis amounting to \$50,000 will mean the counsel fee rises

from \$10,000 to \$12,500. Using a 60/40 split, the Judge of Compensation would require respondent to pay 60% of \$12,500 or \$7,500. That amounts to 25% more than \$6,000 if the counsel fee remains at 20%.

The rationale for the increase in counsel fees is that petitioner's attorneys in workers' compensation are much like their counterparts in civil litigation. Their fee is contingent on success. If there is no recovery, there is no fee. That is true. But here is where the argument falls apart. Attorneys who practice in civil litigation are permitted to charge their clients one third of the first \$750,000. Meanwhile, injured workers only pay 8% of the award on an order approving settlement in workers' compensation cases! Consider this anomaly: sometimes an injured worker has both a workers' compensation case as well as a civil third-party case. What sense does it make that the same individual pays 8% for his or her attorney in the comp case but pays one third in the civil case? In many situations, the workers' compensation case has more settlement value than the civil case. Workers are benefiting from dramatically higher rates but still paying an absurdly low percentage to their own attorneys. Workers get the benefit of the skills of their lawyers and higher awards almost every year, but employers end up footing most of the legal bill. Passage of the proposed bill raising attorneys' fees to 25% should be conditioned on petitioners paying for their own attorneys in all cases, not just Section 20 settlements. This is not 1950 or 1979. Rates have skyrocketed, and there is no compelling argument that employers need to continue to subsidize injured workers by reducing their obligations to their own lawyers.

Judges have the power to decide what portion of the petitioner's counsel fee is paid by the employer, if any, or by the injured worker. The 60/40 split is an archaic convention and nothing more. The Division should address this issue not just because employees can afford to pay their attorneys considering much higher permanency awards but also because the State needs employers. New Jersey has the highest net outmigration of residents of any state in the nation. In 2022, 64,000 more residents left New Jersey than entered New Jersey. They leave for many of the same reasons employers leave the state. Among the reasons is that Florida and a few other states (Texas and Tennessee among them) have more friendly economic environments with no state income tax. Requiring injured workers to pay most or all of the fee of their own attorneys will save employers millions of dollars every year. That may actually help the State retain employers.

## The “Silk City”

John H. Geaney July 24, 2023

It is a city conceived and created by one of the most famous Americans in history. He is perhaps even more well known today than ever following the success of the eponymous Broadway show “Hamilton” created by Lin-Manuel Miranda. Yet it is a city that surprisingly few New Jersey residents know much about. The city is Paterson, located in Passaic County and founded by none other than the great Alexander Hamilton, who decided to make Paterson the first industrial planned community in the United States. The city was named after the second Governor of the State of New Jersey, William Paterson, a lawyer and a jurist who was a signer of the US Constitution.

Many of the cities that have workers’ compensation courts have experienced tremendous economic growth in the last two decades, including Jersey City, Newark, Camden, New Brunswick and others. Paterson is a poor city. Families have half the state average annual income, but the city may be on the verge of its own renaissance. The third largest city in the state, Paterson was founded in 1792 by Alexander Hamilton. He could foresee what the Paterson Great Falls and its hydroelectric power could mean in developing much needed manufacturing in the United States. Hamilton was a visionary. He and others who founded the “Society for Establishing Useful Manufactures” (S.U.M.) were in fact prophetic. With the help of the S.U.M., Paterson did become a manufacturing powerhouse in the 19<sup>th</sup> century, manufacturing silk, locomotives, paper and firearms. It was known for decades as the leading manufacturing center in the United States for silk: hence the moniker, the “Silk City.” It fell on harder times in the mid-20<sup>th</sup> century.

As far as workers’ compensation courts go, Paterson is the only New Jersey comp court which is a few blocks from a National Park. The Paterson Great Falls is part of the National Park System, and the Falls are the second largest by volume of water east of the Mississippi. The waterfall views are simply spectacular. More and more visitors come to see the Falls, and they visit the nearby Paterson Museum which displays the industrial history of the city, Garret Mountain Reservation, Lambert Castle and the recently renovated Hinchliffe Stadium. All of these sites are close to workers’ compensation court. On one visit I made to the Falls in 2017, a bus from a private school in Lakewood, N.J. brought high school students to the Falls. I spoke with some of the students, and they were astounded that such a beautiful national park and falls were located in the center of North Jersey.

One of the strengths of the city is that it has great diversity with a large Latino community, black community, white community, and the largest Middle Eastern community in New Jersey, which is centered in South Paterson. In fact, the Mayor of Paterson is of Middle Eastern heritage. Each generation of immigrants that has settled in Paterson has left its mark over the centuries. More residents of New Jersey and visitors to the state need to know about the unique history of Paterson. They need to know about the many great Americans who lived or worked in the city, including Lou Costello, the famous comedian; Allen Ginsberg, a highly acclaimed poet raised in Paterson; Larry Dobe, who grew up in Paterson where he played high school baseball and along

with Jackie Robinson helped break the color barrier in baseball while playing in the American League; Michael Jace, a very talented actor, and William Carlos Williams, an immensely talented writer and poet who wrote the poem "Paterson," which consists of five books published between 1946 and 1958. There are many, many more famous Patersonians.

From a personal standpoint, I am rooting for the Paterson renaissance, as my mother and her family lived in the city, my sisters were all born at St. Joseph's Hospital, my father worked there for 40 years, in fact co-founding what was then the largest law firm in Passaic County located in 100 Hamilton Plaza, site of the present workers' compensation court, and my grandfather was a Superior Court Judge in Paterson.

If you have read this far, at this point you have undoubtedly begun to wonder, "*John, what does this blog have to do with workers' compensation anyway?*" Well, at first glance perhaps not much but maybe more than you might think. There are only 15 venues where workers' compensation cases are heard, and each court is located in a city or municipality with its own interesting and developing history. The Division judges, court personnel, security professionals, thousands of lawyers around the state, adjusters, translators, stenographers, petitioners, respondents and many doctors regularly work in or visit the 15 workers' compensation courts. They park their cars there, buy coffee there, make friends there, shop there, and dine in restaurants there. They may become in time part of the fabric of the communities that host the 15 workers' compensation courts in the state.

One could say that we in the world of workers' compensation play a small role individually but a larger role collectively in contributing to each of the cities and municipalities where the Division carries out its vital business. As for the City of Paterson, don't forget to put it on your bucket list.

Re: **2024 - 2025 Employment Practices Liability (EPL) Program**

**Please allow this memorandum to serve as official notice that the 2024-2025 Employment Practices Liability Program has begun.**

Every two years the MEL reviews applicable laws and regulations to update the Model Personnel Manual, Model Employee Handbook and Model Volunteer Handbook. In addition, members are asked to complete training geared towards Managers & Supervisors, Non-Supervisory Employees and Police Command Staff training. For information, we are attaching a memorandum that outlines the changes made to the current model documents.

95% of MEL members have adopted the MEL's model employment practices risk control program and are eligible for lower deductibles. These programs must be updated every two years to remain eligible.

**Please visit the MEL webpage – [www.njmel.org](http://www.njmel.org) - for downloadable copies of the revised model documents.**  
**OR**

**Click this link to the program: <https://njmel.org/insurance/public-officials/risk-management-program/>**

Members with updated loss control programs receive the standard EPL deductible of \$20,000 per claim plus a 20% co-pay capped at \$50,000 and may be eligible to buy down deductibles and co-insurance caps (See note below concerning members with adverse EPL claims experience).

To qualify for the lower deductibles, have your General Counsel or Employment Attorney complete the one-page form checking the minimum requirements for updating the plan. It is not necessary to attach any further documentation. Mail the completed form to MEL Fund Office, 9 Campus Drive, Suite 216, Parsippany, NJ 07054. (copy attached)

Members submitting the required form by **November 1, 2023** will qualify or continue to qualify for the deductible incentives. Members submitting this form after the deadline will become eligible for the deductible incentive upon approval of the application, but not retroactively.

Members without updated loss control programs will have a deductible of \$100,000 per claim plus a 20% co-pay with no cap. (See note below concerning members with adverse EPL claims experience).

**Members with adverse EPL claims experience:** Members with adverse loss experience will have a deductible of \$75,000 if they have an updated loss control plan and \$150,000 if they do not – in addition to the co-pay (as outlined above). In a few cases, the insurance carrier will establish higher deductibles for members due to exceptionally poor experience.

