BURLINGTON COUNTY MUNICIPAL JOINT INSURANCE FUND

Resolution No. 2024-03

Appointing Professional Staff

Whereas, the Commissioners of the Burlington County Municipal Joint Insurance Fund find that it is necessary and appropriate to obtain certain professional and other extraordinary and unspecifiable services pursuant to NJSA 40A:11-5 et seq.; and

Whereas, it is anticipated that some of these services will exceed \$17,500 in cost to the Fund during the 2024 Fund Year; and

Whereas, after careful consideration by the Fund Commissioners of the Burlington County Municipal Joint Insurance Fund it has been determined to be in the best interest of the Fund to obtain these services following a “non-fair and open” process pursuant to NJSA 19:44A-20.1 et seq. so as to eliminate the possibility of any of the Fund’s professionals from making reportable contributions to any elected officials in any member town and so as to guarantee the continuity of the Fund’s professionals; many of which have been servicing the Fund since its inception and have directly contributed to its success; and

Whereas, those service providers whose contracts shall exceed \$17,500 during the 2024 Fund Year have executed a “Political Contribution Disclosure Form”, “Business Entity Disclosure Certification”, and a “Stockholder Disclosure Certification”, a copy of which is attached to their Professional Service contract, acknowledging their understanding that by accepting this appointment they may be limited pursuant to NJSA 19:44A-20.6 in their ability to make reportable contributions pursuant to NJSA 19:44A-8 or 19:44A-15 as detailed in NJSA 19:44A-20.5

Whereas, the Burlington County Municipal Joint Insurance Fund has been organized in accordance with the provisions of *N.J.S.A. 40A:10-36 et seq.*, and

Whereas, the participating municipalities have made their respective designations of Commissioners who will collectively serve as the Governing Body of the Burlington County Municipal Joint Insurance Fund, and

Whereas, it is appropriate for the Executive Committee of the Burlington County Municipal Joint Insurance Fund to establish a Cash Management and Investment Policy for 2024, and

Now, THEREFORE, BE IT RESOLVED by the Commissioners of the Burlington County Municipal Joint Insurance Fund, assembled in public session on January 16, 2024, that the Burlington County Municipal Joint Insurance Fund hereby establishes and adopts the following Cash Management and Investment Policy for 2024:

I. CASH MANAGEMENT and INVESTMENT OBJECTIVES

The Burlington County Municipal Joint Insurance Fund (hereinafter referred to as JIF) objectives in this area are:

- a.) Preservation of capital.
- b.) Adequate safekeeping of assets.
- c.) Maintenance of liquidity to meet operating needs, claims settlements and dividends.
- d.) Diversification of the JIF's portfolio to minimize risks associated with individual investments.
- e.) Maximization of total return, consistent with risk levels specified herein.
- f.) Investment of assets in accordance with State and Federal Laws and Regulations.
- g.) Accurate and timely reporting of interest earnings, gains and losses by line of coverage in each Fund Year.
- h.) Where legally permissible, cooperation with other local municipal joint insurance funds, and the New Jersey Division of Investment in the planning and execution of investments in order to achieve economies of scale.
- i.) Stability in the value of the JIF's economic surplus.

II. PERMISSIBLE INVESTMENTS

- a.) Investments shall be limited to investments authorized under *N.J.S.A. 40A:5-15.1 et. seq.* and *N.J.A.C. 5:38-1.1, 5:38-1.2 and 5:38-1.3.*

III. AUTHORIZED DEPOSITORIES

In addition to the above, the JIF is authorized to deposit funds in certificates of deposit and other time deposits in banks covered by the Governmental Unit Depository Protection Act, *N.J.S.A.15:9-14 et seq.* (GUDPA). The JIF is also authorized to invest its assets in the New Jersey Cash Management Fund.

IV. AUTHORITY FOR INVESTMENT MANAGEMENT

The Treasurer is authorized and directed to make investments, with a maturity of three months or longer, through asset managers that may be authorized by resolution of the Executive Committee. Such asset managers shall be discretionary trustees of the JIF.

Their actions and decisions shall be consistent with this plan and all appropriate regulatory constraints.

In executing investments, asset managers shall minimize transaction costs by querying prices from at least three (3) dealers and purchasing securities on a competitive basis. When possible, federal securities shall be purchased directly from the U.S. Treasury.

Transactions shall not be processed through brokerages that are organizationally affiliated with the asset manager. Transactions may also be processed through the New Jersey Division of Investment by the Fund's asset managers.

V. PRESERVATION OF CAPITAL

Securities shall be purchased with the ability to hold until maturity.

VI. SAFEKEEPING OF ASSETS

Securities purchased on behalf of the JIF shall be delivered electronically or physically to the JIF's custodial bank, which shall maintain custodial and/or safekeeping accounts for such securities on behalf of the JIF.

VII. SELECTION OF ASSET MANAGERS, CUSTODIAL BANKS and OPERATING BANKS

Asset managers, custodial banks and operating banks shall be retained for contract periods for one (1) year. Additionally, the JIF shall maintain the ability to change asset managers and/or custodial banks more frequently based upon performance appraisals and upon reasonable notice, and based upon changes in policy procedures.

VIII. REPORTING

Asset managers will submit written statements describing the proposed investment strategy for achieving the objectives identified herein. Asset managers shall also submit revisions to strategy when justified as a result of changing market conditions or other factors. Such statements shall be provided to the Treasurer and Executive Director.