## Required Elements for the Incentive

1. **Employment Attorney/Advisor:** An Employment Attorney or an Employment Advisor usually provides advice concerning personnel matters. However, the member may designate its General Counsel if experienced in employment matters.
2. **Personnel Policies and Procedures Manual:** To facilitate this process, the MEL has developed a Revised Model Personnel Policies and Procedure Manual that members are free to use at their discretion. Members can adopt the model, take sections from the model and place them in their existing personnel manual, or write their own policies that cover the subjects in the model.
3. **Conscientious Employee Protection Act Notice:** This notice (in both English and Spanish) must be posted on the bulletin board and distributed to all personnel. The notice required by the NJ Department of Labor is included in the Model Personnel Policies and Procedures Manual. (copy can also be found on the MEL webpage – njmel.org)
4. **Employee Handbook:** The handbook must be updated and distributed to all personnel. To facilitate this process, the MEL has developed a Model Employee handbook that members are free to use at their discretion which can be found on the MEL webpage – njmel.org.
5. **Model Local Unit Civil Rights Resolution (municipalities only):** Adopt the model resolution which can be found on the MEL webpage – njmel.org.
6. **Managerial and Supervisory Training:** Court decisions made personnel training for managerial and supervisory "mandatory". A signed acknowledgement that the manager or supervisor has completed training within the last 12 months must be placed in the personnel files. Training is also mandatory for the Municipal Judge, the heads of volunteer emergency service organizations such as Volunteer Fire Departments, EMS units, and the heads of organizations such as Library Boards and Planning Boards, etc., that are involved in personnel matters.
  - a. The MEL has developed a Model Managers & Supervisors training program that will be available be offered as a Live Webinar through the MEL Safety Institute. You will receive directions on how to access this program from you JIF's Executive Director.
7. **Police Chief, Captains and Lieutenants Training:** Because Police Departments are involved in a high percentage of employment related litigation, Police Chiefs and at least one other command officer must complete employment-practices training that takes into consideration the Attorney General's guidelines for police operations.
  - a. J.A. Montgomery's Law Enforcement Unit has already been conducting this training program & will be scheduling more throughout the state.
8. **Training for All Other Personnel:** Court decisions also require employers to offer anti-harassment and related personnel training to all employees.
  - a. The non-supervisory training video is in the final stages. Once available, instructions to access the program will be distributed by your JIF's Executive Director.
9. **MEL EPL Helpline:** The MEL includes a helpline to its members at no additional cost. For information, we are including a copy of the helpline.

For assistance, please contact the MEL office or the office of your local JIF Executive Director.

Re: Changes to Employee Handbook and Personnel Policies and Procedures Manual

The Municipal Excess Liability Joint Insurance Fund (“MEL”) has made suggested modifications to the Model Employee Handbook and Personnel Policies and Procedures Manual (“PPPM”) for our members’ consideration. Several of the changes made were to make the related policies in the Employee Handbook and PPPM more uniform, while other revisions were made due to changes in law. Below is a brief explanation of the changes that have been made.

- Sick Leave Policy

In accordance with COVID-19-related updates to the Earned Sick Leave Law, an additional reason for which sick leave may be used was added in both the PPPM and Employee Handbook. In addition, a note was added in both the PPPM and Employee Handbook to clarify that employers may choose to require up to seven (7) days’ notice for foreseeable sick leave usage under the Earned Sick Leave Law.

- Alcohol and Drug-Free Workplace

Changes were made in the PPPM to account for the legalization of recreational cannabis, including the addition of language relating to the requirement that there be documentation of physical signs of impairment in addition to a positive drug test in order to subject an employee to adverse action. Language was also added to provide that applicants cannot be denied employment based solely on a pre-employment positive drug test for cannabis, with some listed exceptions. In the Policy Prohibitions section, cannabis was added to the portion discussing alcohol, as it would no longer fit under the illegal drugs portion that precedes it.

Language that is no longer applicable due to the legalization of cannabis was also removed throughout the policy. On the Pre-Employment Consent and Release Form, the language “for certain employment positions” was added after “Cannabinoids” because employers will no longer need to test for cannabis in pre-employment panels for most positions. In the Employee Handbook, the word “unlawful” was removed before “drugs” in order to make clear that the use of cannabis in the workplace is still prohibited.

- Domestic Violence Policy

Letter (E) under the Domestic Violence Reporting Procedures in the PPPM was removed due to it only being applicable to issues between State employees.

- Personal Day Policy

More details were added to the Personal Day Policy in the PPPM in order to match the language included in the same policy found in the Employee Handbook.

- Equal Employment Opportunity Policy and Americans with Disabilities Policy

The protected categories of pregnancy, breastfeeding and childbirth were added to make the policy uniform with the Employee Handbook policy. An additional paragraph regarding breastfeeding accommodations was also added to the Americans with Disabilities Policy to further explain necessary accommodations.

- Family and Medical Leave Policy

Language was added in the PPPM to clarify that the employer may choose to include in their policy that employees are either required to use accrued paid leave during an FMLA-covered leave or may choose to use accrued paid leave. A “utilization of paid leave” section was added to the Employee Handbook to mirror the PPPM. In addition, the Family Temporary Disability section was updated to remove the “six weeks” and “effective July 2020” language.

- New Jersey Family Leave

An additional reason that NJFLA leave may be taken was added in both the PPPM and Employee Handbook, in accordance with COVID-19 related updates to the law. Changes were also made in the PPPM Policy to reinforce and clarify that NJFLA leave may be taken consecutively, intermittently or on a reduced schedule with little restriction, and to clarify the notice requirements for intermittent leave.

- Policy for Use of Employer Vehicles (Non-Law Enforcement)

A provision regarding employees driving their own vehicles for employer business providing the employer with a copy of their current certificate of insurance was added in the PPPM in order to make this policy uniform with the Employee Handbook policy.

- Overtime

The highly-compensated employee overtime exemption was updated from \$100,000 to \$107,432 to reflect current law. In addition, language was added to clarify that the employer may choose to include in its policy that only time actually worked is considered for purposes of determining overtime compensation.

- Hours of Work

In the Employee Handbook’s Attendance and Tardiness section, a change was made to make the suggested time by which an employee must call out match the time found in the PPPM Absenteeism and Tardiness policy.

- Personnel Records

Some additions were made to the Employee Handbook policy in order to mirror the PPPM version of the policy.

The Ethical Conduct Policy and Resignation Policy found in the Employee Handbook were added to the PPPM in order to ensure every policy in the more streamlined Employee Handbook is also contained in the larger manual.

We urge you to consult with your entity's General or Labor Counsel regarding these recommended changes.

**Subject:** Managers & Supervisors – Employment Practices Liability Training

---

Beginning in June, the Atlantic County, Burlington County, and Gloucester, Salem Cumberland Counties Municipal Joint Insurance Funds are sponsoring Employment Practices Liability Training for all member Managers & Supervisors. For many years, State & Federal Courts have determined that training of Managers & Supervisors is an essential part of an affirmative defense in an employment related claim. Completion of this training is mandatory for a member municipality to be in compliance with the MEL's Employment Practices Liability Risk Management Program. Member municipalities in compliance with the Risk Management Plan are eligible for lower claim deductibles and coinsurance.

This training is being conducted virtually using Zoom by Armando Riccio, Esq. Among other subjects, this year's training will focus on harassment and discrimination in the workplace, workplace diversity issues, addressing employee complaints and discipline, workplace accommodations, your role and obligations as a supervisor or manager, and the enforcement of municipal policies and procedures.

Attached, please find a listing of the available training dates and times with a hyperlink that can be used to register for the session you wish to attend as well as instructions on how to register. Please note that each session will be the same in the materials covered and each session is limited to 100 participants. An application will be made to the Department of Community Affairs for Continuing Education Units.

**About Zoom Training:**

- A Zoom account is not needed to attend a class. Attendees can log-in and view the presentations from a laptop, smartphone, or tablet.
- Registration is required. Once registered you will receive the webinar link for your class, be sure to save the link on your calendar to access the day of training.

Thank you for your attention to this important matter.

# LESSONS LEARNED FROM LOSSES MONTHLY NEWSLETTER – SEPTEMBER 2023

# INDEMNITY AGREEMENTS

TO PROTECT AGAINST FUTURE LIABILITIES, PLEASE KEEP THE FOLLOWING IN MIND:

- Consult with your town's Solicitor.
- Consult with your RMC as they have an excellent understanding of identifying exposures and the transferring of risk.
- Check current indemnification agreements and contracts to ensure that they clearly indicate where responsibilities lies and that they have been signed by all parties.
- If your town was to be named as an additional insured in a Certificate of Insurance or Contract, confirm that the Insurer has your town named as an additional insured. Do not assume the other party carried through with the promise.
- Confirm receipt of Certificates of Insurance and keep them where they can be easily located.

Example: a private citizen tripped and fell on a wooden plank sticking out from under jersey block placed by the town as a barrier during a political rally. The claimant sustained 3 fractures and had 2 surgeries from the fall. The Hold Harmless Agreement the Member had with the event planner was not signed and the Certificates of Insurance, which would indicate what insurance coverage was in force and what dates and times the event would occur, could not be located. The claim has settled at \$380,000 and has a total footprint with expense and legal at \$435,000

### **AUGUST/SEPTEMBER ACTIVITIES & PLANNED EVENTS**

I am very pleased to say that many municipalities remained very active during the summer months! I had conversations or met in-person with several towns to discuss wellness initiatives for the coming months. All are aware of the dead line to encumber any remaining funds.

All JIF member towns were contacted inquiring about possible usage for remaining Wellness Funds. Many municipalities responded with requests or ideas for interested wellness initiatives! Great job everyone!!

#### **Member Municipality Wellness Activities:**

- **Beverly City** - in person meeting to discuss options. Looking to use a sample wellness survey to generate interest on specific ideas explored.
- **Bordentown Township** – planning a stress management event in October including meditation practices and chair massages.
- **Chesterfield** – also planning a stress management event in October including meditation practices and chair massages.
- **Edgewater Park** – purchased brain puzzles and de-stress fun items for employee break room
- **Florence** – working on transitioning role of Wellness Coordinator due to end of November retirement. Planning to keep the Wellness Committee going next year! Plan to attend their next Safety/Wellness meeting in November.
- **Hainesport** – Food Bank of SJ presented and prepared a sample dish to taste.
- **Lumberton** – planning chair massages for later part of the year.
- **Palmyra** – looking to start either a wellness book club or wellness library stocked with health promoting materials
- **Pemberton Twp** – planning to attend their September Safety Committee Meeting
- **Riverside** – working in conjunction with their insurance broker on possible resources for their wellness funds.
- **Shamong** – Offering employees GC for an outdoor pro shop promoting a "get outdoors" challenge for the fall.
- **Springfield** – planning to attend their September Safety Committee Meeting
- **Southampton** – Chair massages planned for September
- **Tabernacles** – offered a hydration challenge in August and have a stress management event with chair massages lined up for September.

*Only two member towns remain to meet with this year: Bass River and Bordentown City*

I continue to share ideas with all of my Wellness Coordinators of what different towns are doing that may help them with generating their own ideas (or copying!)

#### **Targeting Wellness Newsletter:**

This quarter's theme will be focusing on Sleep. The newsletter was distributed in July. August I sent information on how Obesity and Sleep are connected. September I will focus on Sleep and Inflammation of the body. Please be sure to print or distribute all handouts to all of your employees. As always, if you have any questions, comments or suggestions, please do not hesitate to reach out to me.

Here is a reminder of the planned themes for 2023:

Quarter 1 – Nutrition

Quarter 2 – Physical Activity/Movement

**Quarter 3 – Sleep**

Quarter 4 – Stress Management

Next **Wellness Advisory Committee (WAC) Meeting** scheduled for September 19<sup>th</sup> at 9:30am.

### Managed Care Quick Notes

50 Year Old EMT with multiple comorbidities (obesity, high blood pressure, high cholesterol)  
Injured January 2023

While lifting a patient the claimant felt a pop in his left upper arm. At his initial evaluation he was diagnosed with a labral tear of long head left biceps tendon. An MR arthrogram was ordered resulting in assignment of NCM. The MRA confirmed the initial diagnosis and a corticosteroid injection was done at the follow up visit and physical therapy was ordered. It was noted that this is an acute aggravation of a pre-existing chronic shoulder injury. The claimant remained working transitional duty since the date of the injury. At the next follow up visit more aggressive physical therapy was ordered. The NCM sent the new instructions to the physical therapy provider. The treating doctor noted that it is difficult to assess the new damage from the old and recommended a surgical consult. He noted that his outcome from surgical intervention may not significantly improve his range of motion, strength or discomfort. He will be at risk for repeat injuries due to his work.

The surgical consult cleared him for full duty and indicated the issue with the shoulder is chronic. However, he was referred for treatment of the cervical spine. The NCM contacted the doctor to address causality since there was no complaints of cervical spine since the DOL. The NCM and adjuster reviewed the notes and denied treatment of the spine. The claim was discussed at a large loss meeting and with our defense panel. After further review and discussion, treatment of the spine was authorized. However, due to the diagnostic testing of the cervical spine, an EMG of the upper extremities was ordered which did not show evidence of cervical radiculopathy or brachial plexopathy. The claimant returned to the orthopedic doctor who recommended surgery on the shoulder. The quickest available surgery date was at an out of network surgery center. We were able to negotiate with the surgery center to accept our in network rates. The surgery took place on 8/3/23. Post op physical therapy was arranged by the NCM prior to the surgery. The claimant is progressing well post-surgery and transitional duty is anticipated at the next visit.

## Monthly Executive Report

September 7, 2023

### Summary

July's activities were devoted to cleaning up the final stragglers for vulnerability and pentesting. We are pleased to report that we are 100% on board with the members who have expressed a desire to participate. This means all of the VSA and KYC forms have been completed and associated IP addresses recorded. Most members have static IP addresses which means they are assigned to you permanently. Some municipalities have dynamic addresses which means they can change after a reboot of the connection. Ordinarily this is not an issue as it does not affect the ability to use the internet, however for D2 to do proper vulnerability and penetration testing they need to know where to "find" you. Hence they are setting up a tickler system to have those members with dynamics verify addresses periodically. More to follow on that, and you will plenty of warning from the JIF, as this is sensitive information which should not be indiscriminately disseminated.

Also started in July was the new Wizer Hygiene training sessions. We are pleased to see that some of the members have already 100% completion of training. Much of August was spent handling roster changes to assure we have cooperation from all of the users. We would like to see all members completely trained by 9/30/23 so that we can turn our focus on the CyberFramework documentation. Also there are some members who are not getting probing emails due to failure to confirm whitelisting. Our mission this month is to clear that up so that all of this training can be put to the test.

Some of you have already submitted Minimum and Advanced CyberFramework paperwork. These have been forwarded to the Fund Underwriter for final approval. Rejected submittals are usually due to insufficient answers to some of the questions. VERY IMPORTANT "No" answers are immediately rejected. If a particular question does not apply to your municipality such "remote access" then mark it as "N/A we do not have remote access".

We have an up-to-date FAQ page which you can reach from your JIF website. More clarifications are due from the MEL, which we will publish as soon as we get the proper clearance. I have several appointments to meet with some of you and your IT techs to go over any issues and misunderstandings which I welcome.

Please call me or have your techs call me, I am always available to answer questions.

This month's bulletin addresses the handling of Personal Identification Information (PII). Some of you have indicated that you have indicated on your CyberFramework paperwork that you do not retain this information electronically, which is great. However things as simple as a PDF attachment in an email may contain PII so please pay close attention to what you collect, who collects it, where is it kept and what have you done to protect it.

This could have been done in an email. This should also be sent out to elderly every year and they should have to take this quiz and training.	3	29 July 2023
Very good information and presentation	4	26 July 2023
I was just so entertained I think that I'm going to redo this right away. I love this course I've in fact never had more fun in my life. Time to watch the Barbie movie for the 5th time in the last 24 hours I love the Barbie movie. I love the part when Barbie is on screen that was my favorite part. Good thing that's most of the movie. My second favorite part is when Ken was on screen which is also most of the movie. The only better thing is when Barbie and Ken were on the screen TOGETHER. I went crazy in the theater all 4 times I saw the movie when I saw them on screen together. #Primal #Feral #TheGoodWitch	5	22 July 2023

## Cyber Security Bulletin September 2023

### Proper Handling of PII for Local Government

Personal Identifiable Information (PII) refers to any data that can be used to identify a specific individual, including, but not limited to, name, social security number, address, and phone number. For local governments, safeguarding the privacy of its citizens and maintaining trust is paramount. Ensuring that PII is correctly managed is not just a matter of trust, but also of regulatory and legal compliance.

#### 1. Understanding PII in the context of Local Government

Local governments possess vast amounts of PII due to their need to serve and communicate with citizens, manage public services, and maintain records. This data can range from birth certificates, land ownership documents, voting records, to data collected from public service applications.