Asset managers and the custodial bank shall provide such other reports and documentation as has been specified by the MEL. The asset manager shall provide such other reports as may be requested from time to time by the Treasurer and Executive Director. The Treasurer shall report to the Executive Board at monthly meetings on all investments as required by law.

The asset manager shall provide the Treasurer with a copy of the institution's annual National Association of Security Dealers' audit.

IX. AUDIT

This plan, and all matters pertaining to the implementation of it, shall be subject to the JIF's annual audit.

X. CASH FLOW PROJECTIONS

Asset management decisions shall be guided by cash flow factors by the JIF's Actuary and reviewed by the Executive Director and the Treasurer.

XI. CASH MANAGEMENT

All monies turned over to the Treasurer shall be deposited within forty-eight (48) hours in accordance with *N.J.S.A.* 40A:5-15.

In the event a check is made payable to the Treasurer rather than the Fund, the following procedure is to be followed:

- a.) The Treasurer endorses the check to the Fund and deposits it into the Fund Account.
- b.) The Treasurer notified the payer and requests that in the future any check be made payable to the Fund.

The Treasurer shall minimize the possibility of idle cash accumulating in accounts by assuring that all accounts in excess of negotiated compensating balances are kept in interest-bearing accounts or promptly swept into the investment portfolio.

The method of calculating banking fees and compensating balances shall be documented to the Executive Board at least annually.

Cash may be withdrawn from investment pools under the discretion of asset managers only to fund operations, claims imprest accounts or approved dividend payments.

The Treasurer shall escheat to the State of New Jersey checks that remain outstanding for twelve or more months after the date of issuance. However, prior to implementing such procedures, the Treasurer, with the assistance of the claims agent, as needed, shall confirm that the outstanding check continues to represent a valid claim against the Fund.

Pursuant to NJSA 40A:5-14, the Treasurer is authorized to work with JIF designated Banking Depositories to arrange for the deposit of the JIF funds in accounts in one or more depositories that are insured by the Federal Deposit Insurance Corporation (FDIC) so as to safeguard JIF funds.

XII. COOPERATION WITH AFFILIATED JOINT INSURANCE FUNDS (JIFs)

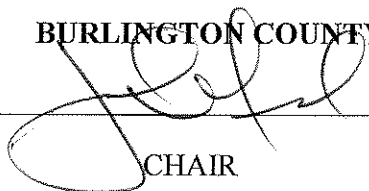

When legally permissible, the JIF is authorized to participate in master investment trusts or other cooperative arrangements with other municipal joint insurance funds. Such arrangements must meet minimum standards contained herein, and must be approved by the Executive Board.

Be It Further Resolved that copies of this Resolution shall be provided to the Executive Director, Treasurer, and Solicitor of the Burlington County Municipal Joint Insurance Fund for their information and attention.

BURLINGTON COUNTY MUNICIPAL JOINT INSURANCE FUND

RESOLUTION 2024 - 12

ADOPTING AND ESTABLISHING A CONFLICT OF INTEREST POLICY

Whereas, the Burlington County Municipal Joint Insurance Fund has been organized pursuant to NJSA 40A:10-36 et seq., and

Whereas, the Burlington County Municipal Joint Insurance Fund is duly constituted as a Municipal Self Insurance Fund to provide insurance coverage to its member municipalities, and

Whereas, the Commissioners of the Burlington County Municipal Joint Insurance Fund have determined that the Burlington County Municipal Joint Insurance Fund is distinguished from commercial insurance providers by virtue of the fact that it is formed by municipalities, it is funded by public monies appropriated by the member municipalities, it serves a public purpose and is responsible for the discharge of its function in a manner consistent with ethical policies applicable to municipal government, and

Whereas, the Commissioners of the Burlington County Municipal Joint Insurance Fund find that it is appropriate to establish certain policies applicable to potential conflicts of interest by the officials and professional staff of the Burlington County Municipal Joint Insurance Fund,

Now, THEREFORE, BE IT RESOLVED by the Commissioners of the Burlington County Municipal Joint Insurance Fund, assembled in a public session on January 19, 2024, that:

Findings:

1. The Burlington County Municipal Joint Insurance Fund is a joint enterprise of the following municipalities:

Bass River Township, Beverly City, Bordentown City, Bordentown Township, Chesterfield Township, Delanco Township, Delran Township, Edgewater Park Township, Fieldsboro Borough, Florence Township, Hainesport Township, Lumberton Township, Mansfield Township, Medford Township, Mount Laurel Township, New Hanover Township, North Hanover Township, Palmyra Borough, Pemberton Borough, Pemberton Township, Riverside Township, Shamong Township, Southampton Township, Springfield Township, Tabernacle Township, Westampton Township, Woodland Township, and Wrightstown Borough

providing those municipalities with general liability, police professional and workers' compensation coverage.

2. The municipalities which are members of the Burlington County Municipal Joint Insurance Fund are jointly responsible for the defense and payment of claims against each other in accordance with the standards and limitations applicable to the Burlington County Municipal Joint Insurance Fund.
3. While in some aspects of its activity the Burlington County Municipal Joint Insurance Fund functions in a manner similar to that of a commercial insurance provider, it is clearly distinguished by the fact that it is created by the member municipalities; it is governed by Commissioners appointed by the member municipalities; its funding is provided exclusively by the member municipalities and thereby constitute public funds; those associated with the Burlington County Municipal Joint Insurance Fund are compensated

with those public funds; the function of the Burlington County Municipal Joint Insurance Fund is to fulfill a public purpose by providing insurance coverage exclusively to its member municipalities; there is a need for those appointed by the Burlington County Municipal Joint Insurance Fund to freely discuss and evaluate potential liability exposures of the member municipalities and to receive information on municipal activities and operations in the same manner as those directly appointed by the member municipalities to advise them; and the Burlington County Municipal Joint Insurance Fund is bound by many of the same laws and regulations applicable to municipalities with regard to financial records, public contracts and public meetings.