#### 2. Best Practices for Handling PII

- Data Minimization: Collect only the PII necessary to fulfill specific operational needs. Once the data is no longer required, it should be securely destroyed or anonymized.
- Access Control: Ensure that only authorized personnel can access PII. Implement robust user authentication methods, such as multi-factor authentication, to add an extra layer of security.
- Encryption: Always store PII in encrypted form. This makes the data unreadable to anyone who might gain unauthorized access.
- Regular Audits: Schedule periodic reviews of data storage systems and practices to identify any vulnerabilities. This also helps to ensure that old data that's no longer needed gets appropriately destroyed.
- Training: All employees should receive training on the importance of PII protection, as well as the tools and practices in place to protect it.
- Data Sharing Protocols: If PII needs to be shared with another entity, make sure there are protocols in place that dictate how the data is transferred and how the receiving party will protect it.

#### 3. Incident Response Plan

Despite all precautions, data breaches can still happen. Local governments must have an incident response plan in place to act quickly if PII is compromised. This plan should include steps for identifying the breach, containing the impact, notifying affected individuals, and preventing future occurrences.

#### **4. Legal and Regulatory Compliance**

PII protection is not only about trust but also about compliance. There are various laws and regulations in place, which may differ depending on the jurisdiction, that dictate how PII should be handled and protected. Local governments should be familiar with these laws and ensure all practices are in compliance.

#### **5. Transparency with the Public**

Local governments should be transparent about how they collect, store, and use PII. This can be achieved through clear privacy policies and regular communication with the public. Citizens have the right to know how their data is being used and what measures are in place to protect it.

#### **For Further Information:**

1. [National Institute of Standards and Technology (NIST) - Guidelines for Protecting PII]

(<https://nvlpubs.nist.gov/nistpubs/Legacy/SP/nistspecialpublication800-122.pdf>): This guide provides in-depth information on defining and handling PII, based on best practices and standards set by NIST.

Mr. Forlenza directed the Committee to pages 1-8 of the agenda packet which depicts the JIF Six Year Average Loss Ratio Reports valued as of June 30, 2023. The report reflects a six-year period for Fund Years 2017-2022. Mr. Forlenza noted that the six-year average loss ratio for the BURLCO JIF is 89.2%. He noted that the loss ratios reflect incurred losses, which is money paid on known claims and the reserve to be paid on the known claims versus the members' JIF loss funding assessment within the JIF's self-insured retention. Mr. Forlenza briefly reviewed the individual Fund Year loss ratios for 2017-2022 with the Committee. Mr. Forlenza also said these reports have been available through Origami since August 10, 2023 for members.

Mr. Forlenza directed the Committee to a copy of the *MEL Six Year Average Loss Ratio* reports valued as of June 30, 2023. The report reflects a six-year period for Fund Years 2017-2022. Mr. Forlenza noted that the six-year average loss ratio for the BURLCO JIF is 88.6% as of June 30, 2023. He noted that this information pertains to member claims that exceed the Fund's Self Insured Retention (SIR) where the MEL picks up the claim cost after the local JIF exhausts its retention on a claim. Mr. Forlenza briefly reviewed the individual Fund Year loss ratios for 2017-2022 with the Committee.

Mr. Forlenza advised the Committee that Loss Ratio Snapshots are in Origami and available for you through that portal. He noted that all Members and Risk Management Consultants should review the information for accuracy and any discrepancies, questions and concerns, should be brought to the Executive Director's or Qual-Lynx's attention.

Mr. Forlenza asked if there were any questions. No questions were entertained.

**VII. EXECUTIVE DIRECTOR – MONITORING REPORTS**

Ms. Patel referred the Committee to page 17, which reflects the Supervisor Investigation Reports received for July. She reported that there were two (2) claims where a Supervisor Incident Report was not provided in July. She noted there were eleven (11) cases that generated the creation of a Supervisor Incident Report.

Ms. Patel noted that these reports are shared with J. A. Montgomery for them to use for training opportunities when visiting member towns.

***Police MVA: Workers Compensation Claims:***

Ms. Patel directed the Committee to page 18 of the agenda that depicts Workers Compensation claims for police officers involved in an automobile accident. She briefly reviewed the report highlighting that five (5) claims have a total incurred of \$29,897.66.

The first session took place on April 19, 2023; the second session was held on July 11, 2023, and a final session, which is scheduled for October 19, 2023.

Mr. Saville noted the third regional training will be on Indoor Air Quality (IAQ) and will take place in the 3<sup>rd</sup>/4<sup>th</sup> Quarter of 2023. He stated that the IAQ requires employers to designate and train a staff member to act as the Designated Person, and this training will satisfy their requirement. Mr. Saville stated that his office has written the program and they are going to provide the training in-house in two (2) sessions. The first session will be on September 15, 2023, and the second session on December 04, 2023.

Mr. Forlenza asked about the status of the Back Safety training specifically handling of an emergency patient transports also known as Stryker. Mr. Saville reported that the training is currently in the development phase and will keep the Committee informed about progress and training opportunities either through the MSI platform or in-person. **XII. POLICE TOPICS**

In Mr. Hummel's absence, Ms. Patel shared that he is looking to hold the second Police Ad-Hoc meeting for the BURLCO JIF in early December.

**XIII. LAW ENFORCEMENT CONSULTANT**

In Mr. Winter's absence, Mr. Forlenza directed the Committee to 35-36 of the agenda packet where he went over a new course on report writing. This course will take place in person on October 27, 2023 at the Burlington County Emergency Services Training Center in Westampton. He explained many times, the reports from the Police Officers at the same incident vary on what transpired which can create a challenge for the Defense Attorney representing the municipality and/or the Officer in a police related claim.

A Committee Member contributed to the discussion by emphasizing the significance of thorough report writing to ensure clear communication and avoid any potential misunderstands.

Mr. Forlenza wanted to address some confusion about Mr. Hummel and Mr. Winter's roles moving forward. He mentioned that a meeting was held recently with Mr. Hummel, Mr. Garish, Mr. Winter Ms. Patel, and himself to address the concerns regarding the confusion associated with their respective roles within the JIF. During the meeting, they had a productive discussion about their respective roles and responsibilities in regards to law enforcement issues. Currently, they are actively working on clarifying these roles to avoid any confusion in the future.

**XIV. PEOSHA ADVISORY COMMITTEE UPDATES**

Mr. Saville advised the Committee that PEOSHA reported a rise in the number of consulting visits that are being completed. Mr. Saville is hopeful that the increase in consulting visits is a direct result of the Safety Director's encouragement for members to request this type of visit to avoid potential violations in the future. He noted during these consultative visits the PEOSHA Consultant offers guidance and does not penalties. He stressed if problems are identified, Consultants are encouraging rectification rather than imposing fines. He stated that opting for these voluntary consultative visits can lead to a year without enforcement visits. Mr. Saville mentioned you can contact PEOSHA to arrange an assessment of your facility and records, providing insight without the immediate threat of citations.

Mr. Saville advised the Committee that PEOSHA Consultants are restricted from contacting the enforcement division, which means that unless something is potentially life-threatening, they can't report their findings and are required to maintain confidentiality. He mentioned that a citation or penalty have a lasting impact, staying on the record for about 10 years. He went on to say receiving similar citations again can elevate them from serious violations to willful violations, resulting in much higher penalties.

Mr. Saville directed the Committee's attention to pages 41 of the agenda packet. He then explained the Most Frequently Cited violations, allowing the Committee to see exactly what PEOSHA are looking for when they visit. In conclusion, he suggested that if a member is interested in receiving a consultative visit, please contact PEOSHA who will be more than happy to pay them a visit.

**XV. MEL SAFETY & EDUCATION COMMITTEE MEETINGS**

Mr. Saville noted the MEL Safety & Education Committee meeting minutes from May 12, 2023 are on pages 44-49 of the agenda packet. He noted that the August 11, 2023 meeting minutes are still pending. Mr. Forlenza stated these meeting minutes are provided to make the members aware of the activities and initiatives undertaken by the MEL around the State.

Mr. Saville noted that the next MEL Safety & Education Meeting is scheduled for October 27, 2023.

**XVI. WELLNESS INITIATIVE**

Ms. Schiffer stated that she visited almost all of the towns this year, except for two. She mentioned that she had either met with the Wellness Coordinator or attended safety meetings during her visits. She also noted that a lot of towns have yet to utilize their Wellness funds and reminded everyone that the deadline to claim or encumber these funds is November 30, 2023.

Ms. Schiffer talked about how some members stayed active during this summer by participating in stress management programs, such as chair massage, Reiki, chair yoga, and stretching classes. Ms. Schiffer highlighted one town has started to promote wellness to their police staff and another town has started a book club. Additionally, she stated that it's possible to use your wellness funds to support the stocking of a wellness library.

Ms. Schiffer made it known that she is always willing to engage in conversation if there's a particular subject of interest or you require her assistance with your wellness initiative.

**Wellness Advisory Committee Report**

Ms. Schiffer mentioned the next Wellness Advisory Committee will be September 19, 2023. Ms. Schiffer is hopeful to have one more brainstorming session in October for the Wellness Coordinators. She noted that this is a very positive session generating new ideas and needed peer support.

**Quarterly Newsletter**

Ms. Schiffer advised the Committee this quarter, the focus will be on sleep. In August, Ms. Schiffer sent out information on how sleep impacts weight gain and weight loss. In September, she will provide information on how sleep correlates with inflammation. Ms. Schiffer noted the fourth quarter will be focused on stress management.

**Transformational Leadership Program**

In addition, Ms. Schiffer updated the Committee that there are nine (9) open spots for the Transformational Leadership program with Dr. Elias. Any member interested in participating in this program should contact Ms. Schiffer.

Ms. Schiffer then mentioned that Dr. Elias proposed conducting a half day training in NJ this October, for any patrol officers who have was unable to attend the previously provided training due to scheduling conflict. Ms. Schiffer noted there is a \$475.00 fee for this session, which your town is responsible for, as this training was not preapproved by the JIF. Dr. Elias will also be speaking at some local meetings and is currently developing a new app for the program available sometime early next year.

Furthermore, Dr. Elias will be introducing a new Ever Green Group Coaching program for those who have completed the initial training. This program will take place over a 12-month period and offer training sessions at a reduced rate.

Ms. Schiffer asked if there were any questions. No questions were entertained.

***XVII. REVISED WELLNESS PROGRAM***

Mr. Forlenza noted that Ms. Schiffer , Ms. Simone and the Executive Director's office have been actively working on enhancing the Wellness Program. The draft version of the revised program was reviewed by the Wellness Advisory Committee, and then a meeting was held with the Chairs of ACM, BURLCO and TRICO JIFs Executive Safety Committee and Claims Committee to discuss the proposed program. Mr. Forlenza mentioned that the meeting was open and honest, but unfortunately, employees seemed hesitant to participate in the Wellness Program. He stated that they are currently regrouping and are discussing with Mr. Garish and Mr. Hummel to create a more detailed Safety Program that integrates more elements of the Wellness Program. He mentioned this is vital as it affects the likelihood and severity of workplace injuries, as well as the duration of time that employees may need to take off work due to these injuries.

Mr. Forlenza expressed his concerns about not addresses an issue once it has been identified and the need to revise the Wellness Program to make it more obtainable for the membership. A discussion ensued regarding the importance of addresses issues once identified, increasing employee engagement and the significance of utilizing appropriate footwear in preventing workplace injuries.

Mr. Forlenza asked if there were any questions. No questions were entertained.

***XVIII. OPTIONAL SAFETY BUDGET***

Mr. Forlenza directed the Committee to a copy of the 2023 Optional Safety Budget Balance spreadsheet in the agenda packet on page 51. **2023 SECOND QUARTER  
SAFETY DIRECTOR'S REPORT**

**A. GENERAL DUTIES – EXECUTIVE SUMMARY**

The Second Quarter Safety Director's Report covers service activities from April through June of 2023. The 2023 Safety Director's contract calls for a minimum of 67 Loss Control Visits to the 28 members of the Burlington County Municipal Joint Insurance Fund.

Service visits will include but are not limited to physical facility surveys, playground inspections, seasonal operations, job safety observations, Safety Committee meetings, special training requests, PEOSH violation remediation assistance, virtual / teleconference surveys, Law Enforcement Surveys, and other services requested by the membership.

Ten members will be reviewed for renewal in 2023, including Bass River, Beverly City, Florence, Hainesport, Mount Laurel, North Hanover, Palmyra, Shamong, Springfield, and Woodland Township. During the surveys, all municipal operations are reviewed. Buildings more than 50 + years old or of significant value are visited. The following elements are reviewed: SIP participation, Suggestions for Improvement, any unusual exposures, and comments on their loss metrics.

Right to Know Inventory and Labeling Surveys for 2023 have begun. Members have or will be receiving the electronic distribution of their 2022 Central File for surveys conducted in 2022. All members must submit their 2022 RTK surveys by July 15, 2023.

The J. A. Montgomery, Risk Control Team, consists of our Safety Director, Chief Keith Hummel (Ret.), and Loss Control Consultants, John Saville, Robert Garish, and Thomas Reilly. We will be your primary contact for all Loss Control / Safety related services. Keith is also available to provide Law Enforcement Risk Control Consultation Services as requested by the Joint Insurance Fund. The team is administratively supported by Melissa Meccariello. Training support is administered by the MSI Learning Management System staff, Susan Kopec, Andrea Felip, and Natalie Dougherty.

## 1. Executive Safety Committee

The Safety Committee will meet four (4) times in 2023. The Safety Director and staff will continue to attend Safety Committee meetings to help establish local safety programs and assist in the effectiveness of the overall safety program. The Safety Director reviews quarterly loss metrics (LTAF Rate, Loss Ratio Reports), training participation, and SIP involvement.

Any member who shows deterioration in their results is brought to the attention of the Executive Safety Committee. We are happy to report that no members of the BURLCO JIF are on Safety Monitoring or Intervention currently.

## 2. Participation in Claims Process / Accident Investigation

Personnel from the Safety Director's Office attend the monthly Fund Claims Committee meetings and are available to offer technical and safety-related insight into claims under review. The Safety Director's Office is also available to conduct accident investigations related to claims against the Fund. The Safety Director's Office will collaborate with the Third-Party Administrator to help identify loss trends from claims to better focus on certain areas when needed.

## 3. Written Compliance Programs / Bulletin Updates

The Safety Director's Office has produced model safety plans to address regulatory compliance issues. These programs are available on the following website: [NJ MEL Resource Center](#) along with the BURLCO JIF website [BURLCO JIF Website](#). Our office has changed the way communications will be sent to members. All MSI communications will be distributed exclusively through the NJ MEL app and an MSI Newsletter will be emailed to summarize the communications sent through the app 2x a month. A listing of all Notices and Bulletins distributed during the prior month is listed in the Safety Director's Report of the monthly agenda packet. There are over 130 available Safety Director's Bulletins covering various topics under Administration, Public Works / Public Authorities, Law Enforcement, Fire / Rescue, and Recreation. The Safety Director's Office continues to send out information / resources on COVID-19, Monkeypox, and other real-time public health information.

## B. PROGRAMS

### 1. Safety Incentive Program (SIP)

The theme for the Safety Incentive Program is a “ZERO-HARM WORKPLACE.” The presence of safety versus the absence of safety. By changing the way, we approach safety, we focus on avoiding Risk rather than relying on the lack of injury to determine how well our safety programs are working.

When we describe Zero Harm vs. Zero Incident, we must start by identifying Risk and avoiding the hazards through controls.

We avoid Risk when we Plan to reduce or eliminate hazards wherever we can. We Do what is necessary to eliminate hazards each time. We Check to ensure it is being done and Act by following through with our plan.

Elements of the 2023 Safety Incentive Program include but are not limited to:

- Uniform program. See the 2023 Safety Incentive Program (SIP) for additional details.
- Submit the 2023 Safety Committee meeting dates (2/24/2023) and return the 2023 Safety Contract (3/24/2023).
- Send a delegate to the Safety Kickoff Breakfast (3/16/2023).
- Each member is required to send a delegate to the Safety Coordinator / Claims Coordinator / Wellness Coordinator Roundtable, which will be held on (4/25/2023) via Zoom (Virtual).
- Each member is required to send a delegate to at least one half-day session of the Annual Planning Retreat (4/18/2023).
- Members will hold at a minimum quarterly Safety Committee meeting.
- Member towns are expected to participate in all aspects of the program. Safety records are kept at the workplace and maintained by the Safety Coordinator. Once or twice a year, the safety records will be reviewed onsite by the JIF Safety Consultants.
- Activities in the safety program are grouped into the “six (6) C’s”, Commitment, Controlling Hazards, Continuing Education, Communication, Coaching, and Claims Management. See *Best Practices of 2023 SIP*.
- JIF Safety Consultants are required to review program records. Safety Coordinators are encouraged to maintain these program records in a centrally located file. The file should contain the member's Safety Committee Minutes, Hazard Inspections, Training Records, Job Safety Observations, and any other documentation to objectively evaluate the member's program efforts. Maintenance of this file will ensure that the member receives full credit for their actions.
- During onsite record checks, all elements of the program will be reviewed. We will work with members to secure a commitment of participation for areas found to be lacking during the review. Written documentation is expected to be available for review (Safety Committee Minutes, hazard inspections, training records, job safety observations, roadway, signs, walkway logs, etc.).