Conflict of Interest Policy

1. It is hereby determined by the Commissioners of the Burlington County Municipal Joint Insurance Fund that it is in the best interests of the Burlington County Municipal Joint Insurance Fund and the member municipalities to establish a policy regarding potential conflicts of interest affecting those appointed or retained by the Burlington County Municipal Joint Insurance Fund.
2. It is further determined that it would be inappropriate for an individual appointed or retained by the Burlington County Municipal Joint Insurance Fund, or for any person owning or employed by the business entity with which the appointed individual is associated, to undertake the representation or appearance on behalf of a party in a matter or claim adverse to that of the member municipalities. The potential conflict of interest or appearance of a conflict of interest specifically extends to the assertion of claims against the member municipalities and to appearances before agencies of those municipalities.
3. The Burlington County Municipal Joint Insurance Fund has determined that it is a conflict of interest for a Burlington County Municipal Joint Insurance Fund defense attorney to represent any plaintiff, claimant or interest in any legal action, except as stated herein, against any member municipality, regardless of Fund affiliation, including but not limited to the Municipal Excess Liability Fund. It shall be deemed to be a violation of this Conflict of Interest Policy, by any designated defense attorney of the Burlington County Municipal Joint Insurance Fund to take on such representation enjoined by this paragraph. Any Burlington County Municipal Joint Insurance Fund defense attorney that knowingly violates this policy is subject to be removed from the list of approved defense attorneys.
4. In determining the nature and extent of the conflict of interest policy, guidance can be drawn from the Opinions of the Advisory Committee on Professional Ethics that address the restrictions on municipal attorneys and those associated with their law offices and the reasons underlying those Opinions. In adopting this Policy, however, the Commissioners of the Burlington County Municipal Joint Insurance Fund are aware of Opinion No. 640 issued for attorneys by the Advisory Committee on Professional Ethics which compared a Municipal Joint Insurance Fund to a commercial insurance company and determined that there was not a conflict between representing a Joint Insurance Fund and appearing before a municipal agency. To the extent of the policy adopted by this Resolution, the Commissioners of the Burlington County Municipal Joint Insurance Fund do not adopt the rationale of Opinion No. 640 and hereby determine that the nature of the Burlington County Municipal Joint Insurance Fund; its creation by the member municipalities; its funding by the member municipalities; its governance by the municipal officials appointed by the member municipalities and the need to share confidential information regarding potential liabilities affecting the member municipalities is sufficient to present a potential conflict of interest or the potential for an appearance of a conflict of interest and that it must be avoided by those associated with the Burlington County Municipal Joint Insurance Fund.

Exceptions.

1. The general policy prohibiting those retained or appointed by the Burlington County Municipal Joint Insurance Fund from appearing before agencies of the member municipalities shall not be applicable to the representation of parties in the Municipal Court for motor vehicle violations, including drunk driving, provided that the defense is not based upon and the parties are not asserting any claim against a police officer, a municipal employee or the municipality for any alleged wrongful or improper action. It is noted that even traffic violations require sensitivity to potential conflicts, since charges arising out of a motor vehicle accident, could well result in a subsequent claim against the municipality. Those situations which would present a conflict of interest between the representation of a client and the representation of municipal interests should be avoided. Claims against municipal members will need to be evaluated and defended by the Burlington County Municipal Joint Insurance Fund and the defense should not be compromised by the representation of a party asserting a claim.
2. The general policy prohibiting those retained or appointed by the Burlington County Municipal Joint Insurance Fund from appearing before agencies of the member municipalities may be waived with regard to the representation of parties with minor development applications before the Planning Board or the Zoning Board of Adjustment. Where a person retained or appointed by the Burlington County Municipal Joint Insurance Fund seeks to appear before the Planning Board or the Zoning Board of Adjustment of a member municipality for any relatively minor application, in which there is not a substantial adversarial relationship to the municipality, a waiver of the conflict of interest policy may be requested for that application. The request for the waiver shall be reviewed by the Executive Director and the Solicitor for the Burlington County Municipal Joint Insurance Fund and the Commissioner representing the municipality in which the application is to be considered to the Burlington County Municipal Joint Insurance Fund to determine whether a waiver shall be allowed in the particular matter after considering the nature of the application and whether any use or significant bulk variances are requested.
3. Nothing in the policy adopted herein shall bar an individual from representing or appearing for himself or herself or a member of his or her immediate family residing with him or her before any municipal agency.

Be It Further Resolved, that copies of this Resolution shall be provided to each of the officials, professionals, and defense attorneys appointed by the Burlington County Municipal Joint Insurance Fund for their information and attention.