- All safety elements are scored equally, and full participation requires activity and a significant demonstration of commitment in all aspects of the program to qualify for a Safety Incentive Award.
- Members will either qualify or not qualify (Pass or Fail) for a Safety Incentive Award. There are no qualification tiers.

## 2. Road, Sign, and Walkway Program

The Road, Sign, and Walkway program is posted to the JIF website and includes written guidelines to help minimize incidents and reduce litigation costs. It's important to emphasize the need for this program as one of the key components in protecting Title 59 Immunities. Good inspection reports are often successfully used to help defend liability cases.

## 3. Law Enforcement Services

**Police Ad Hoc Committee meetings** are held regularly throughout the year, depending on the need. Joint meetings with Atlantic, BURLCO, and TRICO JIFs allow for representation by agencies of various sizes to present and discuss Risk Management issues of interest to the members.

**Chief Hummel (Ret.) will provide Law Enforcement Consultative Visits** to multiple agencies within the BURLCO JIF in 2023. The goal of these meetings is to provide an in-depth review of services and identify members' needs and requests. Special attention is directed to members with changes to their Command Staff. The Safety Director's Office will continue to build strong relationships with the Law Enforcement community.

**Law Enforcement Training and Memorandums** are distributed electronically and are listed in the monthly Fund Agenda packet and posted to the JIF website. The following memorandums were sent out in 2023 as of this report:

Courses are SCORM compliant and designed to stand alone with minimal instructor participation. - Clearing the Intersection (Advanced)
- Intersection Departure
- Distracted Driving for First Responders

**Attention and Distracted Driving** - Distracted driving is emerging as a major cause of work-related vehicle accidents. This online driver simulation program provides targeted and convenient safe driving training for all fleet drivers, regardless of vehicle type. The course is SCORM compliant and designed to function independently with basic instructor participation in a brief 20-30-minute lesson. This course includes:

A "Training Needs Assessment Guide" is available to the membership on the BURLCO JIF / MEL websites. This "YES/NO Guide" is designed to assist members with determining safety training for each employee under various PEOSH and OSHA Standards and other occupational safety regulations.

Each MSI class has YES/NO questions concerning the duties or exposures that should be considered for each employee. A YES answer to a question would indicate some level of training or education on the topic is needed for that employee. Employers should consider MSI LIVE classes as an option to provide the training identified from using the guide. [MSI Training Needs Assessment Guide](#)

Training Administrators are an essential link for members to access the MSI Learning Management System. Administrators can run reports, register users, and update training records. All members are encouraged to check the accuracy of the Training Administrator list via the MEL Safety Institute.

MEL Safety Institute tutorials are available for both "User" and "Administrator" level capabilities through the MSI. Users can contact the MEL Helpline Monday – Friday 8:30 AM – 5:00 PM (866) 661-5120 if they need further assistance.

**RESOLUTION NO. 2023 -**

**RESOLUTION OF THE EXECUTIVE COMMITTEE  
OF THE BURLINGTON COUNTY MUNICIPAL JOINT INSURANCE FUND  
AUTHORIZING REFUND OF CLOSED YEAR ACCOUNTS (2010-2018) SURPLUS**

**WHEREAS**, N.J.A.C. 11:15-2.21 provides that a municipal joint insurance fund may seek approval from the Commissioner of Banking and Insurance for a refund of excess monies from any fund year upon compliance with certain requirements; and

**WHEREAS**, the Burlington County Municipal Joint Insurance Fund, hereinafter referred to as "FUND" has obtained a calculation from its Actuary and Executive Director as to the amount of money which is available for distribution consistent with the aforementioned regulations and the financial integrity of the FUND; and

**WHEREAS**, the Executive Committee of the FUND has determined that it would be in the best interest of the FUND and its member municipalities to make certain refunds;

**NOW, THEREFORE, BE IT RESOLVED** by the Executive Committee of the FUND, as follows:

1. Section B of N.J.A.C. 11:15-2.21 provides that the FUND may seek approval for refunds from any claim fund that has been completed for not less than twenty-four months. Based upon this requirement, and the closure of Fund years **2010 through 2018**, surplus monies in Closed Year Accounts are eligible for refunds at the discretion of the FUND, the Department of Banking and Insurance and the Department of Community Affairs.
2. The Executive Committee has balanced the interests of the member municipalities in obtaining the benefit of such monies as are available for refund against the need for the FUND to protect and preserve its financial integrity. Because the reserve figures and the IBNR figures utilized by the FUND's actuary are conservative, and because the Department of Banking and Insurance and the state regulations require a thirty-five percent margin of error, and since the Fund transferred its liabilities to the Residual Claims Fund, it is the conclusion of the Executive Committee that **\$700,000** representing closed years surplus can be refunded at this time.
3. The Executive Director is, therefore, authorized and directed to submit such documents as the regulations require to the Departments of Banking and Insurance and Community Affairs for the approval of the refunds in the amounts set forth above.

4. This authorization is based upon the Fund's annual certified audit as of **December 31, 2022**. The aforementioned refund monies shall be allocated, as required and necessary, from the various loss and contingency funds for the respective years, all in accordance with the Actuary's analysis of available monies.
5. The FUND's Treasurer is authorized to prepare and execute checks for the pro-rated amount of the aforementioned refunds due to each member municipalities for the year in question, upon receipt of written documentation of approval or acquiescence of these refunds from the Departments of Banking and Insurance and Community Affairs. Said refunds shall be made to the municipalities that were members of the FUND for the years in question in the same ratio as said municipalities were assessed for the years in question.

These minutes may not represent the order in which some items were discussed.

***I. Minutes of the March 21, 2023 Meeting***

Mr. Forlenza stated that a copy of the March 21, 2023 Strategic Planning Committee Minutes were emailed to all Committee members along with the notice for today’s meeting on July 18, 2023. They were also reviewed at the July 18, 2023 Executive Committee Meeting.

***II. Membership Renewals***

Mr. Forlenza stated that for a number of years, his office has been reaching out to those members up for Renewal that year to inquire if they are interested in a “Renewal Visit Presentation” to their Governing Body at one of their meetings. This is an opportunity for a representative from the Executive Director’s office to talk directly to the decision makers in the municipality and discuss with them how the JIF is doing, the programs offered, and all the resources that are available to them as members of the Fund.

Mr. Forlenza stated that overall the visits are going well; however, some elected officials in some towns have questioned budget increases over the past two years as the members have become used to small changes in their assessments year over year. He further explained to the Committee that there are various factors affecting the JIF budget, one of which is the difficult worldwide insurance market. Mr. Forlenza stated that this is having an exaggerated impact on the BURLCO JIF since more than 40% of the JIF’s budget is attributable to excess and reinsurance insurance. Mr. Forlenza also pointed out that property coverage is currently the biggest issue that insurance companies are dealing with, due to weather-related events such as hurricanes, droughts, and flooding. Mr. Hornickel asked if Cyber insurance were attributing to the budget increase. Mr. Forlenza stated

that Cyber is an overall small portion of the JIF Budget and is less of an issue now that BURLCO is a member of the Cyber JIF.

Regarding the membership report cards, Mr. Forlenza revealed that he brings a copy of their report to the town during his renewal visit. For towns that are not up for renewal this year, they will receive their report cards later this fall.

### ***III. Membership Growth – Prospects for 2024***

Mr. Forlenza stated there are no current prospects for 2024, though Mt. Holly, Cinnaminson, and Easthampton are always on his radar. He noted he is not sure where these towns are in their current 3-year cycle with their current insurer, but as some have made applications to the BURLCO JIF in prior years, he will be sure to monitor their membership in their current programs.

### ***IV. 2023 Conferences***

Mr. Forlenza stated that the AGRiP Fall Conference would be held October 1-3, 2023 in Salt Lake City, UT. Currently, there are no Fund Commissioners attending this Conference. He further noted that no representatives from the BURLCO JIF attended the PRIMA Conference this past June. Mr. Forlenza reiterated how informational these conferences are and the BURLCO JIF has budgeted for members to attend these conferences.

Mr. Forlenza shared that AGRiP has made changes to their annual conference format. They continue to host three conferences annually, with the AGRiP Governance Conference taking place in the spring, the AGRiP Executive Directors Conference usually in August, and the AGRiP Staff Conference in the fall. Due to the change in conference format, Fund Commissioners will only want to attend the Spring Governance Conference as it is geared toward their role with the JIF.

Mr. Forlenza brought up the dates for the upcoming 2024 Conferences. The AGRiP Governance Conference will be taking place from March 3-6, 2024 in Nashville, TN and the PRIMA Conference is scheduled for June 6-9, 2024 in Nashville, TN.

### ***V. 2024 Executive Committee Meeting Time/Format/Location***

Mr. Forlenza reminded the Committee that the 2023 Executive Committee Meeting Schedule incorporates the use of both virtual and in person meetings. He noted that there will be five (5) virtual meetings held via Zoom Conferencing (February, March, May, September, and November) and six (6) in-person meetings (January, April, June, July, October and December) at the Hainesport Municipal building. Mr. Forlenza asked if the hybrid format was working well for the Committee. All members expressed their approval for continuing the hybrid format in the coming year. Mr. Forlenza then referenced a proposed 2024 Executive Committee schedule included in the agenda packet for the Committee's review. He noted that this schedule would be approved at the JIF's 2024 Reorganization meeting in January.

Mr. Forlenza asked for approval to send a token of the JIF's appreciation to the facility hosting the JIF meetings as he has done in years past. The Committee agreed.

### ***VI. New Fund Commissioner Orientation***

Mr. Forlenza informed the Committee that in April, his office conducted the New Fund Commissioner Orientation sessions for interested Fund Commissioners, Alternates, RMCs, and anyone interested in learning more about the JIF. He mentioned that during the virtual session, they review the fundamentals of the JIF Programs and thoroughly review an agenda packet that helps to explain the Program's inner workings. A session will be planned for April 2024.

**VII. Fund Commissioner Attendance**

Mr. Forlenza referenced the 2023 Fund Commissioner Attendance report included in the agenda packet. He noted the attendance is taken directly from the Recording Secretary's minutes. This report depicts the attendance of the Fund Commissioners and Alternates through June 2023.

Mr. Forlenza stated the overall attendance for Fund Commissioner for 2023 is at 70% and for a combination of Fund Commissioner/Alternates at 81%. He noted that the goal is to have 75% overall member attendance with at least 50% attendance by the Fund Commissioner. With both in-person and virtual meetings, member towns, both big and small, should meet the attendance goal easily.

Mr. Forlenza noted that each year a letter is sent to the Mayor and Council c/o the Municipal Clerk of those members that do not meet these guidelines. The letter outlines the importance of active participation in the JIF and that the organization wants all members to be actively involved and provide their input. It notes that if the current Fund Commissioner is unable to attend the meetings, then please assign someone who is able to attend. The purpose of the letter is to remind the members that the JIF belongs to them, and in order to get the most out of it, you need to actively participate.

Several members of the Committee noted that attending the in person meetings can be a challenge as they have Council or Planning Board meetings the same day as the JIF meeting. Following a brief discussion, Mr. Hornickel inquired as to the possibility of moving the start time of the 2024 Executive Committee meeting to 3:00 PM instead of 3:30 PM. Mr. Forlenza suggested that Mr. Hornickel bring this issue up at the September Executive Committee meeting during the presentation of the minutes of today's meeting to gauge the members' reaction to this proposed change. The Committee agreed.

**VIII. Annual Planning Retreat**

Mr. Forlenza stated the Annual Planning Retreat was held on April 18, 2023 at the Medford Village Country Club. He then reviewed the Retreat Survey results stating that overall the members appear to have had a positive experience at the Retreat. Mr. Forlenza stated that the feedback provided by the members would be used in planning next year's Retreat. He then mentioned that the 2024 Annual Planning Retreat is tentatively scheduled for April 16, 2024 at the Medford Village Country Club. Mr. Forlenza then asked for authorization to reserve this facility. All were in favor.

Ms. Jackson volunteered to help with CEU's if needed.

**IX. MEL EPL Plan of Risk Management Program**

Mr. Forlenza referred the Committee to pages 25 of the agenda, which depicts the members' current EPL Risk Management Plan compliance as of July 6, 2023 stating this is the members' status for the 2022-2023 Program. He stated that this compliance spreadsheet is included in the monthly agenda packet. Mr. Forlenza noted that some members are carrying a higher deductible due to specific loss trends in a specific department (i.e. police), but overall, most members have the standard deductible or have had the ability to buy down their deductible and coinsurance. Mr. Forlenza stated that he has asked PERMA to provide a new column on this chart for the Land Use Claim Deductible as it is different from the EPL & POL deductibles.

Mr. Forlenza pointed out that there is only one town currently *not* in compliance with the Program. He noted that he has spoken directly with the Governing Body about the importance of complying

with the Program. He highlighted that for a small town, a \$100,000 deductible and a 20% share of a \$2 million dollar claim can have a significant negative impact on their budget.

Mr. Forlenza then spoke about the members need to complete the necessary steps to stay, or come into compliance with, the new Program effective January 1, 2024. He stated that on May 17, 2023, he sent an email to all members that included all of the necessary information for members to complete the compliance steps for the 2024-2025 EPL Risk Management Program.

Mr. Forlenza noted that the Managerial and Supervisory Training is ongoing. The training is being conducted through Zoom by Mr. Riccio, who has received very positive feedback from the participants. Mr. Forlenza mentioned that the list of participants would be available on the JIF website shortly.

Mr. Forlenza stated that the planned Police Command Staff Training has been completed. He then stated that in the past, the BURLCO JIF has coordinated a makeup session with the TRICO, ACM, PMM, and Camden JIF's. He pointed out if this were to occur, the sessions would be held sometime in September or October. He noted that all members would be notified should this occur

**X. EPL/POL Loss Runs**

Mr. Forlenza directed the Committee to the March 31, 2023 and June 30, 2023 EPL/POL Loss Ratio Reports included in the agenda packet. He explained that the reports depict incurred losses for Fund Years 2017 through 2022, which is the amount that has been paid, or set aside in reserve to be paid, on known claims. He noted that QBE uses a 55% loss ratio, as a breakeven point as the costs of operations for commercial insurers is much higher than the JIF. He further stated that that his office tracks the performance of individual members using a five-year and six-year average loss ratio.

Mr. Forlenza then reviewed the JIF's overall performance noting a five-year average loss ratio of 10.3% and a six-year average loss ratio of 14.5% valued as of March 31, 2023. As of June 30, 2023, the JIF's five-year average loss ratio is 10.4% and the six-year average loss ratio remains at 14.5%. Mr. Forlenza noted there would likely be some claim development in the most recent years; however, since this is a *Claims Made Policy*, there should not be any new claims for these years.

**XI. EPL/POL Policy**

Mr. Forlenza reminded the Committee that the MEL instituted a five-year phase in process in how the members' EPL premium is calculated moving to a process based on member exposures and loss history. 2023 is year 4 of the 5-year process, though he noted that any changes for 2024 should not be significant. He reminded the Committee that this process was implemented as it became apparent that some good performing members in poor performing JIFs were paying too much premium while poor performing members in good performing JIFs were not paying enough premium.

Mr. Forlenza reminded the Committee that in November 2022 the Fund Underwriter, Ed Cooney, advised him that QBE had decided to no longer offer coverage and that he was working with AIG to secure coverage effective January 1, 2023. In regards to the premium for 2023, there was a statewide increase of 5%; however, the BURLCO JIF increase was approximately 7.5%, partially due to the premium revaluation process discussed earlier.

Mr. Hornickel inquired about whether the JIF should consider self-insuring these lines of coverage since the BURLCO JIFs results are so strong. Mr. Forlenza explained that this line of coverage was self-insured through 2010; however, the MEL decided to commercially insure these lines of

coverage, as a commercial insurer is not impacted by local politics and can either extend or limit coverage on a claim, ultimately helping to minimize costs.

***XII. MEL EPL Helpline***

Mr. Forlenza referred the Committee to a report in the agenda noting this is the most up to date list of Helpline Contacts. Mr. Forlenza noted there are contacts listed for some towns that are no longer with the municipality, as well as a few towns with no one assigned. Mr. Forlenza indicated an email to all members had been sent out from his office in November of last year asking members to review their appointed contacts for the EPL Helpline and notify his office of any changes. He also noted Mr. DeWeese does a great job of referring to the report and asking members to review it each month.

Ms. Smick stated that the update she provided was not included in the Helpline Contacts. Mr. Forlenza requested that Ms. Smick submit the resolution outlining the changes, and his office will make the necessary updates.