Burlington County Municipal Joint Insurance Fund
2024 Plan of Risk Management

ADOPTED: this 23 day of Jan, 2024 by the Commissioners:

Burlington County Municipal JOINT INSURANCE FUND

Chairperson

Secretary

1.) **The amount of unpaid claims to be established.**

- a.) The general reserving philosophy is to set reserves based upon the probable total cost of the claim at the time of conclusion. Historically, on claims aged eighteen (18) months, the Fund expects the claims servicing company to set reserves at 85% accuracy. The Fund also establishes reserves recommended by the Fund's actuary for claims that have been incurred but not yet reported so that the Fund has adequate reserves to pay all claims and allocated loss adjusted expense liability.
- b.) Claims reserves are subject to regular review by the Fund's Executive Director/Administrator, Attorney, Executive Committee and claims servicing company. Reserves on large or unusual claims are also subject to review by the claims departments of the commercial insurance companies or reinsurance companies providing primary or excess coverages to the Fund.

2.) **The method of assessing contributions to be paid by each member of the Fund.**

- a.) By November 15th of each year, the actuary computes the probable net cost for the upcoming Fund year by line of coverage and for each prior Fund year. The actuary includes all budget items in these computations. The annual assessment of each participating municipality is its pro rata share of the probable net cost of the upcoming Fund year for each line of coverage as computed by the actuary.
- b.) The calculation of pro rata shares is based on each municipality's experience modified manual premium for that line of coverage. The Fund's governing body also adopts a capping formula which limits the increase of any member's assessment from the preceding year to the Fund wide average increase plus a percentage selected by the governing body. The total amount of each member's annual assessment is certified by majority vote of the Fund's governing body at least one (1) month prior to the beginning of the next fiscal year.
- c.) The treasurer deposits each member's assessment into the appropriate accounts, including the administrative account, and the claim or loss retention trust fund account by Fund year for each type of coverage in which the member participates.
- d.) If a local unit becomes a member of the Fund or elects to participate in a line of coverage after the start of the Fund year, such participant's

assessments and supplement assessments are reduced in proportion to that part of the year which had elapsed.

- e.) The Fund's governing body may by majority vote levy upon the participating municipalities additional assessments wherever needed or so ordered by the Commissioner of Insurance to supplement the Fund's claim, loss retention or administrative accounts to assure the payment of the Fund's obligations. All supplemental assessments are charged to the participating municipalities by applicable Fund year, and shall be apportioned by the year's assessments for that line of coverage.
 - f.) Should any member fail or refuse to pay its assessments or supplemental assessments, or should the Fund fail to assess funds required to meet its obligations, the chairman or in the event by his or her failure to do so, the custodian of the Fund's assets, shall notify the Commissioner of Insurance and the Director of Community Affairs. Past due assessments shall bear interest at the rate established annually by the Fund's governing body.
 - g.) The Fund has adopted a loss sensitive retrospective rating plan and has filed the endorsement with the Department of Banking and Insurance and the Department of Community Affairs.
- 3.) **Procedures governing loss adjustment and legal expenses.**
- a.) The Fund engages a claims service company to handle all claims, except for the JIF's POL/EPL and Volunteer D&O insurance which is handled by Summit Risk Services representing QBE North America for both coverages. The performance of the claims adjusters is monitored and periodically audited by the Executive Director's office, the Fund attorney, the MEL's attorney's office, as well as the claims department of the MEL's three major liability insurers/re-insurers [i.e. General Re and Munich Re for excess liability, and Safety National for workers' compensation]. Every three years, the MEL's internal auditors also conduct an audit.
 - b.) Each member local unit is provided with a claims reporting procedure and appropriate forms.
 - c.) In order to control workers' compensation medical costs, the Fund has the Fund has established an approved medical list and all injured employees are required to utilize this panel.

- d.) To provide for quality defense and control costs, the Fund has established an approved defense attorney panel with firms which specialize in Title 59 matters. The performance of the defense attorneys is overseen by the Fund attorney, as well as the various firms which audit the claims adjusters.
- e.) The pursuit of subrogation is important to the member and the JIF because successful recoveries replenish the loss funds thereby benefitting a members' loss history and the ultimate JIF results.
- f.) As a result, when the Claims Administrator receives notification from an attorney who is representing a workers compensation claimant in a third party action against a potentially liable party for the claimant's injury, the Claims Administrator will immediately forward a copy of the claimant's file to the Fund Solicitor for his review and action.
- g.) In addition, when the Claims Administrator has identified potential subrogation in a workers compensation claim and provided the claimant with the "1 year" letter and receives no response from the claimant after 10 days, the Claims Administrator will immediately forward a copy of the claimant's file to the Fund Solicitor for his review and action.
- h.) In situations where it is determined that opportunities for subrogation originally identified by the Claims Administrator are unable to be pursued, the following guidelines will be followed to abandon subrogation attempts:
 - 1. All requests for abandonment of subrogation, reduction of subrogation claims, and for execution of releases shall be reviewed by the Burlington County Municipal Joint Insurance Fund Claims Review Committee at its next regularly scheduled meeting, except for subrogation claims that are valued at less than **ONE THOUSAND (\$1,000.00) DOLLARS**; and
 - 2. As to all subrogation claims less than **FIVE HUNDRED (\$500.00) DOLLARS**, after the Claims Administrator has exhausted all avenues for collection of the subrogation claim, the claim shall be referred to Claims Supervisor who shall review the claim and provide a list of those claims and dollar amounts being waived to the Fund Administrator of the Burlington County Municipal Joint Insurance Fund; and
 - 3. As to all subrogation claims greater than **FIVE HUNDRED (\$500.00) DOLLARS** but less than **ONE THOUSAND (\$1,000.00) DOLLARS**, after the Claims Administrator has exhausted all avenues for collection of the subrogation claim, the claim shall be referred to the Fund Solicitor who shall review the

claim and provide a list of those claims and dollar amounts being waived to the Fund Administrator of the Burlington County Municipal Joint Insurance Fund; and