Mr. Forlenza stated that based on conversations with Mr. DeWeese, members are actively utilizing the Helpline as they are comfortable speaking with him. In regards to other EPL related risk management services, Mr. Forlenza noted that Ms. Heather Steinmiller, who assists with the EPL Risk Management Program, is working on developing videos, particularly in regards to EPL and FMLA issues, which once completed will be uploaded to the MEL website. Finally, Mr. Forlenza noted that Mr. DeWeese is also sending some of his EPL advice memos, which he produces from the phone calls he receives, to Ms. Steinmiller who is scrubbing the memos for personal information, to upload to the MEL website as an additional resource for the members.

***XIII. Elected Officials Training***

Mr. Forlenza informed the Committee that this year, the Elected Officials Training was conducted online through the MEL Safety Institute. Utilizing the MEL Safety Institute allowed all Elected Officials to complete this training at their convenience. The training was approximately 30 minutes long. The MEL reduced each member's 2023 MEL Assessment by \$250 for each municipal elected official who completed the training session by May 1, 2023. The total credit is limited to 5% of a member's 2023 MEL Assessment.

Mr. Forlenza noted he received a download every week or so of those that had completed the training. A follow-up email was then sent from his office to those that completed that training with links they could use to access additional information on the topics covered during the training. Also, included in that email was a hyper-link to a short survey to see how the participants liked the training being available through the MSI system.

Mr. Forlenza then directed the Committee to survey results included in the agenda packet. He then briefly reviewed the survey results. He also noted that he shared this information with the MEL and recommended that they utilize it as they plan their training for the 2023-2024 cycle.

Mr. Hornickel took the training on line and stated overall it was very good, however it would have been helpful if there was a "rewind" feature so you could go back and listen again to a topic if you had missed something. He noted there is a pause feature; however, a rewind feature would be beneficial. Mr. Forlenza stated that his feedback was shared with the MEL.

Ms. Onorato asked about the possibility of providing Elected Official Training to the newly elected members between November and December in preparation for the upcoming year. Mr. Forlenza responded that the MEL does hold an in person Elected Officials Training session in November at

the SLOM Conference. He further noted that there is a Newly Elected Officials Training video available via the MSI platform as well as the mandatory training session available via Rutgers.

**XIV. MEL EPL Committee**

Mr. Forlenza stated that the MEL recently created an EPL Loss & Claims Committee. The goal of this initiative is to synchronize attorney responses to similar claims across the State in order to obtain valuable resources and share information to reduce costs. David DeWeese and a few other attorneys from the EPL Hotline are part of this committee. Their initial meeting was held in early July and was successful. Mr. Forlenza noted that the three Funds with which he works has had a similar Committee in place for a number of years that meets three to four times a year to discuss loss trends, difficult claims, and training opportunities.

**XV. Land Use Liability Risk Management Program**

Mr. Forlenza referred the Committee to page 61 of the agenda which depicts those member municipalities that have had at least some of their land use board's members complete the enhanced training program. This report is also included in the monthly agenda packet. Mr. Forlenza reminded the Committee that only those land use board members that complete the training process are eligible for enhanced coverage, should they be named personally in a Land Use claim. Mr. Forlenza noted that should anyone need additional training materials to contact his office, or you may obtain them from the BURLCO JIF website.

Ms. Smick inquired if the enhanced training was through the JIF, to which Mr. Forlenza responded that it is provided through the MEL, which adopted it after it was initiated by the local JIFs. He also shared that hard copies of the training materials are available through his office.

**XVI. Technology Risk Management**

Mr. Forlenza reviewed the Cyber Training and Phishing Report included in the agenda packet and explained the MEL Cyber Risk Management Program requires one hour of cyber hygiene training each year, which is being provided by Wizer in two (2) 30-minute sessions. He noted that the first training module was launched on February 27, 2023 and wrapped on at the end of June. Mr. Forlenza then directed the Committee to a report in the agenda packet depicting the results so far for the training that was released on July 10, 2023. Mr. Forlenza briefly discussed the need for members to keep their employee rosters up to date with Wizer. He noted that his office created a "roadmap" to assist members in how to make changes to their employee rosters. Mr. Forlenza then reviewed the report with the Committee.

In regards to the Phishing Program, he informed the Committee that Wizer does change up the phishing email format sent to the employees on a monthly basis. He further explained that some members were becoming frustrated at their results, as they did not understand the difference between simply opening an email vs. opening an email and clicking on a link or attachment.

Mr. Forlenza inquired if any Committee members had recently received any phishing emails. Ms. Smick mentioned that she had received what she thought was a phishing scam; however, it turned out to be legitimate. Mr. Forlenza then inquired if any member of the Committee had ever clicked on a phishing email from Wizer and whether they had been sent to a "refresher" course that explained the clues they missed on how to identify it as a phishing email. No Committee members indicated they had experienced this training process.

Mr. Forlenza then explained, in regards to D2, the report in the agenda packet depicts those towns who have provided/verified their IP addresses to D2. Once a member confirms their IP address (s)

the scanning/penetration testing can begin. Mr. Forlenza explained that these IP address must be confirmed at least once a year as they do sometimes change and members could potentially add new IP addresses that should be scanned.

**XVII. *Cyber JIF***

Mr. Forlenza directed the Committee to page 67 of the agenda packet to review the BURLCO JIF Cyber Compliance report. He noted that most members were struggling to become compliant with the new standards. He explained that this is happening across the State and the Cyber JIF will be reviewing the requirements to determine whether they can be simplified, so that the towns can comply.

Mr. Forlenza then reviewed the coverage limits provided by the Cyber JIF effective January 1, 2023, which is \$3,000,000 each claim/ \$6,000,000 aggregate per JIF with no umbrella. In addition, Mr. Forlenza reviewed the deductibles and co-insurance for the Cyber JIF noting non-compliant members have a \$50,000 deductible and 20% coinsurance of the next \$300,000 of a loss; minimum security has a \$25,000 deductible and no coinsurance; and advanced security compliance has a \$0 deductible.

Mr. Forlenza noted he is still working with the Cyber JIF on determining the reimbursement due the BURLCO JIF for training costs that are currently being provided by the JIF that are built into the Cyber JIF assessment. He explained that the Cyber JIF had built into their budget funding to provide cyber hygiene training, phishing exercises, and network scanning. As the BURLCO JIF has been providing this service to its members for a few years, and we did not want to use the Cyber JIF program as there was nothing wrong with the BURLCO JIF's current program, Mr. Forlenza requested a reimbursement of the costs associated with those programs for the BURLCO JIF. He then stated that he has received assurances from the Cyber JIF Executive Director that the BURLCO JIF will be reimbursed for costs related to providing these services to the members. Mr. Forlenza noted that once the Cyber JIF has contracts with vendors for these services, he would have a better idea of the total amount of the reimbursement. Contract awards for these services could be made as early as August 25, 2023. Mr. Forlenza stated he would keep this Committee updated.

**XVIII. *Annual Report***

Mr. Forlenza noted that in the past, each member received eight (8) copies of the Annual Report, which are normally distributed in December. He noted that the cost of printing the reports has increased dramatically. He then suggested that each town receive one (1) hard copy of the Annual Report, a copy be placed on the JIF website, and an electronic copy be emailed to the Municipal Clerk asking that it be forwarded to each member of the Governing Body. The Committee agreed.

Mr. Forlenza then asked the Committee for authorization to have approximately 40 Annual Reports printed. Permission was granted by all Committee members.

**XIX. *December Dinner Meeting***

Mr. Forlenza stated that the Medford Village Country Club is the planned location for the December 19, 2023, BURLCO JIF Dinner Meeting. Mr. Hornickel recommended holding the Executive Committee Meeting at 3:00 PM, followed by the dinner. The Committee agreed. Mr. Forlenza requested authorization from the Committee to secure Medford Village Country Club, with a 3 PM meeting time, which was granted.

**XX. *Nominating Committee Representative***

Mr. Forlenza referred to the agenda packet regarding the Nominating Committee Charter. Mr. Forlenza stated that a representative from this Committee is required to partake in the Nominating Committee and reviewed the criteria for the representative. Following a brief discussion, Mr. Hornickel was nominated to represent this Committee at the Nominating Committee meeting.

Mr. Forlenza asked for approval, the Committee agreed.

**XXI. *2023 Remaining Meetings***

Mr. Forlenza noted the next meeting is scheduled for November 2, 2023 at 10:00 am via Zoom.

There being no further business, the meeting adjourned 11:44 AM.