4. For all subrogation claims of **ONE THOUSAND (\$1,000.00) DOLLARS** or more, the Claims Review Committee shall review such claims and provide a recommendation to the Executive Committee of the Burlington County Municipal Joint Insurance Fund at their next regularly scheduled meeting; and
5. The Executive Committee shall review the recommendations of the Claims Review Committee, the Claims Administrator, and the Fund Solicitor and determine whether to ratify the recommendations and said action will be noted in the meeting minutes via the claim number of the appropriate claim; and
6. If the recommendation is for the execution of a Release and the Executive Committee ratifies that recommendation, the Burlington County Municipal Joint Insurance Fund's Chairperson and Secretary shall be authorized to execute the Release by Resolution.

4.) **Coverage to be purchased from a commercial insurer, if any.**

The Fund does purchases commercial insurance for the POL/EPL and Volunteer D&O coverage which is purchased from **AIG**.

5.) **Reinsurance to be purchased.**

The Fund does not purchase reinsurance.

6.) **Procedures for the closure of Fund years, including the maintenance of all relevant accounting records.**

- a.) The Fund utilizes the Municipal Excess Liability Residual Claims Fund (RCF) to facilitate the closure of Fund years.
- b.) Upon the transfer of outstanding liabilities of a Fund year to the RCF, the Fund adopts a resolution closing that year and transfers all remaining assets to the closed Fund year account. This amount is allocated by member local units using the same procedure as is used to calculate a dividend. Each month, interest is credited to the closed Fund year account by member.

- c.) Each year, the Fund's governing body will determine if a dividend is appropriate from the closed Fund year account, and will make application to the Department of Insurance as appropriate. Further, in the event an open Fund year incurs a deficit, the Fund's governing body will consider an inter-year transfer from the closed Fund year account to offset the deficit. In either case, the dividend or inter-Fund year transfer will be calculated on a member by member basis.
- d.) A former member may apply to the Fund's governing body for a return of that member's remaining share of the closed Fund year account when five (5) years have passed since the last Fund year in which the member participated has been closed. Prior to release of any former member's balance in the closed years account, the Fund Administrator shall complete an analysis of the request to determine that the following criteria has been met.
1. All claims for the Fund Year from which surplus is being released are closed; and;
 2. All outstanding payments due and owing from the prior member of the Fund have been paid in full, including any payments due pursuant to a Retrospective Agreement, as certified by the Fund Treasurer; and;
 3. An analysis has been completed to determine the likelihood of an additional assessment from the Municipal Excess Liability Joint Insurance Fund (MEL JIF) and/or the Residual Claims Fund Joint Insurance Fund (RCF JIF) due to statutory, regulatory, and/or other external factors that could trigger an additional assessment for a Fund Year where the prior member was a member of the Fund.
- e.) Upon completion of the analysis of the request by the Fund Administrator, it shall be reviewed by the Fund's Finance Committee who shall make a recommendation to the Executive Committee as to the request to release the former member's balance in the closed years account.
- f.) All dividends from the RCF will be deposited in the closed Fund year account on a member-by-member basis.
- g.) The Fund will retain all records in accordance with the Fund's record retention program.

7.) **Assumptions and Methodology used for the calculation of appropriate reserves requirements to be established and administered in accordance with sound actuarial principles.**

- a.) The general approach in estimating the loss reserves of the Fund is to project ultimate losses for each Fund year using paid and incurred loss data. Two traditional actuarial methodologies are used: the paid loss development method and the incurred loss development method. From the two different indications resulting from these methods the Fund Actuary chooses a "select" estimate of ultimate losses. Subtraction of the paid losses from the select ultimate losses yields the loss reserve liability or funding requirement.
- b.) The following is an overview of the two actuarial methods used to project the ultimate losses.
 - o Paid Loss Development Method - This method uses historical accident year paid loss patterns to project ultimate losses for each accident year. Because this method does not use case reserve data, estimates from it are not affected by changes in case reserving practices. However, the results of this method are sensitive to changes in the rate of which claims are settled and losses are paid, and may underestimate ultimate losses if provisions are not included for very large open claims.
 - o Case Incurred Loss Development Method - This method is similar to the paid loss development method except it uses historical case incurred loss patterns (paid plus case outstanding reserves) to estimate ultimate losses. Because the data used includes case reserve estimates, the results from this method may be affected by changes in case reserve adequacy.

8.) **The maximum amount a certifying and approving officer may approve pursuant to N.J.A.C. 11:15-2.22.**

- a) Property Claims - \$10,000 of Authority
- b) Workers Compensation Claims - \$10,000 of Authority
- c) Liability Claims - \$10,000 of Settlement Authority; \$10,000 of legal and file expense Authority
- d) The Executive Committee reviews all Payment Authorization Requests, (PARs) where the total cost of a claim will exceed the Authority noted above, and review litigation strategies with the Fund's Attorney.

- e) Prior to each Executive Committee Meeting, the certifying and approving officer shall prepare a report that lists the payments on claims where the total expense to date is less than the Authority levels noted above that were approved by the certifying and approving officer since their last report. At a minimum, the report shall include the name of the payee, claim number, affected member, amount paid, reason for payment, and other pertinent information required to substantiate payment. The report shall be provided to the Executive Committee at their regular meeting for their review and approval.
- f) In situations where the payment of an allocated file expense on a workers compensation file that has been approved for closure will cause the total cost of the claim to exceed the Authority previously granted, the certifying and approving officer may pay that cost without seeking further approval from the Executive Committee.
- g) In urgent situations where the Executive Committee has not had an opportunity to meet, and where time is of the essence such that an expeditious response to a settlement offer would be in the Fund's best economic interest, the Fund Attorney, in consultation with the Executive Director and the Executive Committee Chair, shall have the authority to authorize the settlement of claims within the JIF's SIR. All such authorizations shall be reported to the Executive Committee as soon as possible and shall be approved at their next meeting.
- h) In urgent situations where the Executive Committee has not had an opportunity to meet, and temporary total disability benefits are due to a claimant and delaying payment of these benefits would have a detrimental impact on the claimant, the Executive Director, in consultation with the Fund Attorney, and the Executive Committee Chair, shall have the authority to authorize the payment of temporary total disability benefits to the claimant at an amount not to exceed \$5,000 over what had been previously authorized. All such authorizations shall be reported to the Executive Committee as soon as possible and no later than the Committee's next meeting and shall be approved at their next meeting.
- i) Upon submission of satisfactory documentation, and with the advance approval of the Executive Director, the Certifying and Approving Officer may also pay hospital bills if waiting until after the next regularly scheduled FUND meeting would result in the loss of a discount on such bills. When the Certifying and Approving Officer utilizes this authority, a report shall be made to the Executive Committee at their next meeting for their approval.

9.) **Operational Philosophy**

- 1) General - As is the case with any organization, an established operating philosophy, formalized in a document such as this, is a necessary precursor to success. This section of the Risk Management Plan is developed to provide general instruction for key areas and providers of service to the Fund. Also included here are sections which restate (and amplify) the roles and responsibilities of important parties and stress the importance of activities upon which the long term success of the Fund will hinge in whole or in part.
- 2) Fund Commissioners - Fund Commissioners, each an elected official or municipal employee, are the backbone of the Fund. These individuals will in large measure control the success of the Fund by actively participating in the safety and loss control programs developed by the Fund for all members, and by implementing these programs in their respective municipalities. Fund Commissioners are encouraged to attend all meetings of the Fund, to serve on committees studying current issues, to enhance their knowledge of risk management, and to encourage consistent safe practices.
- 3) Fund Professionals and Risk Management Consultants - Providers of professional services (Fund Professionals and Risk Management Consultants) to the Fund and individual member municipalities are strongly encouraged to participate in and promote Fund activities. The success of the Fund will, in part, be a reflection of the professionalism of those providers whose services are integral components of the Fund. Support of the concept of self-insurance, the Fund in general, and the risk management activities of member municipalities in particular are necessary elements of success.
- 4) The Fund Bylaws allow each member municipality to provide for the services of an individual or firm to serve as the member's Risk Management Consultant and who shall serve as an Insurance Producer as defined under N.J.S.A. 17:22, and shall have demonstrated experience in the management of public sector insurances and risk management. The Risk Management Consultant shall not be an employee of the member. The Risk Management Consultant shall not be a Fund Commissioner.
- 5) The Risk Management Consultant shall advise the member on matters relating to the Fund's operation and coverages. The Risk Management Consultant shall, in addition to such items as may be included in such individual's or firm's contract or agreement with the member, be governed by the following:

1. The Risk Management Consultant shall be retained by each member in conformance with applicable State Law or regulation;
 2. Risk Management Consultants, who can not be local unit employees, shall be paid a fee not exceeding six (6%) percent of the member's assessment in accordance with the terms of the Risk Management Consultant's Agreement executed by the member; and
 3. Specific responsibilities shall include, but not be limited to:
 - i. Evaluation of the member's exposure;
 - ii. Explanation of the various coverages available from the Fund;
 - iii. Preparation of applications, statements of values, timely reporting of changes in exposures, and any other exposure based questionnaires and/or applications requested by the Fund;
 - iv. Review of the local unit's assessment and assistance in preparing the member's insurance budget;
 - v. Review and analysis of the member's safety engineering reports and periodic loss runs in order to help the member identify areas requiring greater attention;
 - vi. Assist the member in establishing, monitoring and evaluating a safety committee and claims handling procedure;
 - vii. Attend the majority of meetings of the Fund's Executive Committee; and
 - viii. Analyze and recommend insurance coverages not offered through the Fund.
- 6) Claims Response And Reserving - Were the philosophy of the Fund in these areas to be encapsulated into two sentences, they would read as follows:
1. "The Fund will thoroughly review and respond to each claim presented so as to pay only that amount

- (if any) which it is legally bound and obligated to pay.”; and
2. “Reserves shall be established on each claim presented in a manner which accurately reflects the full, known liability of the Fund at any given point in time”.

In reviewing each claim presented, the Fund (operating through its claims administrator and legal counsel) shall review such claims for coverage, deny those not falling within the purview of coverages offered, aggressively defend those in dispute, pursue to the fullest extent of the law those presented in bad faith, and settle as expeditiously as possible those for which the Fund is legally liable.

- 7) Case reserves, including all types of applicable allocated loss adjusting expenses, will be established with an eye toward identifying the full exposure of the Fund and its excess insurance carriers at the earliest possible date. Reserves shall be periodically reviewed for accuracy and adjusted as needed. For claims aged eighteen (18) months or more, it is expected that reserves will be not less than 85% accurate. For claims aged thirty (30) months or more 95% accuracy is expected.
- 8) Financial Management - Consistent with the objective of serving as a long term vehicle through which to stabilize the costs associated with insurance coverages, the underlying premise of the Fund’s financial base shall be one of conservative up-front funding, prudent investment of idle funds, and maintenance of stringent paper and audit trails. As is the case with all other aspects of the Fund, the financial assets of the Fund can well be considered as moneys held in public trust. Treatment and handling of these Funds must be accomplished in a manner which reflects the stewardship obligation of those whose hands through which they pass. All actuarial, investment, treasury and banking functions of the Fund are to be accomplished in a manner consistent with the same legal and administrative standards applicable to municipalities in the State of New Jersey.

Specific steps taken by the Fund during past years to enhance return on equity include:

1. implementing more favorable payment terms with various service providers so as to increase investment income;
2. Development and adoption of a Cash Management and Investment Policy which seeks the following objectives:
 - i. Preservation of capital,

- ii. Adequate safekeeping of assets,
- iii. Maintenance of liquidity to meet operating needs, claims settlements, and dividends,
- iv. Diversification of the JIF's portfolio to minimize risks associated with individual investments,
- v. Maximization of total return, consistent with acceptable risk levels,
- vi. Investment of assets in accordance with State and Federal laws and regulations,
- vii. Accurate and timely reporting of interest earnings, gains and losses by line of coverage in each fund year,
- viii. Cooperation with other local JIFs and the MEL in the planning and execution of investments in order to achieve economies of scale,
- ix. Stability in the value of the JIF's economic surplus.

9) Safety And Loss Prevention - Every dollar spent to compensate for an avoidable loss, whether it be for property, workers' compensation or any other coverage afforded through the JIF, is a dollar which might better have been used to provide municipal services and conserve tax dollars. In an effort to avoid preventable loss and the financial and human hardships which result therefrom, the JIF (operating through the Fund's Safety Committee) will implement safety and loss control programs and procedures, directed at reducing or eliminating conditions or practices which lead to loss. These programs, implemented in progressive steps, will include items such as:

- 1. Member facility self-inspections supplemented by those conducted by the Fund's Safety Director;
- 2. Seminars or other training programs directed at specific areas of municipal operations from which losses are likely to occur;
- 3. Promotional safety incentive programs stressing safety in all areas of municipal operations and offering incentives for active participation by all Fund members.

10) Aggregate Excess Loss Contingency Fund

In November of 1996, the Department of Banking and Insurance adopted administrative codes for municipal joint insurance funds like the BURLCOJIF, reference N.J.A.C. 11:15-2.1 et. seq. One aspect of these new regulations is the requirement that joint insurance funds either buy

aggregate excess insurance or budget additional money to be collected from the members in an aggregate excess loss contingency fund. The spirit of this portion of the administrative code is to provide even greater fiscal security to joint insurance funds than the security provided through the funding of loss retention accounts based upon an independent actuarial loss funding model.

The members view this requirement as supporting their primary objective to stabilize costs. The history of the Fund is to purchase aggregate excess insurance whenever possible to protect against a series of losses. However, the Fund has also observed that this is not always possible and has instead budgeted an additional amount of money as loss fund contingency in those years when aggregate excess insurance was either not available or too costly to consider. For the members, the Aggregate Excess Loss Contingency Fund is simply a new name for an established practice and the BURLCOJIF will continue its practice of budgeting extra money in the absence of commercially available aggregate excess insurance but will now refer to these monies as the Aggregate Excess Loss Contingency Fund.

The administrative code defines the Aggregate Excess Loss Contingency Fund as a separate fund which is always accounted for in the current fund fiscal year. The monies are set aside for a period of at least two years to pay for claim activity that exhausts loss funds in a claim retention account in the original fund year in which the monies were set aside. The code also defines the minimum statutory funding for this aggregate loss fund account and specifically states that nothing in the law shall prevent a joint insurance fund from funding this account at a higher level. Both the statute and administrative code governing the BURLCOJIF also require that any surplus and/or deficit in every retention account for each year is owned by the members who were a part of that year according to the percentage that their individual total contribution bears to the budget in that year. Contributions made to the Aggregate Excess Loss Contingency Fund are no different in this regard.

However, the Aggregate Excess Loss Contingency Fund is different than other loss retention accounts in two fundamental ways; the manner in which the BURLCOJIF must account for the funds and its use across all years by individual members. Because the Aggregate Excess Loss Contingency Fund moves from the current fiscal year forward to the succeeding fiscal year in its entirety and the statutory minimum funding associated with a specific fund fiscal year must be retained for a minimum of two years, this fund must always be accounted for on an individual member basis showing both a member's statutory encumbered portion and their statutory unencumbered portion.

As discussed above, the Aggregate Excess Loss Contingency Funds are intended to provide an immediate response to the need to replenish money

in a loss fund account where the original loss funding has been consumed. It is also true that over time if the value of the projected ultimate cost of claims within a loss retention account as defined by the claims administrator added to the Incurred But Not Reported (IBNR) values developed by the actuary do not exceed the original loss funding within a loss retention account after two years, the administrative code permits but does not mandate a full return of those aggregate excess loss contingency funds to their member owners. Thus, the aggregate excess loss contingency funds that are surplus and not yet returned can be used by members to pay for additional money needs in any fund year when and if needed. This provides members with the opportunity to accrue surplus aggregate excess loss contingency funds and use them across all fund years in much the same way they have used the Loss Fund Contingency money in earlier budgets as a safeguard across multi-line retention accounts in a given fund fiscal year.

In this regard, the Aggregate Excess Loss Contingency Fund is in part a protection against adverse development for both specific retention accounts as well as providing protection on a multi-year and multi-line loss basis.

The administrative code specifically permits a member to use released surplus funds in loss retention accounts to either take them in the form of a return of surplus or to be applied toward the payment of a future premium. As the unencumbered portion of the Aggregate Excess Loss Contingency Fund is an individual member owned surplus account, members with accrued surplus in this account can likewise use these funds in the same way.

Finally, the BURLCOJIF views the Aggregate Excess Loss Contingency Fund as a better version of the old Loss Fund Contingency. We believe it provides a stronger vehicle through which members can build a financial bank against adverse development on a multi-year and multi-line basis. It is the hope of the BURLCOJIF that members will use this fund to provide themselves with a financial vehicle through which they can manage an additional assessment with no cost to their municipality or pay future insurance premiums to stabilize costs, or both.

Administrative Policies & Procedures

Date Adopted: April 17, 2007

POLICY: Conference Attendance

PURPOSE: To Establish a Protocol for Attendance at Various Training Conferences

It is the practice of the Burlington County Municipal Joint Insurance Fund (BURLCO JIF) to encourage the further education of its members in Risk Management issues by providing a limited number of Fund Commissioners an opportunity to attend various industry conferences during a Fund Year. These conferences include those offered by Public Risk Management Association (PRIMA) and the Association of Government Risk Insurance Pools (AGRIP).

Because the Fund affords a limited number of Fund Commissioners an opportunity to attend this conference, and it is possible that more Commissioners may wish to attend a conference than positions are available, it is important that the Fund have a procedure establishing clear guidelines and preferences for Commissioner attendance. Each fall, the Finance Committee shall prepare the annual Conference budget and set forth the number of available openings for conference attendance the following year.

ANNUAL PRIMA CONFERENCE

The following procedure shall be followed in determining the Fund Commissioners who will attend the **Annual PRIMA Conference**:

1. **Executive Committee Members** – At the beginning of each year, the Executive Director's office shall notify members of the Executive Committee of the opportunity to attend the Annual PRIMA Conference. Members shall be given a deadline to respond. Attendees will be determined based upon their date of response on a first come first served basis.
2. **Alternate Executive Committee Members** - If after the deadline has passed, additional positions remain open, an invitation shall be extended to the Executive Committee Alternates. Responses to the invitations must be received no later than February 1st. Attendees will be determined based upon their date of response on a first come first served basis.
3. **Fund Commissioners** - In the event that positions to attend the Annual PRIMA Conference remain open after invitations have been extended to the Executive Committee members and Alternates, the Executive

Director's Office shall announce at the February Executive Committee meeting the opportunity for remaining Fund Commissioners to attend the conference with a response deadline of March 1st. Attendees will be determined based upon their date of response on a first come first served basis.

No additional announcements regarding opportunities to attend the annual PRIMA Conference shall be made after the February Executive Committee meeting.

AGRIP CONFERENCE

The following procedure shall be followed in determining the Fund Commissioners eligible to attend any of the **AGRIP Conferences**.

1. In January of each year, the Executive Director's office shall notify in writing the members and alternate members of the Executive Committee, as well as the Chairs of the Standing Sub Committees, of the AGRIP Conferences scheduled for the Fund Year requesting that each Commissioner notify the Executive Director's office in writing of any of the conferences they would like to attend. If more than one conference is requested, preference must be indicated by the individual.
2. The Executive Director's office shall keep track of the date of, number of, and specific AGRIP conference that the Commissioners wish to attend along with the date they responded.
3. In the event that more Fund Commissioners ask to attend a conference than positions available, priority shall be given in the following order:
 - Fund Chair
 - Fund Secretary
 - Executive Committee members in their order of succession
 - Alternate Executive Committee members in their order of succession
 - Committee Chairs
4. Priority among the Committee Chairs who are not Executive/Alternate Executive Committee members shall be determined based on the date of their response. However, further priority shall be given to the above individuals who are not scheduled to attend a conference during the current Fund Year.
5. Due to the AGRIP Conferences being held periodically during the year, the Executive Director's office shall send reminders of upcoming conferences to the members and alternate members of the Executive Committee, as well as the Chairs of the Standing Sub Committees, of upcoming conferences and any available positions to attend these conferences.
6. In the event that funded positions for attendance at the Spring AGRIP Conference are unused, additional members may attend one or more of the remaining AGRIP Conferences as long as the total number of attendees does not exceed that which is budgeted for the Fund Year.

CONFERENCE REIMBURSEMENT GUIDELINES

1. Each attendee at the PRIMA conference shall be eligible for up to \$1,750 in reimbursable expenses. Reimbursable expenses are defined in the Fund's *Travel & Reimbursement Policy* adopted by the Fund at its Annual Reorganization meeting.
2. Prior to receiving a final reimbursement from the Fund, attendees at each conference shall provide the membership, at the next Executive Committee meeting following their return, with a summary report of the seminars they attended. Any written materials that the attendee brings from the conference shall be made available to the Executive Director's office for copying and distribution to any Fund Commissioner upon their request.
